Wipro Achieves 'Cloud Elite' status in Oracle PartnerNetwork Cloud Program

East Brunswick, New Jersey, USA and Bangalore, India, December 12, 2018 - Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has achieved the 'Cloud Elite' status in the Oracle PartnerNetwork (OPN) Cloud Program.

The Oracle Cloud Elite status is conferred upon highly skilled Oracle partners who have managed multiple cloud implementations for clients across the globe in the Software as a service (SaaS), Platform as a Service (PaaS) and Infrastructure as a service (IaaS) space. Typically, these are companies that have demonstrated strong cloud delivery capabilities, have been endorsed by their customers, and have a significant pool of resources skilled in technologies related to Oracle Cloud.

Ravi Purohit, Vice President & Global Head – Oracle service line, Modern Application Services, Wipro Limited said, "We are proud of how our relationship with Oracle has grown and gone from strength to strength, over the years. The Oracle Cloud Elite status is a testament to Wipro's expertise and position as a leading player in the Oracle Cloud ecosystem, and the company's sustained investments towards driving cloud transformation for our joint customers."

Ravi added, "Our vision is to earn our customers' trust by maximizing the value of their investments in Oracle Cloud solutions and help them achieve disruptive success in the digital marketplace."

"Wipro is one of our leading cloud partners who have demonstrated superior execution capabilities, and delivered exceptional value to our joint customers with the Oracle Cloud," said **Camillo Speroni, Vice President - Worldwide Strategic Alliances, Oracle**. "Wipro's focus on building solutions and services around Oracle Cloud has enabled our customers to reimagine their digital journey."

Wipro and Oracle have had a strategic relationship for over 15 years. Together, they develop customized solutions for clients and deploy future-ready systems that enhance business velocity.

About Wipro Limited:

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. A company recognized globally for its comprehensive portfolio of services, strong commitment to sustainability and

good corporate citizenship, we have over 175,000 dedicated employees serving clients across six continents. Together, we discover ideas and connect the dots to build a better and a bold new future.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud. Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
