Services PMI picks up after falling for 3 months in a row

Stands at 54.9 in Feb after a 4-month low of 51.8 in Jan

ASIT RANJAN MISHRA
New Delhi, 4 March

India's services activity picked up only marginally in February after declining for three consecutive months following lifting of restrictions on contact-intensive sectors. This comes as the third wave of the pandemic waned, a private survey said.

Data released by IHS Markit on Friday showed that purchasing managers' index (PMI) for services in February rose to 51.8 from 51.5 in the preceding month.

A print above 50 is considered expansion in manufacturing activity while below that level is considered contraction.

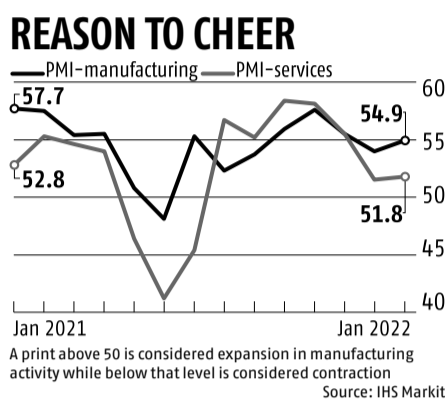

India's manufacturing PMI had improved to 54.9 in February after dropping to a four-month low of 51.8 in January. This was because of the Omicron variant that spread rapidly throughout the country, data released on Wednesday showed.

"The upturn was attributed by panelists to higher bookings, better demand conditions and retreat of the pandemic. The latest increase was subdued by historical standards, with some companies indicating that growth was damped by competitive pressures, Covid and higher prices," the firm said.

Pollyanna De Lima, economics associate director at IHS Markit, said growth in the services sector failed to rebound meaningfully as many would have hoped, even though Covid-19 cases receded considerably from January's new wave and restrictions were lifted.

"New business and services activity expanded only modestly, and at the second-slowest rate since last July. Looking at the anecdotal evidence supplied by survey participants, inflationary pressures, input shortages and the local elections dampened growth," she added.

De Lima said business optimism among services firms remained muted relative to its trend, despite improving from January, owing to pandemic-related uncertainty and inflationary pressures. Although easing from January's decade high, the rate of input cost inflation remained sharp in February. Fewer firms passed on additional cost burdens to clients amid subdued demand conditions. Output prices rose only slightly, and at the slowest pace in five months," she said.

Companies indicated higher operating expenses in February, with chemicals, energy, food, fuel, labour, metal, plastics and retail costs being the key drivers of inflation.

The overall rate of increase was sharp, but eased from January's 10-year high.

"Charges levied by service providers were revised upwards in February as companies continued to transfer additional cost burdens to clients," the data analytics firm said.

Several firms suggested that marketing efforts, demand resilience and new client wins boosted sales. "There were, however, signs that growth was hampered by input shortages, the pandemic and local elections. International demand for Indian services remained subdued in February," IHS Markit said.

Relatively weak growth of new business and a lack of pressure on capacity led some companies to reduce headcount in February. The latest fall in employment was the third in successive months and the fastest since July 2021.

HDFC Capital bets on low-cost housing

Emerges the largest investor among home-grown funds

RAGHAVENDRA KAMATH
Mumbai, 4 March

HDFC Capital, the real estate private equity arm of HDFC, has emerged the most prolific investor among home-grown property funds during the Covid-19 pandemic.

The fund management company, helmed by Vipul Roongta, invested ₹1,731 crore in 2020 and ₹1,545 crore in 2021, the data on its investments showed. Its key investments in 2020 include ₹850 crore in Mumbai-based Runwal group, ₹400 crore in New Delhi-based ATS group, and ₹296 crore in Eldeco.

In 2021, it invested ₹500 crore in Arvind Smartspace, ₹400 crore in Signature Global, and ₹350 crore in Pune-based Kumar group, among others. The investor has made exits worth ₹2,175 crore since FY21, the highest among home-grown real estate funds in the market. Its key exits include: ₹600 crore from Prestige Estates, and ₹375 crore from Runwal and Signature Global each.

An email sent to HDFC on the subject did not elicit any response.

In comparison, active property investors such as Motilal Oswal Real Estate did 31 investments worth ₹1,580 crore while it did 10 exits worth ₹890 crore in the past 24 months.

Source: Reports

ASK Property Investment Advisors, part of ASK Group, invested ₹540 crore in FY21 and ₹220 crore in FY22. They did exits worth ₹525 crore in FY21 and ₹33 crore in FY22.

Shobhit Agarwal, managing director and chief executive, Anarock Capital, said: "The success of HDFC Capital is due equally to the inherent strengths of brand HDFC and Vipul Roongta. More than many other names, HDFC has supported realty companies. They maintain their exposure even when others withdraw. HDFC is one of the major success stories with a consistent ability to raise money, deploy, and exit. And it remains committed to the residential asset class."

