Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules

The figures for the second quarter (Q2) ended September 30, 2025, and the comparative Q2 ended September 30, 2024, are balancing figures derived from the difference between the respective half-year results (unaudited) and the corresponding first quarter results (unaudited and previously published). All results for the stated quarters and half-years ended September 30,

2025, and September 30, 2024, were subjected to a limited review by the Statutory Auditors. Figures for the previous quarters/periods have been regrouped/reclassified, wherever necessary, to correspond with the

current period's classifications/disclosures. There may be minor rounding-off variances as figures are converted into takhs. The Company has pledged certain of its investment securities with a large financial institution to avail a Loan Against Securities facility. The aggregate carrying value of the pledged securities was ₹905.69 lakhs as on September 30, 2025.

The Company successfully concluded its Rights Issue, a strategic initiative to augment its capital base. The Rights Issue, which opened on June 20, 2025, and closed on July 04, 2025, involved the issuance of 70,05,579 fully paid-up equity shares at a price of ₹70 per share (including a premium of ₹60 per share), resulting in a capital infusion of ₹4,903.91 lakhs. BSE Limited has granted approval for the listing and trading of the Rights Equity Shares from July 21, 2025 The Company commenced its lending operations during the current financial year (i.e., from June 2025). Loans disbursed

during the half-year have been recognised at their disbursed value. Given the limited scale of operations and the immaterial impact of applying the effective interest rate (EIR) method during the interim period, the loans have been carried at their nominal amounts. The Company shall measure these loans at amortised cost using the EIR method as at March 31, 2026, in accordance with Ind AS 109 - Financial Instruments, and any cumulative impact arising from such measurement will be appropriately recognised in the annual financial statements For and on behalf of the Board of Directors of
