SUB: "COMMISSIONED 5 NEW CNG STATIONS IN THE CITY OF BANGALORE, RAISING THE TOTAL NUMBER FROM 40 TO 45."

It is with great pleasure that we announce the setting up of 5 CNG stations in the city of Bangalore. CPIL, in collaboration with GAIL, is dedicated to realizing its vision of transforming Bangalore into a green city. With the commissioning of additional 5 CNG stations, we continue to demonstrate our commitment to this cause.

Out of the 100 stations that the company plans to setup in the city, having achieved our target of 45 stations within a short timeframe underscores our steadfast dedication to fostering a cleaner and more sustainable future. By setting elevated benchmarks for ourselves and the industry at large, we have played a pivotal role in facilitating Bangalore's transition to cleaner fuel sources, mirroring the successful models observed in cities such as Delhi and Mumbai.

This is for your information and record.

Thanking you

For Confidence Petroleum India Limited
