Crompton, Alongside CEO Promeet Ghosh, Honoured for Transformative Leadership and Sustainability Impact

Recognised for steering strategic growth, innovation, and setting benchmarks in sustainability

September 25, 2025, Mumbai – Promeet Ghosh, Managing Director & CEO at Crompton, has been awarded The Economic Times Energy Leadership Award in the Chief Executive category, recognising outstanding leadership and vision in the energy sector. With a strong focus on sustainability transition, Mr. Ghosh has been instrumental in driving Crompton's strategic transformation under the Crompton 2.0 vision, ensuring growth that is both profitable and environmentally responsible.

Under Mr. Ghosh's leadership, Crompton has advanced its sustainability agenda through initiatives such as #TechWithHeart and indigenous platforms like NUCLEUS and XTECH. These have enabled the company to develop energy-efficient, high-performance products that reduce carbon footprints while promoting responsible resource use. Beyond product innovation, ESG principles are embedded across operations, from renewable energy adoption and water conservation through rainwater harvesting to circular economy practices, reflecting Mr. Ghosh's commitment to integrating sustainability into every aspect of the business.

Crompton's sustainability efforts have been recognised globally. The company received the Energy Transition Award for pioneering cleaner, sustainable energy systems and reducing carbon footprints. Its comprehensive ESG initiatives, including product carbon footprint assessments and Extended Producer Responsibility (EPR) programs, highlights a consistent commitment to responsible resource management and environmental stewardship.

Looking ahead, Crompton continues to innovate responsibly, integrating sustainability across product design, manufacturing, and operations while enhancing consumer experiences. Through strategic investments in technology, energy-efficient solutions, and local manufacturing capabilities, the company remains committed to delivering smarter solutions for modern homes, driving profitable growth, and contributing to a sustainable future.

About Crompton:

With a brand legacy of over 85 years, Crompton Greaves Consumer Electricals Ltd. is India's market leader in the category of fans and residential pumps. Over the years, the organization has continuously strived to produce a range of innovative products that cater to the modern consumer including superior quality and high-performance fans, pumps, lighting solutions and a range of other categories like water heaters; air coolers; small kitchen appliances like mixer grinders, air fryers, OTG, electric kettles etc.; other home appliances like irons & built-in kitchen appliances. The company has further invested in brand and innovation to not only better understand and meet consumer needs, but to also help drive energy efficiency. The consumer business also has a well-established and organized distribution network driven by a strong dealer base across the country offering a wide service network and robust after sales service to its customers.

The company's consistent dedication to developing energy-efficient products has led to significant recognition. It has been honored with three prestigious National Energy Consumer Awards (NECA) by BEE, Ministry of Power. The recent award was presented by the Hon'ble President of India, Smt. Droupadi Murmu for the company's storage water heater in 2023. In 2019, the brand won in two categories: Ceiling Fans and LED Bulbs. Additionally, it was recognized as one of India's Best Managed Companies 2022 by Deloitte Private and listed among 'India's Top 500 companies 2022' by Dun & Bradstreet India. The company has also been featured in Brand Top 75 most valuable Indian brands list for 2020 released by WPP and Kantar. Furthermore, Crompton was also recognized as the Brand of the Decade 2021 by Herald Global and BARC Asia in the Consumer Electrical category.
