Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Receipt of Warning Letter from USFDA for Baddi Facility

Dear Sir / Madam,

Pursuant to regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that the Company has received a Warning Letter from the United States Food and Drug Administration (USFDA) relating to its formulation manufacturing facility located at Baddi, Himachal Pradesh.

The Warning Letter was issued in response to a request for records pursuant to section 704(a)(4) of the Federal Food, Drug, and Cosmetic Act, and does not pertain to any on-site inspection of the facility by the USFDA. The communication references technical observations regarding the use of purified talc that did not meet the current United States Pharmacopeia (USP) requirements. We believe that the said Warning Letter will not impact current operations and supplies from the Baddi site.

The Baddi manufacturing facility was last subjected to an on-site inspection by the USFDA in August 2025. Subsequent to the conclusion of the inspection, the Company received the Establishment Inspection Report (EIR) in October 2025, with the final compliance status classified as Voluntary Action Indicated (VAI).
