Bandra-Kurla Complex Mumbai - 400 051

**Stock Code: CGRAPHICS**

**Subject: Pursuant to Regulation 30 of The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Wahren India Private Limited, a wholly-owned subsidiary of the Company, has recently purchased a old PVDC Coating machine and a Moccon MVTR/OTR testing machine from Radha Madhav Corporation Limited.

This acquisition will allow Wahren to enter the PVDC segment. The estimated total purchase value is ₹2.6 crores (excluding GST). PVDC is an adjacent segment to Wahren's existing product line, and the same customers who purchase alu-alu foil from Wahren will also require PVDC material.

The addition of these machines is anticipated to contribute to additional revenue growth by catering to the needs of our existing customers, as well as opening opportunities for new business in the PVDC segment.

The additional details required under Regulation 30 Read with Schedule III of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR") and SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 are enclosed as Annexure-1

We request you to kindly take note of the same.

Thanking You,

Sincerely,

**For Creative Graphics Solutions India Limited**

**Puja Arora Mehrotra**  
**Company Secretary & Compliance Officer**

## Annexure -I

Details under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024

Sl.No.	Requirement	Disclosures
1.	existing capacity;	Not applicable (the Company is not producing PVDC material currently)
2.	existing capacity utilization	NA
3.	proposed capacity addition	8000 MT
4.	period within which the proposed capacity is to be added	Machine procurement in FY 24-25; Commercialization in FY 25-26
5.	investment required	Approx 2.6 CR (excluding GST)
6.	mode of financing	Internal approval
7.	rationale	PVDC is a higher margin product. It is consumed by our existing customers and has high export potential. The machine has been procured at a low value but has the capacity to produce 8000 metric tons of PVDC per annum. The average selling price of PVDC is expected to be 225 to 300 per Kg.
