Sub: Update – Receipt of Purchase Orders from DaMENSCH.

Dear Sir/Ma'am,

With reference to the prior intimation submitted to the Stock Exchange regarding the receipt of an expression of interest from **DaMENSCH**, we would like to inform that, post successful completion of factory audits, visits, and other requisite evaluation procedures, the Company has received and accepted purchase orders from the said customer aggregating to an approximate order value of ₹8.6 million.

Based on the ongoing business engagement and discussions with the customer, the Company expects repeat orders in the near future, subject to mutually agreed commercial terms.

The receipt of these purchase orders represents the progression of the earlier disclosed expression of interest into confirmed business engagement.

Further, considering the sensitive nature of the commercial terms and in the interest of maintaining business confidentiality and competitiveness, the Company has not disclosed the detailed product-wise quantities and pricing in respect of the aforesaid purchase orders.

The above purchase orders do not fall under related party transactions and the promoter/promoter group/group companies do not have any interest in the entity awarding these purchase orders.

As these purchase orders are received in the normal course of business and are not covered under Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, this may be treated as an update for the information of stakeholders.

This is for your information and records.

Thanking you,
Yours Faithfully,

On behalf of the Board
For CPS Shapers Limited
