The manufacturing plants of the Company are spread in various geographical locations across India including Samba J&K, Shahjahanpur Rajasthan, Bawana Delhi and Sitarganj, Uttrakhand and corporate office is located at Delhi.

The Company manufactures high end products used in Agriculture/Infrastructure Components, Wires & Cables, Auto Parts, Textiles, Electronic Goods, Medical, Writing Instruments, Organic & Inorganic Chemicals, Footwear and Packaging industries while alongside acting as distributor of global conglomerates.

We are pleased to announce that the Company has undergone Rating from **Dun & Bradstreet,** a well known name in objective credit assessments. D&B is the world's leading and longest-established business information Company having presence in over 220 Countries. The D&B Rating provides a quick and clear indication of the credit-worthiness of an organization, which helps one to identify profitable opportunities for growth, and risks that could affect bad debt and cashflow.

The Company has been assigned rating **4A3** this indicates two things:

- **Financial strength** - Based on Tangible Net Worth from the latest financial accounts the Company has been assigned **Rating 4A** which shows that the tangible net worth of the Company is between INR 12,91,90,000 to 64,59,49,999.
- **Composite Appraisal/Condition**: It is linked with the level of risk and an overall evaluation of credit worthiness, the Company has been assigned **Composite Appraisal No. 3** which indicates that the **Company's overall condition is FAIR**.

The Company is confident that the rating from D&B would add to its market standing and would strengthen its business relations and be instrumental to its overall business development. This would further augment investor confidence and trust in the Company. The pricing and image of Company among its international associates shall further brighten with this and better business opportunities are expected.
