2. The standalone and consolidated financial results have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time.

3. The certificate of CFO in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of the above results has been placed before the Board of Directors.

4. In respect of the Holding Company, the balance of Input Tax Credit (including the Electronic Credit Ledger and Electronic Cash Ledger) as reflected on the Goods and Services Tax Network (GSTN) portal of the Government of India is higher than the corresponding amount recorded in the books of account by Rs. 1,147 Lakhs. The Holding Company is in the process of reconciling these differences and will account for any necessary adjustments upon completion of the reconciliation.

   The Management is of the view that there will not be any material impact on the financial position of the holding company.

5. Due to the ongoing conflict in Middle East region resulting in supply uncertainties and volatility in the price of LPG in the international and domestic market. While the Company had ensured availability of Gas for continuation of business, given the Company's strategic prioritization of Bulk supply — driven by higher margins — and PCD supply under government mandate to ensure availability of cooking gas to households, performance of Auto LPG division was subdued due to higher prices and lower availability.

As on the date of issuance of these financial results, the Company has not received any written communication from the department regarding the outcome of the search and consequently no accounting provisions has been made.

enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

5. We draw attention to Note no. 4 of the results related to difference of Rs. 1,147 Lakhs in Input tax credit as reflected in Goods and Services Tax (GSTN) portal and amount recorded in the books.
   Our conclusion is not modified in respect of this matter.

Accordingly, Katariya and Munot, do not express any conclusion on the figures reported in the Statement for the corresponding quarter and half year ended 30 September 2025.
