Delhi, dated June 14, 2017**

Dear Sir/Madam,

A news item has been published in the above newspaper titled "Tughlakabad ICD out, biodiversity park in". The facts stated in the news are not correct as the land at ICD/ Tughlakabad does not belong to DDA. The ownership of land lies with Railways. Further, CONCOR has not received any such communication regarding this land from Railways. The other matters stated in the above news are statements by the individuals, news published in recent pasts, etc. some of these could be sub-judice as well therefore, the company would like to offer no comments on the same.

We would like to appeal to the media not to publish such speculative news and are requested to confirm the facts from CONCOR and publish Company's views as well, so that correct picture is presented to public and it will be in the interest of all the stakeholders.

This is for your information and records.

धन्यवाद ।