HDFC Capital has a deep understanding of a simple thesis covering residential, mid-market, and top cities,

Agarwal said, adding, "they take good credit calls and well-studied market risks. They also help developers and actively guide them the entire way".

Pradeep Agarwal, chairman of affordable housing developer Signature Global, said: "HDFC Capital saw opportunities during the pandemic and pursued them well. It believed in existing investee companies and worked with them continuously."

In 2017, HDFC Capital invested ₹250 crore in Signature Global.

Big fund raising

Set up in 2016, HDFC Capital is aligned with the Union government's "Housing for All" initiative. With its three funds — HDFC Capital Affordable Real Estate Fund 1 (HCARE-1), HDFC Capital Affordable Real Estate Fund 2

(HCARE-2), and HDFC Capital Affordable Real Estate Fund 3 (HCARE-3) — has a \$3 billion platform for affordable housing.

HCARE-1 and HCARE-2 were raised in 2016 and 2017, respectively.

In January this year, HDFC Capital achieved the initial closure of its third fund of \$1.88 billion (about ₹13,500 crore), focused on affordable housing, and investors such as the Abu Dhabi Investment Authority have been repeat investors, which shows the performance of the fund manager, experts said.

With an investment of \$1.1 billion in affordable housing, Knight Frank said HDFC Capital was the largest fund house in the world, ahead of UK-based Actis and CDC group, which invested \$322 million and \$240 million in this segment, respectively.

Defence Expo put off, govt cites logistics issue

Says will announce new dates in due course

AJAI SHUKLA
New Delhi, 4 March

As war rages in Ukraine and Russian forces push deeper into that country, the effect is being felt in faraway Gujarat, where the government has indefinitely put off DefExpo 2022 — billed as "Asia's largest exhibition on land, naval, and homeland security systems" — that was scheduled to be held next week.

Taking attendees by surprise, the Ministry of Defence (MoD) announced on Friday: "Due to logistics problems being experienced by participants, the DefExpo 2022 proposed to be held in Gandhinagar from March 10 till March 14 is postponed. The new dates will be communicated in due course."

The MoD sources, speaking off the record, say the postponement has nothing to do with "logistics problems". As recently as February 18, Defence Minister Rajnath Singh visited Gandhinagar to review the preparations for DefExpo 22. His satisfaction was evident from the fact that he extended the exhibition by a day, to allow the public to visit in larger numbers.

After Rajnath's visit, the MoD announced: "The event is being organised as one of the largest defence international exhibitions of the world. There has been greater domestic and international interest in this 12th edition of DefExpo, since India relaxed its health protocols owing to the reduction in

Covid-19 cases." An upbeat defence minister said he expected the number of companies registering for DefExpo22 to exceed 1,000 by the start of the show.

MoD sources are speculating that the postponement of DefExpo22 could be an outcome of America's unwillingness to participate in a military systems exposition that was also being attended by Russia at a time when the latter stands accused of unilateral military aggression against Ukraine.

MoD sources cite the imprudence of tying up India's military transport aircraft fleet — including the C-17 Globemaster III, Ilyushin-76 and C-130J Super Hercules — in administrative duties related to DefExpo22 at a time when they may be needed for evacuating Indian citizens from a war zone. While the MoD has so far announced only that DefExpo22 has been "postponed", and not "cancelled", officials in Gandhinagar say it is most unlikely that all the meetings, seminars, press conferences, and other events in a defence exposition could be rescheduled.

"The participating defence companies and government entities have paid large sums of money for travel, accommodation, display areas, and administrative expenses. These costs are unlikely to be reimbursed to us. Nor would we have the appetite for another round of expenses," said the chief executive of a foreign defence firm.

Motor third-party premiums to be revised after 2 yrs

SUBRATA PANDA
Mumbai, 4 March

The ministry of road transport and highways in consultation with the insurance regulator on Friday released a draft notification for revising the motor third party premium rates for the financial year 2023.

The proposed revision in motor third party premiums will take place after two years as the premium rates were not revised for FY21 and FY22 because of the pandemic.

According to the revised rates, private cars with 1,000 cubic capacity (cc) will attract rates of ₹2,094. Similarly, private cars with 1,000 cc to 1,500 cc will attract rates of ₹3,416 while above 1,500 cc private cars will see a premium of ₹7,897. Two-wheelers over 150 cc but not exceeding 350 cc will attract a premium of ₹1,366 and for two-wheelers over 350 cc the revised premium is ₹2,804.

For public goods carrying commercial vehicles, the premium will range from ₹16,049 to ₹44,242 depending on the gross vehicle weight while for the private ones the premium will range from ₹8,510 to ₹25,038.

