The transaction of the Buyback would also be chargeable to securities transaction taxes in India. In due course, the Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

2. NECESSITY OF THE BUYBACK

2.1 The Buyback is being undertaken by the Company to return surplus funds to its equity shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:

- The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby enhancing the overall returns to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the Buyback Size for Small Shareholders (as defined below). The Company believes that this reservation of up to 15% for Small Shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders" under the Buyback Regulations;
- The Buyback would help in improving financial ratios like earnings per share and return on equity, by reducing the equity base of the Company; and
- The Buyback gives the Eligible Shareholders the choice to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

4.3 The Buyback Price represents a premium of 16.30% over the volume weighted average market price of the Equity Shares on the NSE for the 60 trading days preceding the date of intimation to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback and 28.51% over the volume weighted average market price of the Equity Shares on the NSE for the 10 trading days preceding the date of intimation to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback. 5. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES

5.1 The maximum amount required for the Buyback will not exceed ₹1,50,00,00,00,000/- (Rupees Fifteen Thousand Crore only), excluding the Transaction Costs.

5.2 The maximum amount mentioned aforesaid is 24.99% and 19.99% of the aggregate of the fully paid-up Equity Share capital and free reserves as per the latest audited standalone and consolidated financial statements, respectively, of the Company as on March 31, 2026, whichever is lower and the same is within the prescribed limit of 25%.

- that immediately following the date on which the Board Meeting is convened, i.e. April 16, 2026 or following the date on which the result of shareholders' resolution will be declared (the "Postal Ballot Resolution"), approving the Buyback, there will be no grounds on which the Company could be found unable to pay its debts;
- that as regards the Company's prospects for the year immediately following the date on which the Board Meeting is convened, i.e. April 16, 2026 or date of declaration of results of the Postal Ballot Resolution, that, having regard to the Board's intention with respect to the management of the Company's business during that year and to the amount and character of the financial resources which will, in the Board's view, be available to the Company during that year, the Company will be able to meet its liabilities as and when they fall due and will not be rendered insolvent within a period of one year from the date of the Board Meeting i.e. April 16, 2026 or the date of declaration of results of Postal Ballot Resolution; and

10. INFORMATION FOR ADS HOLDERS

- (i) Equity Share Withdrawal
- As previously discussed in the notices to ADS holders made available on the Company's website on April 21, 2026 holders of ADSs will not be eligible to tender ADSs in the Buyback. In order for such holders to participate in the Buyback, they must become holders of Equity Shares as of the Record Date. They, therefore, need to (i) establish an account with a bank, broker or other nominee in India sufficiently in advance of the Record Date to receive the withdrawn Equity Shares in DR type electronic dematerialized form (a "Brokerage Account") prior to the Record Date, (ii) submit the desired number of ADSs to JPMorgan Chase Bank N.A., as the ADR Depository (the "Depository") for cancellation and withdraw the underlying Equity Shares no later than three New York business days prior to the Record Date ("Equity Share Withdrawal") and (iii) after receiving the Equity Shares in the Brokerage Account, tender into the Buyback any or all such withdrawn Equity Shares when the offering period for the Buyback commences. **The process to set up a Brokerage Account may be a lengthy process, and must be completed sufficiently prior to the Record Date such that any holder of ADSs that wishes to participate in the Buyback may effect an Equity Share Withdrawal no later than 3 (three) New York business days prior to the Record Date.**

A registered holder of ADSs may surrender such ADSs to the Depository for cancellation along with requisite fees and a written order directing the Depository to cause the Equity Shares represented by the ADSs to be withdrawn and delivered to, or upon the written order of, any person designated in such order (the "Withdrawal Order"). Persons holding their ADSs through a bank, broker or other nominee must request such bank, broker or other nominee to surrender the ADSs to be cancelled, pay the requisite fees to the Depository and provide the Depository with the Withdrawal Order.

