Accordingly, his first term would be coming to an end on October 29, 2024.

In terms of the provisions of Section 180(1)(c) of the Companies Act, 2013 (the "Act"), the Members, at the Annual General Meeting of the Company held on August 25, 2023, had granted their approval by way of a Special Resolution authorizing to the Board of Directors, to borrow from time to time, such amounts as deemed necessary for the purpose of business operations of the Company, not exceeding ₹30,000 Crore (Rupees Thirty Thousand Crore only) over and above the then aggregate paid-up share capital, free reserves and securities premium of the Company.

With the increase in business operations of the Company and based on the projections for the coming years, the Board may have to resort to multiple financing alternatives (including short-term & long-term borrowings), the amount of which is expected to exceed the existing borrowing limits approved by the shareholders. Item No. 7: Amendments to CAGL Employees Stock Option Plan – 2011

Equity-based remuneration includes alignment of the personal goals of the Employees with Organisational objectives by participating in the ownership of the Company. The Board of Directors of your Company understands the need to enhance employee engagement, reward the employees for their association and performance as well as to motivate them to contribute to the growth and profitability of the Company.

To reward and retain the employees and to create a sense of ownership and participation amongst them, the Company had formulated CAGL Employees Stock Option Plan – 2011 (“ESOP Plan”) to or for the benefit of such Employees as defined in the Plan.

With a view to maximise the benefits extended to the employees and for ease of administration of employee stock options, the Nomination & Remuneration Committee and the Board of Directors in their respective meetings held on June 21, 2024 and July 05, 2024 respectively, subject to the approval of shareholders, had approved varying some of the terms & conditions of the Plan viz., for increase in ESOP Pool to make further grants, one-time revival of ESOPs which have lapsed due to efflux of time, for some of the existing employees and change in the methodology of computing exercise price for future grants.

Rationale of the variation of the terms of ESOP Plan	-	<p>(i) The amendments are proposed to increase the size of the employee stock option pool under the ESOP Plan.</p> <p>(ii) The exercise period which is based on 3 (three) month's average daily price is more reflective of the Company's performance & value and eliminates the risk of short-term market volatility.</p> <p>(iii) The variation vis-à-vis one-time revival of lapsed Options are proposed to ensure that those option holders who are in employment and whose Options have lapsed due to unforeseen circumstances, are provided additional time period of 12 months to exercise their vested options. This variation is applicable only to some of the option holders who are in employment as on date. This is to ensure that such employees are adequately motivated to continue to contribute to the growth of the Company and will be an additional retention tool.</p> <p>The proposed amendments/variations are not detrimental /prejudicial to the interest of the option holders.</p>
3. **Includes residual pool of 8,16,400 Options*

Further, the terms of amendments are not prejudicial to the interests of the employees and the other terms and conditions of the ESOP Plan shall continue to remain the same and it will not affect any Options granted earlier under the CAGL Employees Stock Option Plan – 2011.

In terms of Section 62 of the Companies Act, 2013 and Regulation 7 of Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, the approval of the Shareholders is sought by way of Special Resolution for amending the CAGL Employees Stock Option Plan – 2011 and other matters connected therewith.