Further, the draft notification has proposed a 15 per cent discount for electric private cars, electric two wheelers, electric goods carrying commercial vehicles and electric passenger carrying vehicles. The proposed discount is expected to incentivise usage of environmentally friendly vehicles. Electric private cars will attract a premium of ₹1,780 to ₹6,712 depending on their capacity expressed in kilowatts. Similarly, two-wheeler electric vehicles will attract premiums in the range of ₹457 to ₹2,383. Further, hybrid electric vehicles will attract a discount of 7.5 per cent on the motor third party premiums.

The three-year single premium for new private cars and five-year single premium for new two-wheelers has also been revised and will attract premiums in the range of ₹6,521 to ₹24,596 and ₹2,901 to ₹15,117, respectively, depending on their cubic capacity.

The insurance executives are not very enthused with the proposed revision and termed it as a pro-policyholder move. The claims burden in the motor segment had gone down because of the pandemic but the increased claims on the health segment more than offset the dip in claims in the motor segment, an insurance executive said.

Health inflation above 6% for over a year

This comes after a muted rise in health care costs in first wave

INDIVIA DHASMANA
New Delhi, 4 March

At a time when health has become a priority post-Covid, the price that a consumer pays for hospitalisation and other medical expenses remained above six per cent for over a year.

The spike was despite the fact that the health inflation rate was not high in the immediate aftermath of the first wave in 2020. Details of inflation are not available for the Covid period of April-May of that year.

Even as the consumer price index (CPI)-based inflation rate stood in the range of 6.23-7.27 per cent during June-September 2020, that in health was below five per cent.

It was only in October 2020 that the health inflation crossed five per cent, which along with other items, pushed the overall inflation rate to 7.61 per cent.

After that, the health inflation never came below five per cent. It rose to as much as 8.44 per cent in May 2021, which was the month of the second Covid wave. In April 2021, it stood at 7.7 per cent, during the second wave.

Since January 2021, the inflation rate in health has stood in the range of 6.08-8.44 per cent. In between, the overall inflation rate came down to below five per cent in April,

CONSUMER PRICE INDEX-BASED INFLATION RATE

In YoY %

September, October, November of 2021.

Former chief statistician Pronab Sen said the whole issue really is when costs are going up, anybody who has pricing power will raise prices.

"Health care is a sector where everything is in short supply — whether you talk about personnel or facilities or medicines. There is excess demand in everything. Passing on costs is easy for companies," he said.

Bank of Baroda chief economist Madan Sabnavis also said high health inflation is due to cost of raw materials going up and passthrough seen in final medical costs.

Besides, with demand going up for supply of healthcare, hospitals have increased charges.

"Also, the staff has been paid more

due to exits during lockdowns leading to shortages and overtime. To this, we can add that hospitals have also leveraged the sellers' market to hike all costs," Sabnavis said.

Sunil Sinha, principal economist at India Ratings, also said pricing power is at the core of health inflation since medicine and a large part of health services is provided by the private sector.

Inflation in hospitalisation and nursing remained over six per cent since July 2021, while that in medicines was higher much before.

The rate of price rise remained above six per cent since November 2020.

In fact, inflation in medicines remained over eight per cent for four consecutive months — July, August,

September and October 2021. It peaked to 8.66 per cent in July.

ICRA chief economist Aditi Nayar said the pandemic has led to a change in various protocols. This is likely to have resulted in a non-transient increase in certain costs.

"Additionally, footfalls varied in different periods, introducing volatility to revenues. Moreover, the share of health care in consumer budgets would have surged in some periods, particularly during the second wave, exacerbating the impact of the higher health inflation," she said.

Sen said high inflation in health forced consumers to cut back on something else.

Overall, private final consumption expenditure (PFCE), representing demand in the economy, declined to six per cent in 2020-21 for the first time since 2012-13.

It is officially projected to rise to 6.9 per cent in the current fiscal year by the first advance estimates. However, this growth is coming from a very low base of the previous year. Compared to the pre-Covid period of 2019-20, PFCE is pegged at -2.9 per cent in FY22.

In fact, PFCE shrank by 2.1 per cent even in the health sector. This seems to be surprising in the context of health inflation. This may be because of the fact that for estimating growth we take figures at constant prices. If taken at current prices, PFCE for health purposes grew by 5.1 per cent during 2020-21, the highest since at least 2011-12.

