Dear Sirs,

Sub: Company Announcement as per listing agreement.

Cerebra bags a large order from Transport Department, Government of Karnataka for Automated Driving Test System (ADTS)

This is to inform you that, the Office of the Commissioner for Transport and Road Safety, Transport Department, Government of Karnataka has finalized a project to automate the process of conducting driving tests and the issuance of licenses at select RTO centers across the state through a contract signed with Cerebra Integrated Technologies Limited. The Automated Driving Test System (ADTS) is an endeavor by Karnataka Transport Department to standardize and automate the procedure of evaluating the driving skill of a person before granting him a license.

The total value of the solution including software, servers and other related hardware, etc is estimated to be Rs.216 Million (Rs.21.6 Crore) including a five years contract to implement, run and maintain.

We are pleased to be associated with the Regional Transport Office (RTO) for ADTS. This project, once implemented, will be an excellent reference for our enterprise solutions business to approach other State Governments across the Country.

ADTS, a major step for Cerebra who provides total solutions to its clients, covers the entire process for obtaining a license test and on passing the test the data is transferred to the existing system and covers the entire process from biometric registration, parallel parking track, up-gradient track, 8 track & S track. Separate tracks are formed for Motorcycles, LMVs and HTVs,"

Please treat this as compliance with the listing requirements.

Thanking you.
Yours sincerely,
For Cerebra Integrated Technologies Limited

Shridhar S. Hegde
