Dear Sirs,

Please refer to your e-mail dated 25th November, 2014 seeking certain clarification with reference to the media report titled "Jaypee group to sell 10 acres of land in Noida to Purvankara Group".

The Company has two revenue streams one is toll collection and second is real estate which inter alia includes sale of plots, apartments, commercial – developed or partially developed and bulk land.

However, in reply to your specific query, we wish to submit that we are not aware of any such transaction with "Purvankara Group" as reported in the media and the media report referred by you is based on market speculations and the Company does not comment on market speculations.

We hope that this will clarify all your doubts.

Thanking you,

Yours faithfully,
For **JAYPEE INFRATECH LIMITED**