PUBLIC NOTICE FOR THE ATTENTION OF THE SHAREHOLDERS OF CONSOLIDATED FINVEST & HOLDINGS LIMITED
CIN: L33200UP1993PLC015474

7 महीने के निचले स्तर पर बाजार

वैश्विक बाजारों में कच्चे तेल की कीमतों में बढ़ोतरी से निवेशक हुए परेशान

सुंदर सेतुरामन मुंबई, 4 मार्च

बेंचमार्क सेंसेक्स लगातार चौथे हफ्ते टूटा और इस तरह से वह सात महीने के निचले स्तर पर आ गया। वैश्विक स्तर पर तेल की बढ़ती कीमतों और यूक्रेन में बढ़ते तनाव के बीच विदेशी पोर्टफोलियो निवेशकों (एफपीआई) की तरफ से हो रही लगातार बिकवाली का बाजार के प्रदर्शन पर असर पड़ रहा है जबकि देसी निवेशक खरीदारी के जरिए बाजार को लगातार सहारा दे रहे हैं। ब्रेट ब्रूड की कीमतें 115 डॉलर प्रति बैरल के आसपास रही क्योंकि यूक्रेन पर रूस की तरफ से हो रहे हमले में किसी तरह की नरमी के संकेत नहीं दिखे।

बेंचमार्क सेंसेक्स 1.4 फीसदी यानी 769 अंक टूटकर 54,224 पर बंद हुआ, जो 6 अगस्त 2021 के बाद का निचला स्तर है। उधर, निफ्टी 252 अंक यानी 1.5 फीसदी की फिसलन के साथ 16,245 पर बंद हुआ। इस हफ्ते सेंसेक्स में 2.7 फीसदी की गिरावट दर्ज हुई।

भारतीय बाजारों के लिए सबसे बड़ी चिंता कच्चे तेल की बढ़ती कीमतें और विदेशी फंडों की तरफ से हो रही तीव्र बिकवाली है।

मॉर्गन स्टैन्ली के इक्विटी रणनीतिकार रिधम देसाई की अगुआई में एक रिपोर्ट में कहा गया है, आपूर्ति में बाधा के कारण तेल की बढ़ती कीमतें भारत के लिए अच्छी नहीं हैं। वास्तव में तेल की कीमतों में हुई 25 फीसदी की

शेयर बाजार का लेखाजोखा

■ बेंचमार्क सेंसेक्स 1.4 फीसदी यानी 769 अंक टूटकर 54,224 पर बंद हुआ, जो 6 अगस्त 2021 के बाद का निचला स्तर है

■ निफ्टी 252 अंक यानी 1.5 फीसदी की फिसलन के साथ 16,245 पर बंद हुआ

■ तेल की बढ़ती कीमतों और यूक्रेन संकट के बीच एफपीआई की लगातार बिकवाली का बाजार के प्रदर्शन पर असर पड़ रहा है

■ शुक्रवार को एफपीआई ने 7,631 करोड़ रुपये के शेयर बेचे, वहीं देसी संस्थागत निवेशकों ने 4,739 करोड़ रुपये के शेयरों की खरीदारी की

हालिया बढ़ोतरी चालू खाते के घाटे में सालाना आधार पर 75 आधार अंक और महंगाई में 100 आधार अंकों की बढ़ोतरी करेगा। उभरते बाजारों के मुकाबले भारत के शेयरों की सापेक्षिक कीमतों ने तेल की कीमतों को लेकर कमजोर प्रतिक्रिया जताई है।

रिपोर्ट में हालांकि कई कारकों को रेखांकित किया गया है, जो भारत को तेल के झटके से उबरने में मदद कर सकते हैं। इनमें जीडीपी के सापेक्ष तेल के उपभोग में गिरावट, मजबूत नीति का माहौल और देसी प्रवाह में इजाफा शामिल है।

शुक्रवार को एफपीआई ने 7,631 करोड़ रुपये के शेयर बेचे, वहीं देसी संस्थागत निवेशकों ने 4,739 करोड़ रुपये के शेयरों की

खरीदारी की। फरवरी में एफपीआई ने 45,720 करोड़ रुपये के शेयर बेचे हैं, जो मार्च 2020 के बाद का सर्वोच्च स्तर है। इस महीने अब तक उन्होंने 15,000 करोड़ रुपये से ज्यादा के शेयर बेचे हैं।

दुनिया भर के निवेशक इस लड़ाई की आर्थिक कीमत का आकलन कर रहे हैं। रूस की सेना की तरफ से यूरोप के सबसे बड़े परमाणु ऊर्जा संयंत्र (यूक्रेन) पर कब्जे के बाद वैश्विक इक्विटी बाजारों में काफी उतारचढ़ाव हो रहा है।

इस लड़ाई ने आर्थिक रफ्तार के नरम होने, महंगाई आदि को लेकर चिंता और बढ़ा दी है, जो निवेशकों को कुछ महीने परेशान करेंगे।

जियोजित फाइनेंशियल सर्विसेज के शोध प्रमुख विनोद

नायर ने कहा, रूस-यूक्रेन विवाद, वैश्विक शक्तियों की तरफ से रूस पर ताजा पाबंदी और यूरोप के सबसे बड़े संयंत्र पर रूस के हमले की खबर ने वैश्विक निवेशकों का तनाव और बढ़ाया है। तेल की बढ़ती कीमतें और आपूर्ति को लेकर अनिश्चितता ने महंगाई का स्तर आरबीआई की सीमा के पार जाने का डर बढ़ाया है।

