An initiative of the regulator of the accountancy profession in the country, ICAI decided to recognise and award exemplary entities and confer ICAI Sustainability Reporting Awards for the year 2020-21 (first edition) through its Sustainability Reporting Standards Board (SRSB). The institution received the award under Category II which recognises Excellence in Sustainability Reporting under New Entrants in the Integrated Reporting.

By virtue of being in the microfinance space, CA Grameen has been creating a positive social impact over the last two decades and empowering low-income households through its affordable products and services. Integrated Reporting adopted by the institution gives an opportunity to effectively blend ESG principles into the business model and adopt sustainable business practices in future initiatives. It also encourages aligning the business strategy, performance, and governance to build long-term sustainable value for all the stakeholders.

Mr. Udaya Kumar Hebbar, MD & CEO, CreditAccess Grameen Ltd. said, *"Our efforts to create a meaningful social impact through robust disclosures and strong governance has been recognised by the eminent ICAI, known for its rigorous standards. This gives us immense confidence to work relentlessly towards sustainable development goals and be the preferred financial partner of low-income households."*

On receiving the award Mr. Nilesh Dalvi, Head – Investor Relations, Credit Access Grameen Ltd. said *"Our constant endeavour is to adopt sustainable business practices for effectively serving the bottom of the pyramid. As a step closer to the sustainability reporting, we published our first integrated report for FY 2021 which depicted a holistic story,*

whilst evidencing the strength of our leadership team. We are proud to partner in the growth journey towards sustainable development goals.”

ICAI is committed and focused to take initiatives in sustainability-related areas. The award aims to recognise organisations that are making a transformative contribution to the 2030 Agenda of Sustainable Development.
