Coforge secures a \$158M five-year contract with a UK based client

Greater Noida, India/London, UK/ Princeton, NJ, USA, Feb 25, 2026— [Coforge Limited](#) (NSE: COFORGE), announced that it has been awarded a \$158 Million five-year contract by a UK based client.

The firm shall provide services effective April 2026. Revenue accrual under the contract will be evenly spread over five years. The firm expects material expansion of ancillary revenue around this core contract over the next five years from the same client.

John Speight, President Coforge and Europe Business Leader said, "AI led conversations focused on driving innovation, improving governance and resiliency are helping drive a material increase in the number and median size of large deals in play across Europe. Our five key AI-based platforms- Coforge Forge-X, Coforge EvolveOps.Ai, Coforge BlueSwan, Coforge Quasar and Coforge Data Cosmos- have set us up very nicely to address these asks".

About Coforge

Coforge is a global digital services and solutions provider, that leverages emerging technologies and deep domain expertise to deliver real-world business impact for its clients. A focus on select industries, a deep domain understanding of the underlying processes of those industries and partnerships with leading technology platforms, enables Coforge to be a trusted partner of its clients in their transformation initiatives. Coforge leads with its Product Engineering approach and leverages AI, Cloud, Data, Integration and Automation technologies to transform businesses into intelligent, high growth enterprises. Coforge has 33 global delivery centers and is present in 25 countries.
