About Current Infraprojects Limited

Current Infraprojects Limited (CIPL) is a multidisciplinary EPC company providing integrated solutions across power distribution, renewable energy, water infrastructure, civil EPC, MEP and project management consultancy. Founded in Rajasthan, the Company has evolved from a localized electrical contractor into a diversified EPC platform with a presence across 12 states and 100+ projects

CIPL combines execution capabilities with centralized procurement, ERP-based project monitoring, 80%+ owned equipment and 45+ certified engineers to support efficient project delivery and cost control. Its in-house NABL-accredited MEC Test Lab further strengthens quality assurance with faster testing and turnaround capabilities

The Company has significantly scaled its Solar EPC business while building a long-term annuity portfolio through RESCO projects backed by 25-year PPAs. With 4 commissioned RESCO SPVs aggregating 9.4 MW, CIPL is expanding beyond project-based EPC execution toward a balanced model combining EPC growth with recurring renewable energy revenues

For FY26, the company has reported Total Income of ₹161.35 Cr, EBITDA of ₹24.19 Cr and PAT of ₹14.05 Cr.
