Dear Sir/Ma'am,

Subject: Disclosure under Regulation 30 and Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

In continuation of our previous communications, including the recent update dated 31st March, 2025, and in accordance with Regulation 30 and Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, along with any other applicable provisions of these Regulations,

1. Successful completion of Ethanol Project trial runs and commencement of commercial operations by our Wholly Owned Subsidiary – Coastal Biotech Private Limited (CBPL):

We are pleased to inform you that the trial runs of our Ethanol Project has been successfully completed. We are now gearing up for the commencement of full-scale commercial production from **May 19, 2025**. We are confident that this will significantly contribute to our revenue growth.

2. Odisha Processing Plant - Status Update by our Wholly Owned Subsidiary - Continental Fisheries India Limited (CFIL):

Regarding the Odisha Processing Plant, we have successfully acquired the land and initiated the civil works as per our initial plans. However, due to ongoing geopolitical challenges, including newly proposed USA tariffs on Indian exports and other global economic factors, the project has been temporarily put on hold. Currently CFIL, is availing the third-party services for shrimp processing and is exporting which makes strategic sense under the current uncertain conditions. As soon as there is clarity regarding the future prospects of the industry, our subsidiary company will determine the appropriate course of action with regard to implementation of the project. Rest assured, we continue to monitor the situation closely and are actively exploring ways to adjust our approach in response to these evolving circumstances. We remain committed to advancing this project and will provide further updates as the situation stabilizes.

The aforesaid disclosure is being done under abundant caution and compliance.

This is for your information and records.

Thanking you,

Yours faithfully

For COASTAL CORPORATION LIMITED
