Independent Auditor's Review Report on Standalone Unaudited Financial Results of CMM Infracore Limited for Half Year Ended September 30, 2025 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended

To The Board of Directors of CMM Infra Projects Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results of CMM Infra Projects Limited (hereinafter referred to as "the Company") for the half year ended September 30, 2025 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 as amended ("the Regulation"), including relevant circulars issued by SEBI from time to time.
2. This Statement which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, and taken on records by the Chairman Monitoring Committee has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25, (AS 25) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the circular is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

For the purpose of this report, management should be considered as the directors and other designated officers who continue to serve the company as on the date and are taking responsibility and signing the financial results.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with the standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, except for the effect of the matters stated in basis for qualified conclusions, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Accounting Standards (AS) specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion

- (a) Pursuant to approval of Resolution Plan by Hon'ble National Company Law Tribunal-Indore Bench Indore, the implementation of resolution plan is under progress as on date of this report.
- (b) Regarding non confirmation of Advance to Supplier Rs. 743.04/- Lacs, Long-term loans & advances of Rs. 1462.17/-Lacs, Long term borrowing Rs. 936.91/- Lacs and current liabilities Rs. 582.19 Lacs/- and any consequential adjustment thereof in books of accounts and their monetary impact on the respective Assets, Liabilities and Profit/Loss for the year, which is presently unascertainable;
- (c) Regarding non-confirmation of Trade Payable Rs. 834.95/- lacs and any consequential adjustment thereof in books of accounts and their monetary impact on the respective Assets, Liabilities and Profit/Loss for the year, which is presently unascertainable Further Certain parties have submitted their Claims under CIRP. Pending final outcome of the CIRP, no adjustment has been made in the books of the differential amount, if any, in the claims admitted. Accordingly, we are unable to comment on the financial impact of the same.
- (d) Regarding non confirmation of Trade Receivables of Rs. 4479.15/- Lacs are classified under doubtful, Due to which trade receivables are over stated by Rs. 4479.15/- Lacs and loss is understated by Rs. 4479.15/- Lacs. In our opinion 100% provision against recovery of the same needs to be made in financial statements. However, no such provision has been made in the financial statements. Further, balances are not confirmed and not reconciled.
- (e) Interest on secured loan to Bankers/Institutions has not been provided in the financial statements. Although this is in contravention to the provisions to the Accounting Standard (AS) 29 regarding the "Provisions, Contingent Liabilities and Contingent Assets". The Company has incurred a net loss of Rs. 32.98/- Lacs during the period ended September 30, 2025 without providing for interest of Rs. 58.24/- Lacs however due to moratorium being applicable owing to CIRP process commenced from 15.12.2022 for the current period and the accumulated interest of Rs. 670.62/-Lacs till September 30, 2025. Moreover in terms of provisions of Section 32A of Insolvency and Bankruptcy Code, 2016, all the liabilities

including interest pertaining to period prior to the commencement of the corporate insolvency shall stand extinguished. However, the effect of the same will be given post successful implementation of plan, till that time the liabilities as outstanding in the books of accounts as on 30.09.2025 are carried at book value in the Statement. The creditors who have filed the claim as per terms of the IBC, has been paid as per the approved resolution plan.

- (f) The provisions contained in section 135 of The Companies Act, 2013 as applicable which is related to CSR activities has not been complied by the company. Unspent accumulated CSR amount is Rs. 14.05/- Lacs till September 30, 2025. This unspent amount of CSR relates to FY 2018-19. CSR provisions are not applicable on the company since FY 2019-20.
- (g) Inventories amounting to Rs. 3370.00/- Lacs is related to disputed work in progress of various projects terminated during the year. Currently this work in progress is valued at cost which is in contravention to the provision of the accounting standard (AS-2) which states that inventory should be valued at cost or NRV whichever is lower. Accordingly, inventory has been overvalued by Rs. 3370.00/- Lacs and loss has been understated by Rs. 3370.00/- Lacs.
- (h) In respect of Property, Plant and Equipment, as stated in Note no 11 amounting to Rs 538.92/- Lacs, out of which most Plant and Machinery and vehicles are not in companies' possession. Furthermore, the Resolution professional has filed an Interim Application with Hon'ble NCLT Bench-Indore vide IA/214(MP)2023 for recovering the possession of the same, the IA is pending for disposal as on date. Hence impact of the same is unascertainable. The approved Resolution Plan has proposed that any recovery from these assets to the financial creditors so, the books will be modified according Subject to the outcome of Litigation.
- (i) The Company has not charged depreciation on fixed assets for the period subsequent to September 30, 2024, except for those assets which were acquired after 11th November 2024, i.e., after the date of the order passed by the Hon'ble National Company Law Tribunal (NCLT) under the Corporate Insolvency Resolution Process (CIRP).
The management has represented that this treatment is based on the fact that after the said order, the Company's control and management were transferred to the successful resolution applicant, and the new management did not have actual possession or control over the earlier fixed assets during the subsequent period. Accordingly, depreciation has not been charged on such assets after 10th November 2024.

