National Stock Exchange of India Limited
Exchange Plaza, Bandra Kurla Complex
Bandra (E), MUMBAI – 400 051

Dear Sir,

Sub: Disclosure of information pursuant to Regulation 30(2) re - Stoppage of Urea Production.

We refer to your emails dated May 13, 2016 and May 16, 2016 in response to our letter dated May 9, 2016 on the above subject.

We furnish below the details as required:

1. **Expected quantum of loss caused**: The production will be impacted until restart of production after monsoon rainfall in June first week. The daily expected loss of production of urea is 1,150 metric tonnes and ammonium bi carbonate is 50 metric tonnes. The loss of turnover due to production loss is estimated at approximately Rs.2.5 crores per day.

2. **Whether loss covered by insurance or not including amount:** Loss is not covered by insurance.

We hope the above details clarifies your queries.

Thanking you,

Yours faithfully,
For Mangalore Chemicals & Fertilizers Limited

Subject: Clarification_MANGCHEFER

Dear Sir/Madam,

This is with respect to an announcement submitted to the Exchange dated May 09,2016 , regarding the Company had initiated operation of Ammonia and Urea plants at reduced capacity due to acute water shortage in Dakshina Kannada district and Mangalore city with the depletion of reservoir level at Thumbe and delayed pre-monsoon showers. In view of non-availability of water, the urea production is stopped from May 7, 2016 and the production will resume once the water is available. .
On basis of above you are required to clarify following -
1. Expected quantum of loss caused;
2. Whether loss covered by insurance or not including amount;

Warm Regards

Charmi Dharod.
