Commenting on the business performance, Mr. Ganesh Narayanan, Managing Director and Chief Executive Officer of CreditAccess Grameen Ltd, said, "We reported our highest quarterly PAT of INR 502 crore in Q2 FY27, having grown five-fold over the past five years. FY27 marks a clear turnaround in profitability, recording INR 995 crore PAT in H1 FY27 as against INR 778 crore PAT in FY26. Our H1 FY27 ROA stood at 5.9% and ROE at 23.8%, reflecting strong business performance. Our ROA guidance has been revised upward from 4.0–4.8% (earlier) to 5.2–5.8% (revised) and ROE guidance from 16.0–20.0% (earlier) to 21.0–24.0% (revised) while retaining our AUM growth at 20.0–25.0% and credit cost at 3.0–4.0%. We have reduced our loan pricing by 50 bps applicable from October month in line with our board approved pricing policy.

CA Grameen stands today as a more diversified and profitable company than at any point in its history. Our transformation into a diversified, rural-focused lender is now visible at scale with Retail Finance share at 23% of

the AUM. We are increasingly working towards serving the entire customer household's financial needs, from business loans to financing mortgages, affordable housing and two wheelers. For H2 FY27, our focus is to grow responsibly while staying vigilant amidst evolving macroeconomic environment. We will remain cautious in districts showing drought-related challenges, while meeting the growing credit needs of our seasoned customers, and stepping up new customer acquisition. As we enter the seasonally stronger second half, we do so with momentum in our business, strength in our balance sheet and confidence in delivering on our aforesaid guidance."