In our opinion, this accounting treatment is not in compliance with the applicable accounting standards, which require depreciation to be provided on a systematic basis over the useful life of an asset, irrespective of whether the asset is under active use or not. Consequently, fixed assets are overstated and depreciation expense is understated to the extent of Rs. 112.76 lakhs not charged for the subsequent period. As a result, the loss for the period is understated by Rs. 112.76 lakhs.

- (j) We observed a mismatch between the bank balance as per the books of accounts of the Company and the balance as per bank statements for the half year ended September 30, 2025. The Company is currently undergoing Corporate Insolvency Resolution Process (CIRP) under the provisions of the Insolvency and Bankruptcy Code, 2016. During the CIRP period, the bank—being one of the financial creditors—has independently recorded certain transactions by parking entries in the Company's bank account. These entries, however, were not recorded or recognized by the Company in its books of accounts.

Emphasis of matter

Resolution Plan approved and under execution.

The Hon'ble National Company Law Tribunal ("NCLT"), Indore Bench, vide order no. IA/152 (MP) 2024 IN TP 199 of 2019 [CP(IB) 424 of 2019] dated on November 11, 2024 ('Approval Order Date'), the Resolution Plan ("Plan Approval Order") submitted by M/s Effulgence Trading and Services Private Limited & Shree Naivedya Fincom Private Limited (Jointly) ("Resolution Applicant") for the Company.

Further, as per the approved Resolution plan the Monitoring Committee was appointed to implement the plan, and monitor the operations of company till the takeover of control by newly appointed board. The Monitoring Committee as directed by NCLT, would be of three members consisting of (i) one representative of the SRA, (ii) one representative of the Financial Creditor and (iii) Resolution Professional, as Head of the Monitoring Committee.

Furthermore, all the payments to the respective creditors are being made in accordance with the approved Resolution Plan. However, as directed by the NCLT, the full implementation of the Resolution Plan is scheduled to be completed within 365 days from the date of its approval.

Material Uncertainty Related to Going Concern

We draw your attention, regarding preparation of financial results on going concern basis. The Corporate Insolvency Resolution Process (CIRP) against the Company is in process. However, a resolution plan under the Insolvency and Bankruptcy Code (IBC) has been approved by the NCLT and is currently under implementation. While the successful execution of the resolution plan is expected to improve the Company's financial position, material uncertainty remains until the full implementation and outcome of the plan are realized. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

