**Duck Creek
Technologies**

Wipro Joins Duck Creek Technologies' Alliance Program

Global information and technology services company will serve as a Europe-based Delivery Partner for Duck Creek's insurance software products

Boston, USA and Bangalore, India – September 11, 2018: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting, and business process services company, and Duck Creek Technologies, the P&C insurance industry's leading SaaS software provider, today announced a relationship whereby Wipro will be able to offer a broad array of implementation services and related software and data solutions for its insurance industry customers around the world.

Wipro will offer systems integration, configuration, and support services for the Duck Creek Platform, which includes solutions for policy, rating, billing, claims, data insights, and digital engagement. Together, Wipro and Duck Creek will help insurers meet rapidly evolving consumer expectations in their digital transformation journey. Wipro brings core insurance transformation to its customers through front-to-back digitalization and service design, and is fostering new ways of working by using agile and adaptive methodologies to break existing business silos.

"We are excited to build a strategic partnership with Duck Creek as a part of our core insurance business," said **Gaurav Chadha, Vice President and Global Head of Insurance, Wipro Limited**. "Through this partnership, we will bring our cloud, cognitive, and co-innovation approach to our common customers. We are investing in enhancing our capabilities and competencies on the Duck Creek Platform to bring value to our customers by delivering velocity, quality and cost."

"As a strategic Delivery Partner, Wipro will provide Duck Creek customers in Europe and beyond with comprehensive business solutions utilizing the extensive capabilities of the Duck Creek Platform, supported by trained and certified Wipro professionals," said **Eddie Jones, Vice President of Strategy and Alliances, Duck Creek Technologies**. "Wipro is a global leader in digital transformation, information technology, consulting and services, and we are thrilled to welcome them into our Global Alliance Program."

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
