3) On 21st November 2025 the Government of India notified four Labour Codes. These Labour Codes consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during employment and post-employment and amongst other things introduce changes, including a uniform definition of wages and enhanced benefits relating to leave. The adjustments for Labour Codes represent an increase in gratuity liability arising out of past service cost and increase in leave liability together by INR 1,454 Lacs in Standalone financials and INR 1,689 Lacs in Consolidated financials. Considering the impact arising out of an enactment of the new legislation is an event of non-recurring nature, the company / the group has presented this incremental amount as "Impact of Labour Codes" under "Exceptional Item" in the Standalone and Consolidated financial results for the year ended 31st March 2026.
4) The above is an extract of the detailed format of the standalone and consolidated financial results for the quarter and half year ended 30th September 2026 filed with BSE Limited and National Stock Exchange of India Limited under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015. The full formats of standalone and consolidated financial results for the quarter and half year ended 30th September 2026 are available on the stock exchange websites at www.bseindia.com, www.nseindia.com as well as on the company website at www.ionexchangeglobal.com.
