Additionally, the Company has **applied for OEKO-TEX® certification**, an internationally recognised standard for textile safety and compliance, to strengthen product credibility and meet the technical requirements of leading domestic and international brands.

The Company is also pleased to inform that it will be **exhibiting at the OEKO-TEX® Summit & Exhibition** scheduled to be held on **9th and 10th December 2025** at the **Bombay Exhibition Centre, Nesco, Mumbai**, organized by **Hohenstein**. The Company will be showcasing its manufacturing capabilities and white-label solutions at **Stall No. L8–L9, Hall No. 4**.

Participation in this event will enable the Company to directly engage with leading domestic and international brands, showcase its bonded-technology capabilities and white-label manufacturing solutions, and significantly enhance visibility among global buyers. The platform is expected to support the Company's export-oriented business development efforts by facilitating interactions with overseas brands, sourcing teams, and compliance bodies. This engagement is anticipated to strengthen industry networking and contribute to expanding the Company's footprint in international markets, in addition to supporting domestic opportunities.

The Company will continue to inform the Exchange of further significant developments, as required under applicable regulations.
