DIAMOND POWER - Brick Work assigned Credit Rating to the Company.

Vadodara, 28th October, 2014, Diamond Power Infrastructure Ltd India's one of the Leading Electrical T&D Equipment manufacturer is pleased to announce the following:

Credit Rating of the Company

Brickwork Ratings just assigned Diamond Power Infrastructure Limited's (DPIL) credit rating A- for long term and A2 for Short term for the short term bank facilities.

Brickwork says. "The rating, inter alia, has factored long experience of promoters with established track record in power T&D sector, long standing relations with reputed customers' base, vertically integrated operation, resulting in better operating efficiency, and healthy book position. The Rating also factors DPIL's presence across value chain in power infrastructure with wide range of products, healthy growth in operations and significant in capital structure led by sustained equity infusion by the promoters."

The Company was earlier rated by BBB+ by CARE.

About Diamond Power Infrastructure Ltd

Diamond Power Infrastructure Ltd is global Manufacturer of Power T&D Equipments. It has presence in the verticals of Power Transmission and Distribution, Cables, Transformers, Towers and Conductors.