The Depository will charge such holder a fee of U.S. \$0.05 for each ADS surrendered for cancellation and may have other requirements before it permits withdrawal of Equity Shares. These fees are payable whether or not the withdrawn Equity Shares are accepted for tender in the Buyback. Each holder of ADSs that wishes to effect an Equity Share Withdrawal will be responsible for setting up its Brokerage Account, including providing any necessary documentation and know your customer documentation, and may incur customary fees, charges and expenses in connection therewith. The Depository will not assist ADS holders or other persons in establishing Brokerage Accounts in India. The Depository will on a best efforts basis endeavor to deliver the Equity Shares to your Brokerage Account in India. If they are not able to do so for whatever reason, they will not be liable for any losses you face in this regard.

You must be a holder of Equity Shares as of the Record Date to participate in the Buyback.

Equity Shares trade on the Stock Exchanges and cannot be traded on the NYSE. Due to uncertainties under India law and the terms of the deposit agreement, upon withdrawal of the Equity Shares underlying the ADSs, an equity holder currently cannot re-deposit the Equity Shares back into the ADR program to receive ADSs. There is no guarantee that any ADS holder that submits its ADSs for cancellation and withdrawal of the underlying Equity Shares will be able to tender successfully into the Buyback any or all of such Equity Shares. Equity Shares that are not accepted in the Buyback will remain outstanding, and the rights and obligations of any holder of such Equity Shares will not be affected.

(ii) Buyback Price and Foreign Exchange Considerations

The Buyback Price is at a premium of 15.22% over the volume weighted average price of an ADS on the NYSE for the 60 trading days preceding the date of the notice to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback, i.e., April 9, 2026. The Buyback Price is at a premium of 26.67% over the volume weighted average market price of an ADS on the NYSE for 10 trading days preceding the date of intimation of record date to NYSE for the limited purpose of determining the eligibility of ADS holders to vote on the Postal Ballot for approving the Buyback i.e., April 9, 2026. The Buyback Price will be paid in Indian rupees. These amounts are based on the exchange rate of ₹92.25 (Rupees Ninety-Two and Twenty-Five Paise only) per USD as published by the Federal Reserve Board of Governors on April 8, 2026. Fluctuations in the exchange rate between the Indian rupee and the U.S. dollar will affect the U.S. dollar equivalent of the Buyback. Shareholders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

Participating in the Buyback may result in ADS holders receiving less proceeds than what could be obtained by selling ADSs on the NYSE.

(iii) Tax and Regulatory Considerations

The taxation in India occurs at two potential stages. The law in India has recently changed, shifting the tax burden from the company to the shareholder:

- (A) Stage 1: Conversion of ADSs to Equity Shares
- There are no specific tax provisions in India that clarify the tax consequences of converting ADSs into underlying Equity Shares.
 - The prevailing view is this conversion is merely a change in the form of holding and not a "transfer" for tax purposes. If this view holds, the conversion itself should not trigger a capital gains tax liability in India.
 - This interpretation is not legally settled and has not been tested in court of law. Therefore, the risk of the tax authorities taking a contrary view cannot be entirely ruled out.
- (B) Stage 2: Sale of Equity Shares pursuant to Buyback
- This is a taxable event in India. Under the new tax regime (effective from the financial year 2026-27), shareholders are liable to pay capital gains tax.
- ADS holders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback and requesting that the Depository effect an Equity Share Withdrawal, including advice related to any related regulatory approvals and U.S., Indian and other tax considerations. In addition, prior to submitting any ADSs for withdrawal, ADS holders are advised to confirm that they have a Brokerage Account in India that can take delivery of the Equity Shares.
- Special notice to security holders in the United States**
- The Buyback is being made for securities of an Indian company and is subject to the laws of India. It is important for U.S. securities holders to be aware that the Buyback is subject to tender offer laws and regulations in India that are different from those in the U.S. and documents related to the Buyback will be prepared in accordance with Indian format and style, which differs from customary U.S. format and style. Certain U.S. federal securities laws apply to the Buyback as there are U.S. holders of Equity Shares and ADSs. The Buyback is being treated in the U.S. as one to which the "Tier I" exemption set forth in Rule 13e-4(h)(8) under the Securities Exchange Act of 1934, as amended, is applicable.

