Waterloo, Iowa/Chennai Sept. 30, 2025: TVS Supply Chain Solutions, a global leader in supply chain management, and one of the largest and fastest growing integrated supply chain solutions providers in India, has announced that its wholly owned subsidiary, TVS SCS North America, aspires to become a \$500 million revenue business, building on a sustained 20% CAGR over the past four years, and maintaining strong growth momentum in the region.

Further to this, the Company announced the inauguration of its new 225,000-square-foot build-to-suit facility in Waterloo, Iowa. The state-of-the-art facility expands TVS SCS' footprint in the U.S. Midwest and strengthens its ability to serve local manufacturers and key clients. The new facility will also enhance TVS SCS' capability to deliver manufacturing support services such as value-added assembly, kitting, sequencing, and just-in-time delivery.

*"Our new facility in Iowa embodies the future of supply chain management," said **Ravi Viswanathan, Managing Director, TVS Supply Chain Solutions.** "With 95% of its capacity already committed, the facility is a testament to the strong demand for our services and the trust our clients place in our capabilities. Equipped with advanced automation and robotic technology, this facility is designed to maximize operational efficiency, reduce lead times, and deliver unparalleled service quality. These advanced technologies enable us to serve our clients' evolving needs with agility and precision, positioning us to achieve faster and stronger growth in the U.S. market," he added.*

The inauguration ceremony was honored by the presence of Iowa Governor Kim Reynolds and Waterloo Mayor Quentin Hart, who recognized the facility as a key advancement in strengthening Iowa's role as a vital hub for manufacturing distribution and supply chain innovation.

"We are committed to further expanding our presence in the U.S. and investing in state-of-the-art facilities to better serve our clients," said **Richard Vieites, CEO of North America & Europe, TVS Supply Chain Solutions.**

He further added, "Our future plans include continued growth in strategic locations, enhancing our technological capabilities, and fostering strong partnerships to drive innovation in supply chain management."