विश्लेषकों ने कहा कि बाजार अब यूक्रेन की खबर पर आश्रित है और सबसे खराब परिदृश्य को लेकर चल रहा है। यूक्रेन पर रूस के हमले ने खाद्य, धातु व तेल की कीमतें बढ़ा दी हैं। साथ ही पहले से ही दबाव में रही महंगाई पर और असर डाल रहा है और आर्थिक सुस्ती को लेकर चिंता बढ़ाई है।

पिछले 12 महीनों में 64 प्रतिशत बढ़ा भारतीय नागरिकों का विदेशी निवेश

सचिन मामबटा मुंबई, 4 मार्च

भारतीयों ने वर्ष 2012 के बाद से पिछले 12 महीनों में विदेशी निवेश पर सबसे ज्यादा ध्यान दिया, क्योंकि स्थानीय एक्सचेंजों ने गुजरात इंटरनेशनल फाइनेंस सेंटर में सहायक इकाइयों के जरिये उपलब्ध विदेशी पेशकशों पर जोर दिया।

दिसंबर 2021 के लिए उपलब्ध ताजा आंकड़ों से पता चलता है कि भारतीयों द्वारा विदेशी निवेश के लिए भेजी गई कुल राशि 67.38 करोड़ डॉलर थी। यह दिसंबर 2020 के आंकड़े की तुलना में 63.8 प्रतिशत ज्यादा है। दिसंबर 2020

के लिए यह आंकड़ा 41.13 करोड़ डॉलर और दिसंबर 2019 में (महामारी शुरू होने से पहले) 45.21 करोड़ डॉलर था। विश्लेषण से ताजा समय में तेजी के रूझान का पता चलता है। इस विश्लेषण में पिछले 12 महीने की अवधि पर विचार किया गया है। भारतीय रिजर्व बैंक इस अंतर के साथ आंकड़ा जारी करता है। दिसंबर के आंकड़ा फरवरी में आया है।

नैशनल स्टॉक एक्सचेंज ने 3 मार्च को विदेशी शेयरों में कारोबार की सुविधा शुरू करने की घोषणा की। बीएसई ने घोषणा की कि वह 2 मार्च को विदेशी शेयरों में कारोबार के लिए प्लेटफॉर्म मुहैया करा रही है। ये दोनों गुजरात इंटरनेशनल फाइनेंस टेक-सिटी इंटरनेशनल फाइनेंशियल सर्विसेज सेंटर (गिफ्ट आईएफएससी) में अपनी इकाइयों के जरिये परिचालन करते हैं। अंतरराष्ट्रीय वित्त केंद्र को उन निवेशकों के लिए विकल्प के तौर पर बढ़ावा दिया जा रहा है जो सिंगापुर जैसे क्षेत्रों से आते हैं।

एनएसई की इकाई द्वारा जारी बयान में कहा गया है, 'निवेशकों को शुरू में अमेरिकी शेयरों से खास मात्रा में कारोबार का विकल्प मुहैया कराया जाएगा,

वहीं एनएसई आईएफएसई जल्द ही अपनी पेशकशें अन्य वैश्विक बाजारों को उपलब्ध कराएगा।'

बीएसई की इकाई के अनुसार, 'इंडिया इंटरनेशनल एक्सचेंज (आईएफएससी) लिमिटेड (इंडिया आईएनएक्स) अंतरराष्ट्रीय शेयरों में कारोबार के लिए प्लेटफॉर्म मुहैया कराता है। इन शेयरों में अमेरिका में सूचीबद्ध प्रमुख कंपनियों के शेयर शामिल होते हैं। यह अमेरिका, कनाडा, ब्रिटेन, यूरोप, आस्ट्रेलिया और जापान से शेयरों की पेशकश करता है।'

विदेशी संपत्ति खरीद के लिए पूंजी भेजने का इस्तेमाल भी बढ़ रहा है। हालांकि इसमें तेजी गैर-संपत्ति निवेश के मुकाबले के लिए यह आंकड़ा 2012 तक विदेशी संपत्ति में प्रत्येक 10 लाख डॉलर के निवेश के लिए विदेशी निवेश पर 39 लाख डॉलर भेजे। यह आंकड़ा दिसंबर 2021 तक विदेशी संपत्ति निवेश में प्रत्येक 10 लाख डॉलर के बढ़कर 67 लाख डॉलर हो गया।

यह तेजी म्युचुअल फंडों द्वारा विदेशी प्रतिभूतियों में ज्यादा निवेश की वजह से भी आई है। प्राइमडेटावेस डॉटकॉम के आंकड़े से पता चलता है कि उनके निवेश की कुल वैल्यू जनवरी 2022 तक बढ़कर 34,511.4 करोड़ रुपये हो गई। यह अप्रैल 2020 के मुकाबले 7.9 गुना अधिक है।

