

PRESS RELEASE

Cerebra starts one of India's largest E-Waste Recycling Facilities

Bangalore / Kolar, February 07, 2017: Cerebra Integrated Technologies Limited (532413 / Cerebrait) a BSE & NSE Listed Company, today inaugurated its much awaited E-Waste Recycling Facility at Narasapura KIADB Industrial Area, Kolar District which spans over an area of 12 acres of prime industrial land and with built up area of more than 40000 sft.

The facility was inaugurated today by Shri R V Deshpande, Minister for Large & Medium Industries and Infrastructure Development, Govt of Karnataka, in the presence in the presence of Shri V R Sudharshan, Former Speaker of Karnataka Legislature.

Welcoming the distinguished guests, Mr V Ranganathan, Managing Director of Cerebra Integrated Technologies Limited stated that the facility is one of the largest in the country and boasts of end to end destruction of e-waste through zero landfill. The need to have these kind of facilities with the exponential growth in the usage of mobile phone, laptops, computers, home appliances and other electronic and electrical gadgets, to address the alarmingly enhancing environmental dangers was emphasised. The current capacity of the facility is 36000 tons per annum and Cerebra will expand further in the near future to add PGM refining. *"Bangalore alone produces about 37000 tons of e-waste every year..."*

The services offered include Collection, Segregation (Re-usable & Non-Reusable) Repair, Recondition, Refurbish for Reuse, Re-marketing, Data Wiping, Data Destruction & Data Recovery Process. Recovery Services that will now be offered will be Recycling & Separation of Metals, Plastics & Glass Recovery.

Speaking on the occasion after inaugurating the e-waste recycling facility, Honourable Minister Shri R V Deshpande, Minister for Large & Medium Industries and Infrastructure Development, appreciated and complimented Cerebra for establishing this unique facility in Karnataka and advised that employment for locals be encouraged.

Cerebra also offers to its clients the following services:

- Enterprise Solutions and Infrastructure Management (IM) Cerebra, provides comprehensive services to help organizations optimize critical IT staff. Our Infrastructure Management Services offer a complete portfolio of solutions and services for managing enterprise IT infrastructures.