- (a) Pursuant to approval of Resolution Plan by Hon'ble Company Law Tribunal- Indore Bench Indore, the implementation of resolution plan is under progress as on date of this report.
- (b) Regarding non confirmation of Advance to Supplier Rs. 743.04/- Lacs, Long term Liability Rs. 936.91/- Lacs, Other Non-Current Liability Rs. 724.55/- Lacs, Long term loans & advances of Rs. 1462.17/- and Current Liabilities of Rs. 582.19/- Lacs and any consequential adjustment thereof in books of accounts and their monetary impact on the respective Assets, Liabilities and Profit/Loss for the year, which is presently unascertainable;
- (c) Regarding non-confirmation of Trade Payable Rs. 834.95/- lacs and any consequential adjustment thereof in books of accounts and their monetary impact on the respective Assets, Liabilities and Profit/Loss for the year, which is presently unascertainable Further Certain parties have submitted their Claims under CIRP. Pending final outcome of the CIRP, no adjustment have been made in the books of the differential amount, if any, in the claims admitted. Accordingly, we are unable to comment on the financial impact of the same.
- (d) Regarding non confirmation of Trade Receivables of Rs. 4479.15/- Lacs are classified under doubtful, Due to which trade receivables are over stated by Rs. 4479.15/- Lacs and loss is understated by Rs. 4479.15/- Lacs. In our opinion 100% provision against recovery of the same needs to be made in financial statements. However, no such provision has been made in the financial statements. Further, balances are not confirmed and not reconciled.
- (e) Interest on secured loan to Bankers/Institutions has not been provided in the financial statements. Although this is in contravention to the provisions to the Accounting Standard (AS) 29 regarding the "Provisions, Contingent Liabilities and Contingent Assets". The Company has incurred a net loss of Rs. 32.98/- Lacs during the period ended September 30, 2025 without providing for interest of Rs. 58.24/- Lacs however due to moratorium being applicable owing to CIRP process commenced from 15.12.2022 for the current period and the accumulated interest of Rs. 670.62/-Lacs till September 30, 2025. Moreover in terms of provisions of Section 32A of Insolvency and Bankruptcy Code, 2016, all the liabilities including interest pertaining to period prior to the commencement of the corporate insolvency shall stands extinguished. However, the effect of the same will be given post successful implementation of plan, till that time the liabilities as outstanding in the books of accounts as on 30.09.2025 are carried at book value in the Statement. The creditors who have filed the claim as per terms of the IBC, has been paid as per the approved resolution plan.
- (f) The provisions contained in section 135 of The Companies Act, 2013 as applicable which is related to CSR activities has not been complied by the company. Unspent accumulated CSR amount is Rs. 14.05/- Lacs till September 30, 2025. This unspent amount of CSR relates to FY 2018-19.CSR provisions are not applicable on the company since FY 2019-20.
- (g) Inventories amounting to Rs 3370/- Lacs is related to disputed work in progress of various projects terminated during the year. Currently this work in progress is valued at cost which is in contravention to the provision of the accounting standard (AS-2) which states that inventory should be valued at cost or NRV whichever is lower. Accordingly, inventory has been overvalued by Rs 3370/- Lacs and profit has been overstated by Rs. 3370/- Lacs.
- (h) In respect of Property, Plant and Equipment, as stated in Note no 11 amounting to Rs 538.92/- Lacs, out of which most Plant and Machinery and vehicles are not in companies' possession. Furthermore, the Resolution professional has filed an Interim Application with Hon'ble NCLT Bench-Indore vide IA/214(MP)2023 for recovering the possession of the same, the IA is pending for disposal as on date. Hence impact of the same is unascertainable. The approved Resolution Plan has proposed that any recovery from these assets to the financial creditors so, the books will be modified according Subject to the outcome of Litigation.

(i) The Company has not charged depreciation on fixed assets for the period subsequent to September 30, 2024, except for those assets which were acquired after 11th November 2024, i.e., after the date of the order passed by the Hon'ble National Company Law Tribunal (NCLT) under the Corporate Insolvency Resolution Process (CIRP).

The management has represented that this treatment is based on the fact that after the said order, the Company's control and management were transferred to the successful resolution applicant, and the new management did not have actual possession or control over the earlier fixed assets during the subsequent period. Accordingly, depreciation has not been charged on such assets after 10th November 2024.

In our opinion, this accounting treatment is not in compliance with the applicable accounting standards, which require depreciation to be provided on a systematic basis over the useful life of an asset, irrespective of whether the asset is under active use or not. Consequently, fixed assets are overstated and depreciation expense is understated to the extent of Rs. 112.76 lakhs not charged for the subsequent period. As a result, the loss for the period is understated by Rs. 112.76 lakhs.

(j) We observed a mismatch between the bank balance as per the books of accounts of the Company and the balance as per bank statements for the half year ended September 30, 2025. The Company is currently undergoing Corporate Insolvency Resolution Process (CIRP) under the provisions of the Insolvency and Bankruptcy Code, 2016. During the CIRP period, the bank—being one of the financial creditors—has independently recorded certain transactions by parking entries in the Company's bank account. These entries, however, were not recorded or recognized by the Company in its books of accounts.
