## **Zydus Lifesciences Limited announces the execution of undertakings to tender as part of its envisaged tender offer for Amplitude Surgical SA shares**

*Ahmedabad, India / Paris, France, 17 April, 2025*

Following the announcement of its envisaged tender offer on March 11, 2025, Zydus Lifesciences Limited announces the execution of undertakings from 7 shareholders to tender 2,236,911 Amplitude Surgical shares, representing 4.7% of the company's capital and voting rights by them.

Considering the 85.6% of the capital that will be acquired by Zydus Lifesciences Limited from PAI Partners, the management of Amplitude Surgical and two minority shareholders, Zydus Lifesciences Limited will be in a position with these undertakings to acquire more than 90% of the capital and voting rights of Amplitude Surgical at the end of the tender offer.

These undertakings to tender 2,236,911 Amplitude Surgical shares, representing 4.7% of the company's capital and voting rights, may be revoked in the event of a competing tender offer being filed by a third party, declared compliant and opened by the *Autorité des marchés financiers*.

The acquisition of the 85.6% block is expected to be completed by June 2025 and the draft tender offer will be filed with the *Autorité des marchés financiers* upon receipt of regulatory approvals. The opening of the tender offer will then be subject to the clearance decision of the *Autorité des marchés financiers*.