(iv) Documents on Display

The Company is subject to the reporting and other informational requirements of the U.S. Securities Exchange Act of 1934, as amended, and, in accordance therewith, files reports and other information with the Securities and Exchange Commission ("SEC"), which can be inspected and its copies can be obtained at the prescribed rates from the Public Reference Section of the facility maintained by the SEC at 100 F Street, NE, Washington D.C., 20549. The SEC maintains a website at www.sec.gov that contains reports, proxy and information statements, and other information regarding registrants that make electronic filings with the SEC using its EDGAR system.

If you have any questions regarding the Equity Share Withdrawal or the Buyback, please call the Company at +91-80-2844 0011. Please do not call the Depository with any questions related to the Buyback or any matter related to opening accounts in India. Registered holders may, however, contact the Depository about the procedure related to the cancellation of their ADSs. Those holding ADSs through a bank, broker or other nominee must contact such bank, broker or nominee with any questions they may have related to such cancellation procedures.

 - A reserved category for small shareholders (defined hereinafter); and
 - A general category for all other shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on the Record Date, of not more than ₹2,00,000/- (Rupees Two Lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs. In accordance with Regulation 9(x) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common Permanent Account Number (the "PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer

FINANCIAL EXPRESS

- 12.9. The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through demat account cannot exceed the number of Equity Shares held in that demat account.
- 12.10. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done as per the SEBI Circular on "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers Buy Back and Delisting".
- 12.11. Participation in the Buyback by shareholders may trigger tax on the consideration received on Buyback by them. Pursuant to amendments effective April 1, 2026, the tax on income from the buyback of shares is now levied directly on the shareholders. Previously from October 1, 2024, until March 31, 2026, buyback proceeds were fully taxed as deemed dividends at the shareholder's applicable slab rates. The original cost of acquiring the shares is recognized as a capital loss, which is set off against other capital gains. Here are the key features of the new system:

Aspect	Details
Tax Incidence	The tax is now payable by the shareholders on the gains made from the buyback, not by the Company
Nature of Income	The income is treated as Capital Gains in the hands of the shareholder.
Computation of Gains	Capital Gains are calculated as the difference between the buyback price offered by the Company and the shareholder's original cost of acquiring the shares.
Applicable Tax Rate	The rate depends on the holding period: <ul style="list-style-type: none"> Long-Term Capital Gains (LTCG); For shares held over 12 months, a rate of 12.5% is applicable (with an exemption up to ₹1.25 lakhs). Short-Term Capital Gains (STCG); For shares held for 12 months or less, the gains are taxed at applicable slab rates

2. NECESSITY OF THE BUYBACK

2.1 The Buyback is being undertaken by the Company to return surplus funds to its equity shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:

- (i) The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby enhancing the overall returns to shareholders;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the Buyback Size for Small Shareholders (as defined below). The Company believes that this reservation of up to 15% for Small Shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders" under the Buyback Regulations;
- (iii) The Buyback would help in improving financial ratios like earnings per share and return on equity, by reducing the equity base of the Company; and
- (iv) The Buyback gives the Eligible Shareholders the choice to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

5.1 The maximum amount required for the Buyback will not exceed ₹1,50,00,00,00,000/- (Rupees Fifteen Thousand Crore only), excluding the Transaction Costs.

5.2 The maximum amount mentioned aforesaid is 24.99% and 19.99% of the aggregate of the fully paid-up Equity Share capital and free reserves as per the latest audited standalone and consolidated financial statements, respectively, of the Company as on March 31, 2026, whichever is lower and the same is within the prescribed limit of 25%.