पिछले कुछ महीनों में वृद्धि दर काफी घटी है। इसकी वजह यह है कि म्युचुअल फंड अपनी निवेश सीमा के नजदीक हैं।

बाजार नियामक सेबी द्वारा जून 2021 में जारी किए गए संकुलर में कहा गया है, 'म्युचुअल फंड 7 अरब डॉलर की कुल उद्योग सीमा के दायरे में प्रति फंड अधिकतम 1 अरब डॉलर का वैश्विक निवेश कर सकते हैं।' तब से निवेश होल्डिंग की वैल्यू लगभग दोगुनी हो गई है।

अधिक है। भारतीयों ने मार्च 2012 तक विदेशी संपत्ति में प्रत्येक 10 लाख डॉलर के निवेश के लिए विदेशी निवेश पर 39 लाख डॉलर भेजे। यह आंकड़ा दिसंबर 2021 तक विदेशी संपत्ति निवेश में प्रत्येक 10 लाख डॉलर के बढ़कर 67 लाख डॉलर हो गया।

यह तेजी म्युचुअल फंडों द्वारा विदेशी प्रतिभूतियों में ज्यादा निवेश की वजह से भी आई है। प्राइमडेटावेस डॉटकॉम के आंकड़े से पता चलता है कि उनके निवेश की कुल वैल्यू जनवरी 2022 तक बढ़कर 34,511.4 करोड़ रुपये हो गई। यह अप्रैल 2020 के मुकाबले 7.9 गुना अधिक है।

बाजार नियामक सेबी द्वारा जून 2021 में जारी किए गए संकुलर में कहा गया है, 'म्युचुअल फंड 7 अरब डॉलर की कुल उद्योग सीमा के दायरे में प्रति फंड अधिकतम 1 अरब डॉलर का वैश्विक निवेश कर सकते हैं।' तब से निवेश होल्डिंग की वैल्यू लगभग दोगुनी हो गई है।

एनएसई में एमडी, सीईओ पद के लिए आवेदन आमंत्रित

समी मोडक मुंबई, 4 मार्च

देश के सबसे बड़े एक्सचेंज नैशनल स्टॉक एक्सचेंज ने प्रबंध निदेशक और मुख्य कार्याधिकारी पद के लिए आवेदन आमंत्रित किए हैं। मौजूदा एमडी व सीईओ विक्रम लिमये का पांच साल का कार्यकाल इस साल जुलाई में खत्म हो रहा है। वह पांच साल का कार्यकाल और पाने के पात्र हैं, हालांकि उन्हें नए पद से पूरी नियुक्ति प्रक्रिया से गुजरना होगा। कंसल्टेंसी फर्म कोर्न फेरी को नियुक्ति प्रक्रिया की देखरेख का काम सौंपा गया है।

एनएसई में घोटाले की पूछताछ में 2017 में बाजार नियामक सेबी ने मार्केट इन्फ्रास्ट्रक्चर इंस्ट्रक्शुशन के अहम पदाधिकारियों को नियुक्ति को लेकर नियमों में फेरबदल किया था।

नए नियम के तहत एमआईआई के प्रमुख को अधिकतम पांच-पांच साल का दो कार्यकाल मिल सकता है। कार्यकाल के विस्तार के लिए प्रदर्शन की समीक्षा और सेबी की मंजूरी जरूरी है।

उद्योग के प्रतिभागियों ने कहा कि अग्रणी एमआईआई व सेबी के आला अधिकारी इस पद के लिए आवेदनकर सकते हैं। उनका कहना है कि लिमये का अच्छा रिपोर्ट कार्ड उन्हें दीर्घाव कार्यकाल पाने का मौका दे सकता है, जब तक कि सेबी नई नियुक्ति का फैसला न कर ले।

लिमये ने एक्सचेंज का कार्यभार तब संभाला था जब वह पूर्व एमडी व सीईओ चित्रा रामकृष्णा के इस्तीफे के बाद अनिश्चितता का सामना कर रहा था।

नवी एमएफ ने श्यामसुंदर को सीईओ नियुक्त किया

चिराग मडिया मुंबई, 4 मार्च

सचिन बंसल के समर्थन वाले नवी म्युचुअल फंड ने शुक्रवार को हरि श्यामसुंदर को फंड हाउस का मुख्य कार्याधिकारी (सीईओ) नियुक्त करने की घोषणा की। वह सौरभ जैन से कार्यभार

