Total		57,234.96	5,701		57,234.96	

3) **The reason and justification for seeking variation:**

The Company received Letter of Awards (LOA) dated 01.07.2026 for the development of 45 MLD STP & its associated Infrastructure for Pt. Deen Dayal Upadhyay Nagar (DDU Nagar), Varanasi and development of 60 MLD STP & its associated Infrastructure at Lohta, Varanasi, in Uttar Pradesh through Hybrid Annuity Based PPP Mode. The Company was identified as selected bidder and incorporated two Special Purpose Vehicles (SPVs), Varanasi DDU Nagar STP Private Limited and Varanasi Lohta STP Private Limited (Concessionaires) as Wholly Owned Subsidiaries of the Company for entering into concession agreement with NMCG and UP Jal Nigam to implement the said projects. The aggregate value of the projects is INR 256.92 crore (excluding GST). These projects are aligned with the Company's existing business capabilities, growth strategy and create an immediate, identifiable requirement for project funding.

At the same time, no specific inorganic acquisition opportunity requiring deployment of the amount earmarked for the original Objectives has been finalised and, accordingly, such amount remains available. Retaining the amount for an unidentified opportunity may delay its productive deployment. In view of the funding requirements of the HAM Projects, it is considered appropriate to reallocate the unutilised amount towards the Company's contribution and other eligible project-related requirements for these projects. The proposed variation will permit the Company to deploy the IPO proceeds towards identified projects within its principal business and is expected to facilitate efficient and timely utilisation of the funds. The management is also of the view that such deployment will generate value for shareholders by optimising the Company's cost of capital and supporting identified growth opportunities.

4) Effect of the proposed variation/alteration on the financial position of the company:

The project value for the development of 45 MLD STP at DDU Nagar, Varanasi is INR 126.78 crore (excluding GST), while the project value for the development of 60 MLD STP at Lohta, Varanasi INR 130.14 crore (excluding GST), aggregating to INR 256.92 crore (excluding GST).

The proposed variation will enable the Company to deploy INR 4,444.83 lakhs towards infusion of funds in aforesaid mentioned two Wholly Owned Subsidiaries to meet the funding requirements of the aforesaid projects. In the subsequent periods, the said projects are expected to generate cash inflows through payments receivable under the HAM framework, upon achievement of applicable milestones, commencement of operations and receipt of payments from the relevant authorities. The proposed alteration will have a positive impact on the Company's consolidated earnings upon successful execution and operation of the projects, by providing an identified and long-term business opportunity with an aggregate project value of INR 256.92 crore (excluding GST).

5) Major Risk factors pertaining to the new Objects

The proposed variation may be subject to various risks and uncertainties and requires necessary approvals and consents under the applicable laws. In case any such approvals or consents are not obtained or are delayed, this may impact or delay the implementation of the proposed variation, including the proposed timelines.

Additionally, the implementation of the HAM Projects may be subject to risks relating to achievement of financial closure, availability of right of way, governmental approvals, delays in appointed date or construction, cost escalation, interest-rate fluctuations, performance of sub-contractors, availability of raw materials and equipment, and delays in payments or annuity receipts from the relevant authority.

There can be no assurance that the proposed deployment will result in the anticipated benefits within the estimated timeline; however, the Company's prior experience in executing 3 (three) HAM projects, together with its extensive experience in the execution of projects forming part of its principal business, is expected to assist in mitigating the aforesaid risks.

6) Names of Directors who voted against the proposed variation/alteration:

Any interested person may obtain the copy of the special resolution along with the explanatory statement free of charge at the Registered Office of the Company or at the office of its Company Secretary Shri Piyush Jain at Unit 201, 2nd Floor, R G Metro Arcade, Sector-11, Rohini, New Delhi-110085, India or visit the website of the Company viz. www.eiel.in for a copy of the same.
