BIRLA DECIDES NOT TO CHAIR PROCEEDINGS TILL A DECISION IS MADE

Oppn moves no-confidence motion against LS speaker

LIZ MATHEW
New Delhi, February 10

UNDER FIRE

■ The speaker has been under Opposition fire ever since he suspended eight MPs protesting in the Lok Sabha

■ The notice, signed by at least 118 Opposition MPs, has been submitted to Lok Sabha Secretary General Utpal Kumar Singh

■ The speaker, meanwhile, received the support of 11 women MPs from the BJP

■ While Tharoor opened the discussion, Rahul Gandhi is expected to speak on Wednesday

With no resolution in sight, the Opposition MPs submitted the notice at 1.14 pm, said Gaurav Gogoi, Congress deputy leader in Lok Sabha.

While most Opposition parties were on board, the Trinamool Congress did not sign the notice, with its Parliamentary Party leader Abhishek Banerjee saying the party "believes in being more tolerant" and does not want to "flex muscles" through the notice. Sources said the TMC told the others at the morning meeting that Birla should be given more time to address their concerns.

The speaker, meanwhile, received the support of 11 women MPs from the BJP who wrote to him objecting to an earlier letter sent by women MPs of the Congress.

With the Congress-led Opposition submitting the notice against the Speaker and several leaders in the group saying they wanted a discussion to take place, the House returned to the Union Budget discussion. While Tharoor opened the discussion, Rahul Gandhi is expected to participate in the debate Wednesday.

submit a written notice of intention to move a resolution for the removal of the Speaker to the secretary general with at least 14 days' notice. With the House in recess after February 13, "the matter is expected to be taken up on March 9 when the House resumes," an official in the Speaker's offices said.

A Lok Sabha secretary official said the Opposition's notice would be "examined and proceeded as per rules."

The speaker's decision came hours after the deadlock in Lok Sabha appeared to be over, with

Congress MP Shashi Tharoor starting the discussion on the Union Budget when the House reconvened at 2 pm.

Earlier in the day, Opposition leaders decided to submit the notice, but held off on escalating the situation as a group led by Congress's K C Venugopal went to the Speaker's chamber to find a way out and reiterate their demands. But there was no breakthrough at the meeting, where the treasury benches were represented by MoS Parliamentary Affairs Arjun Ram Meghwal.

T20 World Cup: Viewership across ICC digital platforms jumps 53%

PRESS TRUST OF INDIA
New Delhi, February 10

THE INTERNATIONAL CRICKET Council (ICC) on Tuesday reported a 53% increase in video views across its digital platforms from the previous edition after the first six games of the 2026 T20 World Cup.

In a statement, the world body said its digital platforms attracted 647 million video views.

Massive growth in viewership has come from countries like Nepal, UAE and USA with their national teams being part of the tournament.

"The ICC app has enjoyed an 83% spike in users since 2024, while there has also been 16% more people using the ICC website across the same period," said the ICC.

"The biggest growth has been seen from fans outside the full member countries. Nepal, who pushed England

New Zealand's Tim Seifert during a T20 World Cup match against the United Arab Emirates in Chennai on Tuesday. New Zealand, the Netherlands & Pakistan won their group matches during the day

hard during their Group C clash on Sunday, leads the way in terms of individual country increases, with users from the southeast Asian country up a staggering 44.2%.

"There have also been 196% and 49% jumps in users from the UAE and the USA,

being the top two streamed matches, stated the governing body.

The first six games attracted 116,595 to stadiums in co-hosts India and Sri Lanka, added the ICC statement.

Our only aim was to get Bangladesh respect, says PCB

PCB chairman Mohsin Naqvi on Tuesday said Pakistan's decision to boycott their T20 World Cup match against India was aimed solely at securing "respect" for Bangladesh.

Bangladesh were ousted from the tournament for refusing to play in India citing security concerns.

Earlier this month, the Pakistan government said its national team would not take the field against India for their group game in the T20 World Cup on February 15 in Colombo.