लेंगे, जिन्होंने 28 फरवरी, 2022 को इस्तीफा दे दिया था। श्यामसुंदर अभी नवी ऐसेट मैनेजमेंट कंपनी (एएमसी) के फंड मैनेजर हैं। वहीं जैन नवी समूह में ही अन्य भूमिका लेने जा रहे हैं, जहां वह नए बिजनेस वर्टिकल को अगुआई करेंगे। जैन भी सेबी की एमएफ पर बनी सलाहकार समिति का हिस्सा हैं।

कंपनी की तरफ से जारी प्रेस विज्ञापित के मुताबिक, श्यामसुंदर के पास 16 साल का अनुभव है और इसमें से 12 साल उन्होंने परिसंपत्ति प्रबंधन उद्योग में बिताए हैं। वह साल 2021 में नवी एमएससी में शामिल हुए थे और इससे पहले एक दशक तक फ्रैंकलिन टेम्पलटन में काम कर चुके हैं।

एआईएफ परिसंपत्तियां 2021 में 6 लाख करोड़ रुपये के पार

एश्ली कुट्टिन्हो मुंबई, 4 मार्च

वैकल्पिक निवेश फंडों (एआईएफ) की परिसंपत्तियां पहली बार 6 लाख करोड़ रुपये के आंकड़े के पार पहुंच गईं, क्योंकि पोर्टफोलियो में जोखिम घटाने और प्रतिफल बढ़ाने के लिए अमीर निवेशकों की संख्या में इजाफा दर्ज किया गया है।

एआईएफ उद्योग की परिसंपत्तियां दिसंबर तिमाही के अंत में 6.1 लाख करोड़ रुपये पर दर्ज की गईं, जो पूर्ववर्ती वर्ष की समीक्षाधीन अवधि के मुकाबले 38 प्रतिशत अधिक हैं। यह उद्योग पिछले पांच वर्षों में 0.7 लाख करोड़ रुपये की परिसंपत्तियों से आठ गुना से ज्यादा तेजी से बढ़ा है।

एआईएफ का अधिकतम आकार 1 करोड़ रुपये का है और इसका मकसद निवेशकों को विभिन्न परिसंपत्ति वर्गों में नई रणनीतियों तक पहुंच उपलब्ध कराना है। विभिन्न बाजार चक्रों से जुड़े सतर्क निवेशकों का निवेश विभिन्न परिसंपत्ति श्रेणियों में लगा होता है, वैश्विक और घरेलू दोनों तौर पर, और विभिन्न निवेश माध्यमों के जरिये भी, उन्हें ज्यादा अनुकूल दृष्टिकोण की जरूरत होती है जो उन्हें अपने जोखिम एवं प्रतिफल प्रोफाइल के अनुसार निवेश में सक्षम बना सके।

विश्लेषकों का कहना है कि सूचीबद्ध क्षेत्र में महंगे मूल्यांकन को देखते हुए निवेशक ढांचागत क्रेडिट, उद्यम पूंजी, और निजी इक्विटी फंडों, रियल एस्टेट फंडों और कैटेगरी-3 में अल्पावधि स्ट्रेटजीज जैसे विकल्पों पर ध्यान दे रहे हैं, और इन सभी का लंबी अवधि की इक्विटी से कम सह-संबंध हो सकता है।

कर्मा कैपिटल सह-प्रमुख, व्यावसायिक विकास, योगेश ठक्कर ने कहा, 'एआईएफ बड़े पारिवारिक कार्यालयों, अल्ट्रा हाई नेटवर्थ लोगों और अन्य संस्थागत निवेशकों की जरूरतें पूरी करने में भी सक्षम हैं।'

एआईएफ रिस्क-रिटर्न कॉम्बिनेशन और प्रोफेशनल मैनेजमेंट के साथ स्वायत्तता प्रदान करते हैं जो म्युचुअल फंड या पीएमएस या डायरेक्ट निवेश मुहैया नहीं कर सकते। पिछले पांच वर्षों में एमएफ उद्योग के स्टार फंड प्रबंधकों ने भी एआईएफ प्रबंधन के लिए स्वयं को स्थापित किया है।

एएसके इन्वेस्टमेंट मैनेजर्स के बिजनेस हेड एवं सीआईओ प्रतीक अग्रवाल ने कहा, 'बड़े निवेशक उस वैल्यू को पहचान रहे हैं जो पीएमएस और एआईएफ जैसे वैकल्पिक प्लेटफॉर्म पारंपरिक माध्यमों के मुकाबले मुहैया करा रहे हैं और कुछ आवंटन इनमें आ रहा है। वृद्धि का रूझान बरकरार रहने की संभावना है, क्योंकि इस क्षेत्र में प्रदर्शन का रिकॉर्ड अच्छा रहा है।'

उन्होंने कहा कि एआईएफ क्षेत्र में दीर्घावधि निवेशक लाने की क्षमता है और इससे फंड प्रबंधक को दीर्घावधि नजरिये में मदद मिलेगी।

