Limited Review Report - Financial Results

To
The Board of Directors,
Cura Technologies Limited,
Hyderabad.

Limited Review Report for the quarter ended and half year ended 30th September 2019.

1. We have reviewed the accompanying statement of unaudited financial results of M/s. CURA TECHNOLOGIES LIMITED, ("the Company") for the quarter ended and half year ended 30th September, 2019. This statement which is the responsibility of the Company's management and approved by the Board of Directors of the company at their meeting held on 14th November, 2019, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim financial reporting" ("Ind AS 34") prescribed under Section 133 of the companies Act, 2013 and other Accounting Principles generally accepted in India and which has been initiated by us for identification purposes. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Further we would like to bring to your attention for below points:

- (a) The Company has defaulted in repayment of dues to Andhra Bank. The loan outstanding was classified as NPA by the Bank. Interest was not provided during the quarter ended and half year ended 30th September, 2019 amounting to Rs.46.14 Lakhs which is not in accordance with the generally accepted accounting principles. The loss of the Company has been understated by Rs.46.14 Lakhs for the quarter ended and half year ended 30th September, 2019 in view of non-provision of Interest amount.

(b) The company incurred losses during previous year. In the current quarter and half year ending 30th September, 2019, the company incurred loss of Rs. 0.49 Lakhs. On account of accumulated losses of 7088.93 Lakhs, the paid-up capital and reserves of the company have been completely eroded. These conditions would cast doubt about the Company's ability to continue as a going concern.

3. Based on our review conducted as above, nothing has come to our attention except the above points mentioned that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation, read with Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
