The Systematix Group is pleased to invite you to

India Pipes Day

Date: 8th July, 2016

Venue: Systematix Group, The Capital, A Wing, 6th Floor,
G Block, BKC. Opp. ICICI Bank / ILFS

The Indian steel pipe industry, worth Rs300bn, is evolving from the traditional usage in water and oil & gas transportation into a more value-additive structural and precision pipes applications. Moreover, the leading companies are catering to global oil & gas transportation market, which is expected to be an opportunity worth US\$75bn over FY17-22. We believe the steel pipe industry is at an inflexion point, wherein the massive investment programs in infrastructure, railways, solar, smart cities and affordable housing can give a new fillip to companies in the sector.

Our conference's endeavour is to bring most of the large public and private equity funds (MFs, Insurance Companies, FIIs, PMS and PE), represented by their Fund Managers, Managing Partners, Senior Team Members and Analysts to engage with 8-10 leading companies in the steel pipe industry, represented by their Promoters/MDs/CFOs in one-to-one and small group sessions during the day.

Corporate Meeting Schedule: 10:00am - 6:00pm