PUBLIC NOTICE FOR THE ATTENTION OF THE SHAREHOLDERS OF CONSOLIDATED FINVEST & HOLDINGS LIMITED

Registered Office: 19th K.M. HapurBulandshahr Road P.O. Gulaathi Bulandshahr Uttar Pradesh - 203 408 Corporate Office: Plot No. 12, Sector B - 1, Local Shopping Complex Vasant Kunj, New Delhi - 110 070 Phone No.: +91 11 4032 2100, Website: www.consofinvest.com, Email: cs_cfti@jindalgroup.com

EXIT OFFER PUBLIC ANNOUNCEMENT FOR THE ATTENTION OF THE PUBLIC SHAREHOLDERS OF SOLID CONTAINERS LIMITED

Registered Office: 2006, Fossberry Road, Near ICI Limited, Reay Road (East), Mumbai-400033, Maharashtra, India; Corporate Identity Number: L28100MH1964PLC013064; Company Secretary and Compliance Officer: M. S. Gayatri; Tel No.: +91 22 2492 0212; Fax: +91 22 2492 0554; Email: compliance.scl@ashokgoeltrust.com; Website: www.solidcontainers.net.

This Exit Offer Public Announcement dated March 04, 2022 ("Exit Offer PA") is being issued by Emkay Global Financial Services Limited ("Manager" or "Manager to the Delisting Offer") for and on behalf of one of the members of promoter and promoter group of Solid Containers Limited, viz. Vyoman India Private Limited (formerly known as Vyoman Tradelink India Private Limited) ("Acquirer") to the public shareholders as defined under Regulation 2(1)(t) of SEBI Delisting Regulations (as defined below) ("Public Shareholders") of Solid Containers Limited (the "Target Company") in respect of the acquisition and consequent voluntary delisting of the fully paid up equity shares of the Target Company with a face value of ₹ 10 (Rupees Ten only) each ("Equity Shares") from BSE Limited ("BSE"), the only stock exchange where the Target Company is currently listed ("Stock Exchange"), pursuant to the applicable provisions of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 ("SEBI Delisting Regulations") and in accordance with the terms and conditions set out in the detailed public announcement dated January 24, 2022 and published on January 25, 2022 ("Detailed Public Announcement") and the letter of offer dated January 24, 2022 ("Letter of Offer") and post offer Public Announcement dated February 09, 2022 ("Post Offer PA").

This Exit Offer PA is in continuation of and should be read in conjunction with the Detailed Public Announcement, the Letter of Offer and the Post Offer PA. Capitalized terms used in this Exit Offer PA and not defined herein shall have the same meaning as ascribed to it in the Detailed Public Announcement, the Letter of Offer and the Post Offer PA.

1. INTIMATION OF DATE OF DELISTING

1.1 Following the completion of payment of Exit Price to the Public Shareholders in accordance with the SEBI Delisting Regulations, the Acquirer has applied to the Stock Exchange on February 16, 2022 seeking final approval for delisting of Equity Shares from the Stock Exchange.
1.2 BSE vide its notice number 20220304-5 dated March 04, 2022 ("BSE Final Delisting Approval"), has communicated that the trading of Equity Shares of the Target Company (Scrip Code: 502460) will be discontinued with effect from March 11, 2022 ("BSE Date of Discontinuation of Trading") and the above referred scrip will be delisted from BSE with effect from March 21, 2022 ("BSE Date of Delisting").

2. OUTSTANDING EQUITY SHARES AFTER DELISTING

2.1 In accordance with Regulation 26 of the SEBI Delisting Regulations and as announced earlier in the Post Offer PA, the Residual Shareholders who did not participate in the Reverse Book Building process ("RBB") and are currently holding the Equity Shares will be able to tender their Equity Shares to the Acquirer at ₹ 45 per Equity Share ("Exit Price") for a period of one year from the BSE Date of Delisting to March 20, 2023 ("Exit Window").
2.2 A separate exit letter of offer along with exit application form ("Exit Letter of Offer") containing the terms and conditions for participation of the Residual Shareholders during the Exit Window, shall be dispatched by the Acquirer to the Residual Shareholders whose name appears in the register of members of the Target Company as on March 11, 2022. The Residual Shareholders may tender their Equity Shares by submitting the required documents to the Registrar to the Delisting Offer during the Exit Window as set out in the Exit Letter of Offer.
2.3 If the Residual Shareholders do not receive or misplace the Exit Letter of Offer, they may obtain a copy of the Exit Letter of Offer by writing to the Registrar to the Delisting Offer, **Bigshare Services Private Limited**, 1st Floor, Bharat Tin Works Building, Opp. Vasant Oasis, Makwana Road, Marol Naka, Andheri East, Mumbai - 400 059, Maharashtra, India, clearly marking the envelope "SOLID CONTAINERS LIMITED
