Auditor's Report on Quarterly and year to Date Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Requirements, 2015

To
Board of Directors of Cranes Software International Limited

1. We have audited the quarterly financial results of **Cranes Software International Limited** for the year ended 31st March 2018 and the year to date results for the period 1st April 2017 to 31st March 2018 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI(Listing Obligations and Disclosure Requirements) Regulations,2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, Attention is drawn to the fact that the figures for the quarter ended 31st March 2018 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that the audit we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

3. *The attached Balance Sheet as at 31st March, 2018 is drawn on the basis of the Principle of 'Going Concern'. We opine as follows in this connection :*

- 3.1 *Redemption of Foreign currency convertible bond amounting to Rs. 29,085 lakhs (42 million Euros) to the holders of the bonds have fallen due during April 2011 and is yet to be redeemed as on the date of Balance Sheet. On a petition filed by the Foreign currency convertible bond holders, The Hon'ble High Court of Karnataka issued a winding up order against the company, which indicates the existence of material uncertainty that may cast significant doubt on the company's ability to continue as a going concern. The company has obtained a stay against the operation of the winding up order issued by the Hon'ble High Court of Karnataka. However, the accounts have been prepared on a going concern basis.*
- 3.2 *Term loans and working capital loans availed by the company from various banks amounting to Rs.69,535.38 lakhs, remain unpaid and are overdue since 2009. The lenders have filed cases before the Debt Recovery Tribunal (DRT) / Hon'ble Courts, etc for recovery of dues. These proceedings are in various stages of disposal before the "DRT" and respective Hon'ble Courts. Winding up petitions have been filed by Canara bank and Bank of India against the company, before the Hon'ble High Court of Karnataka for non-payment of principal and the accrued interest thereon.*
- 3.3 *In our opinion the securities provided to Banks are not adequate to cover the amounts outstanding to them as on the date of Balance Sheet.*
- 3.4 *Attention of the members is invited to note 4 of the Financial Statements regarding recognition of deferred tax credit on account of unabsorbed losses and allowances aggregating to Rs.35,241.76 lakhs (year ended March 31, 2017 Rs. 34,521.55 lakhs). This does not satisfy the virtual certainty test for recognition of deferred tax credit as laid down in IND AS-12.*
- 3.5 *Reference is drawn to note no. 2 of the Financial Statements regarding the amounts classified under "Fixed Assets" including "Intangible Assets Under Development" amounting to Rs. 5,042.44 lakhs. (year ended March 31, 2017 Rs. 22,458.78 lakhs) No evidence has been produced before us for testing its impairment and in the absence of the same, we are unable to express any opinion on the impairment to such asset. In our opinion, such test of impairment as on the date of Balance Sheet is mandatory, especially in view of the higher degree of the obsolescence of software which is stated to be under various stages of development, though no further developments have been carried out during the recent years.*

In the light of the above, the appropriateness of the 'Going Concern' concept based on which the accounts have been prepared is interalia dependent on the Company's ability to infuse requisite funds for meeting its obligations, rescheduling of debt and resuming normal operations.

4. *We further report that, except for the effect, if any, of the matters stated in paragraphs 3.5 above, whose financial effect is not ascertainable, had the observations made in paragraph 3.4 above been considered, the loss after tax for the year ended March 31, 2018 would have been higher by Rs. 35,241.76 Lakhs.*

5. Emphasis of Matter

- 5.1 We draw attention to Note No. 5 of the financial statements regarding the investments (including receivables) made in wholly owned subsidiaries. As explained by the management, it being a long term and strategic investment, there is a reasonable certainty that there will be no diminution in the value of the investment and is confident of recovery of receivables and therefore no provisioning has been considered necessary. The details of investments (including trade receivables) in subsidiaries are as under.

8	Caravel Info System Private Limited	1.53

The company has not provided for diminution / impairment in the value of its investments in the above wholly owned subsidiaries, as required by the IND AS-36.

- 5.3 The Company has drawn and utilised an amount Rs. 43.77 lakhs from the 'CSIL Employees Comprehensive Gratuity Trust' fund for the purpose not intended in terms of 'The Payment of Gratuity Act, 1972'.(See note No. 15 of the Financial Statements)
- 5.4 The company has provided for doubtful debts of Rs 1,279.80 lakhs during the year, towards due from a subsidiary.
- 5.5 Loan availed by the company from 'UPS Capital Business Credit' amounting to Rs 601.51 lakhs remains unpaid and is overdue since April 2014.
- 5.6 The banks which had extended financial facilities to the company have treated the outstanding from the company as "Non-Performing Assets" since 2009. In order to achieve the desired congruency on this issue, the Company has also not provided for interest amounting to Rs. 10,446.77 lakhs on such outstanding amounts for the year ended 31st March, 2018 due to various banks, though the confirmation of such dues were not made available to us from the respective banks/financial institutions. Had the said interest been provided in the books in the normal course, the present loss for the year ended 31st March 2018 would have been higher by Rs. 10,446.77 lakhs.
- 5.7 The management is in negotiation with the Foreign currency convertible bond holders for settling its dues. The management is of the view that the liability of Rs 38,695 lakhs (including interest amounting to Rs. 9,610 lakhs) reflected in the financial statements will adequately cover its liability on settlement of dues with the Foreign currency convertible bond holders and therefore no provision for interest is provided for the year ended 31st March 2018. Had such interest been provided in the books in the normal course, the present loss for the year ended 31st March 2018 would have been higher by Rs 1,625.30 lakhs.
- 5.8 In continuation to the point no. 5.7 above, the company has also discontinued the restatement of the Exchange fluctuation gain / loss on account of the outstanding due towards Foreign currency convertible bond and the interest due thereon, in line with the IND AS-21 "The Effects of Changes in Foreign Exchange Rates". Had such restatement of liability been made in the books in the normal course, the present loss for the year ended 31st March 2018 would have been higher by Rs 3,420.52 lakhs.
- 5.9 The balances which were available in the dividend accounts of banks were utilized by the company for expenses.
- 5.10 The management is of the opinion that the all assets, investments have atleast the value as stated in the Balance Sheet, if realised in the ordinary course of business.

Our Report is not qualified in respect of the above matter.

6. These comparative standalone financial results for the year ended 31 March 2017 included in these standalone financial results have been audited by predecessor auditor. The report

of the predecessor auditor on comparative financial information expressed a qualified opinion thereon.

7. In our opinion and to the best of our information and according to the explanations given to us, except for matters stated in paragraphs 3 and 4 above, the Statement:
