Dear Sir,

**Subject: Information of shutdown of Ammonia-Urea Plant (Gadepan-II) of
M/s Chambal Fertilisers and Chemicals Limited – Impact on performance**

This has reference to your email of even date seeking clarification regarding impact on performance of the Company due to shut down of one of its fertiliser plants as intimated vide our letter of even date.

We would like to inform you that the production loss due to shut down of the plant from February 08, 2015 to March 31, 2015 will be approximately 150,000 MT of Urea. However, as per the prevailing policy of the Government of India, the Company would have incurred loss by running the plant during the aforesaid period.

Thanking you,

Yours sincerely,
for **Chambal Fertilisers and Chemicals Limited**