1. that immediately following the date on which the Board Meeting is convened, i.e. April 16, 2026 or following the date on which the result of shareholders' resolution will be declared (the "Postal Ballot Resolution"), approving the Buyback, there will be no grounds on which the Company could be found unable to pay its debts;

10. INFORMATION FOR ADS HOLDERS

- (i) Equity Share Withdrawal

As previously discussed in the notices to ADS holders made available on the Company's website on April 21, 2026 holders of ADSs will not be eligible to tender ADSs in the Buyback. In order for such holders to participate in the Buyback, they must become holders of Equity Shares as of the Record Date. They, therefore, need to (i) establish an account with a bank, broker or other nominee in India sufficiently in advance of the Record Date to receive the withdrawn Equity Shares in DR type electronic dematerialized form (a "Brokerage Account") prior to the Record Date, (ii) submit the desired number of ADSs to JPMorgan Chase Bank N.A., as the ADR depository (the "Depository") for cancellation and withdraw the underlying Equity Shares no later than three New York business days prior to the Record Date ("Equity Share Withdrawal") and (iii) after receiving the Equity Shares in the Brokerage Account, tender into the Buyback any or all such withdrawn Equity Shares when the offering period for the Buyback commences. The process to set up a Brokerage Account may be a lengthy process, and must be completed sufficiently prior to the Record Date such that any holder of ADSs that wishes to participate in the Buyback may effect an Equity Share Withdrawal no later than 3 (three) New York business days prior to the Record Date.

A registered holder of ADSs may surrender such ADSs to the Depository for cancellation along with requisite fees and a written order directing the Depository to cause the Equity Shares represented by the ADSs to be withdrawn and delivered to, or upon the written order of, any person designated in such order (the "Withdrawal Order"). Persons holding their ADSs through a bank, broker or other nominee must request such bank, broker or other nominee to surrender the ADSs to be cancelled, pay the requisite fees to the Depository and provide the Depository with the Withdrawal Order.

The Depository will charge such holder a fee of U.S. \$0.05 for each ADS surrendered for cancellation and may have other requirements before it permits withdrawal of Equity Shares. These fees are payable whether or not the withdrawn Equity Shares are accepted for tender in the Buyback. Each holder of ADSs that wishes to effect an Equity Share Withdrawal will be responsible for setting up its Brokerage Account, including providing any necessary documentation and know your customer documentation, and may incur customary fees, charges and expenses in connection therewith. The Depository will not assist ADS holders or other persons in establishing Brokerage Accounts in India. The Depository will on a best efforts basis endeavor to deliver the Equity Shares to your Brokerage Account in India. If they are not able to do so for whatever reason, they will not be liable for any losses you face in this regard.

You must be a holder of Equity Shares as of the Record Date to participate in the Buyback.

Equity Shares trade on the Stock Exchanges and cannot be traded on the NYSE. Due to uncertainties under Indian law and the terms of the deposit agreement, upon withdrawal of the Equity Shares underlying the ADSs, an equity holder currently **cannot re-deposit the Equity Shares back into the ADR program to receive ADSs**. There is no guarantee that any ADS holder that submits its ADSs for cancellation and withdrawal of the underlying Equity Shares will be able to tender successfully into the Buyback any or all of such Equity Shares. Equity Shares that are not accepted in the Buyback will remain outstanding, and the rights and obligations of any holder of such Equity Shares will not be affected.
- (ii) Buyback Price and Foreign Exchange Considerations

The Buyback Price is at a premium of 15.22% over the volume weighted average price of an ADS on the NYSE for the 60 trading days preceding the date of the notice to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback, i.e., April 9, 2026. The Buyback Price is at a premium of 26.67% over the volume weighted average market price of an ADS on the NYSE for 10 trading days preceding the date of intimation of record date to NYSE for the limited purpose of determining the eligibility of ADS holders to vote on the Postal Ballot for approving the Buyback i.e., April 9, 2026. The Buyback Price will be paid in Indian rupees. These amounts are based on the exchange rate of ₹92.25 (Rupees Ninety-Two and Twenty-Five Paise only) per USD as published by the Federal Reserve Board of Governors on April 8, 2026. Fluctuations in the exchange rate between the Indian rupee and the U.S. dollar will affect the U.S. dollar equivalent of the Buyback. Shareholders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

