Management Comment:

Commenting on this development, **Mr. Ketan Patel, Chairman & Managing Director of 'Creative Peripherals & Distribution Ltd.'** Said:

"We are very happy to share that we have bagged and successfully fulfilled new orders worth USD 345,123 for various Invue products, of which USD 107,858.25 was for their flagship product Series 950. We delivered over 4,200 units of this flagship product in this order. We are the sole and exclusive distributors for InVue Security products in India. The demand in the market is growing for such security products and we expect to ride the growth wave by entering this product segment at an early stage itself. We expect this to create a significant opportunity for our Company in terms of growth in revenue and increase in margins.

I would take this opportunity to thank our partner InVue, for their continued confidence in us. I would also like to thank the 'Creative' team for their dedication and hard work in making this happen."

Company Overview

Our Company started as a small proprietary trading concern, named as 'Creative Computers' with 10 employees back in 1992. Since then our consistent dedication and hard work along with support from our partners we have grown to a recognized player in the India's Information and Communication Technology distribution market. Our efforts have always been towards timely delivery, consistent, excellent quality, range of innovative products and sustained long-term relationship building with channel partners. These efforts have enabled us to garner accolades in the Industry as amongst the best distributors in India by leading brands. Some of these include:

- ***'Best Fulfillment Partner' (2014) - Reliance Digital***
- ***'Fastest Growing National Distributor' (2014-15) - Digital Terminal***
- ***'Best Fulfillment Partner' (2015) - Reliance Digital***
- ***'CEIF Photo Fair All India Photo Graphic Trade & Industry Association' (2015)***
- ***'Long Term Partnership Award (2017)' – Sennheiser***
- ***'Licensing Partner of the Year – 2017 award – Honeywell (2017)***
- ***'Best Trade Show Execution for seamless execution of Consumer Electronic Imaging Fair' – Vitec Group CEIF (2018).***

Our Company is associated with over 25 renowned brands globally. These brands help us cater to a wide range of customers both in the consumer and industrial businesses. We are also well-positioned to take advantage of the changes in trends in the technology industry currently and be a part of the digital transformation story of India.

Creative Peripherals has a unique value-added distribution model which is difficult to replicate. We provide end-to-end solutions, beginning from market research and competition analysis for brands and recommend viability in specific regions across India. This requires specialized skill sets and experience along with adequate market intelligence. We then prepare a strategic plan for market entry for the brands and their target segments. These plans are updated and monitored regularly. Further, we then also conduct pre-sales activities and marketing activities for the success of the brand

as well as to enable our channel partners to leverage their expertise and bottom line. We are among the very few large distributors who conduct specialized training modules, events and promotional activities at the ground level with channel partners. This is possible due to the dedication of our people and our experienced team which constantly tracks latest market developments to build closer market connect.

Our Company has a state-of-the-art sales process which works very closely across channels including Large Format Retail (LFRs), E-Commerce and Specialized retailers in all regions. We conduct regular workshops, demos for resellers with our dedicated corporate and retail sales teams. Our Company's wide reach and superior logistics capabilities helps us provide end-to-end services to customers including warranty and post-warranty, high-level repair services, response centers among others.

Also, our strong focus on consistent and very high quality along with timely delivery has led to increased confidence of brands, many of which have chosen us as exclusive partners and have been with us since over five years. We have robust IT systems to manage network and follow prudent risk management practices across branches.

Creative Peripherals focus is on higher operational efficiencies and adding higher margin and value-added products to our existing product portfolio and this association is a concrete step towards that direction. We are confident that we will be able to grow stronger from here and continue to scale new heights.
