Subject: Information of shutdown of Ammonia-Urea Plant (Gadepan-II) of M/s Chambal Fertilisers and Chemicals Limited (CFCL)

Dear Sir,

This is to inform you that one of our Urea Plants at Gadepan, District Kota, Rajasthan has been shut down from February 8, 2015. The shutdown of the plant is necessitated due to unfavorable policy of the Government of India for production beyond 100% capacity of the plant for the financial year 2014-15. The Company shall carry out routine maintenance activities during the shutdown period and the plant is expected to resume operations during last week of March or first week of April 2015.

Thanking you,

Yours sincerely,
for **Chambal Fertilisers and Chemicals Limited**

M. S. Rathore
