Dear Sir/Ma'am,

Sub: Updates- Purchase of Cranes - Announcement under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform all our stakeholders that our company has placed an order for two brand-new 150 MT crawler cranes, with an expected delivery by mid-October 2024 from Mumbai, Maharashtra. The contracts for both cranes have already been secured in advance with one assigned to Ultratech Cement Ltd. and the other to ArcelorMittal Nippon Steel India.

With an estimated total purchase value of ₹7 crores, this brings our total crane capital expenditure for the current financial year to approximately ₹43 crores till date.

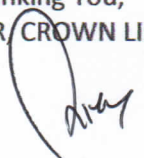

This comes amid a significant surge in demand for heavy construction equipment on a rental basis across sectors such as Cement, Steel, Solar, Refinery, Ports, Airports, and Metro/Bullet Train projects, particularly during the post-monsoon period.

Below illustrated is the crane model;

This is for your kind information and record.

Thanking You,