Participating in the Buyback may result in ADS holders receiving less proceeds than what could be obtained by selling ADSs on the NYSE.
- (iii) Tax and Regulatory Considerations

The taxation in India occurs at two potential stages. The law in India has recently changed, shifting the tax burden from the company to the shareholder:

 - (A) Stage 1: Conversion of ADSs to Equity Shares
 - There are no specific tax provisions in India that clarify the tax consequences of converting ADSs into underlying Equity Shares.
 - The prevailing view is this conversion is merely a change in the form of holding and not a "transfer" for tax purposes. If this view holds, the conversion itself should not trigger a capital gains tax liability in India.
 - This interpretation is not legally settled and has not been tested in court of law. Therefore, the risk of the tax authorities taking a contrary view cannot be entirely ruled out.
 - (B) Stage 2: Sale of Equity Shares pursuant to Buyback

This is a taxable event in India. Under the new tax regime (effective from the financial year 2026-27), shareholders are liable to pay capital gains tax.

ADS holders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback and requesting that the Depository effect an Equity Share Withdrawal, including advice related to any related regulatory approvals and U.S., Indian and other tax considerations. In addition, prior to submitting any ADSs for withdrawal, ADS holders are advised to confirm that they have a Brokerage Account in India that can take delivery of the Equity Shares.

Special notice to security holders in the United States

The Buyback is being made for securities of an Indian company and is subject to the laws of India. It is important for U.S. securities holders to be aware that the Buyback is subject to tender offer laws and regulations in India that are different from those in the U.S. and documents related to the Buyback will be prepared in accordance with Indian format and style, which differs from customary U.S. format and style. Certain U.S. federal securities laws apply to the Buyback as there are U.S. holders of Equity Shares and ADSs. The Buyback is being treated in the U.S. as one to which the "Tier I" exemption set forth in Rule 13e-4(h)(8) under the Securities Exchange Act of 1934, as amended, is applicable.
- (iv) Documents on Display

The Company is subject to the reporting and other informational requirements of the U.S. Securities Exchange Act of 1934, as amended, and, in accordance therewith, files reports and other information with the Securities and Exchange Commission ("SEC"), which can be inspected and its copies can be obtained at the prescribed rates from the Public Reference Section of the facility maintained by the SEC at 100 F Street, N.E., Washington D.C. 20549. The SEC maintains a website at www.sec.gov that contains reports, proxy and information statements, and other information regarding registrants that make electronic filings with the SEC using its EDGAR system.

If you have any questions regarding the Equity Share Withdrawal or the Buyback, please call the Company at +91-80-2844 0011. Please do not call the Depository with any questions related to the Buyback or any matter related to opening accounts in India. Registered holders may, however, contact the Depository about the procedure related to the cancellation of their ADSs. Those holding ADSs through a bank, broker or other nominee must contact such bank, broker or nominee with any questions they may have related to such cancellation procedures.

12. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

- 12.1. As required under the Buyback Regulations, the Company has fixed Friday, June 5, 2026 as the record date (the "Record Date") for determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback. Holders of ADSs will not be eligible to tender ADSs in the Buyback. In order for such holders to participate in the Buyback, they must take certain actions prior to the Record Date. For additional details concerning participation in the Buyback by ADS holders, see paragraph 10 above entitled "Information for ADS Holders". Eligible Shareholders will receive a letter of offer along with a Tender/Offer form indicating their entitlement.
- 12.2. As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode in accordance with the provisions of the Companies Act within 2 working days from the Record Date. If the Company receives a request from any Eligible Shareholder to receive a copy of the letter of offer in physical form, the same shall be provided.
- 12.3. The Equity Shares to be bought back as part of the Buyback are divided into two categories:
 - (i) A reserved category for small shareholders (defined hereinafter); and
 - (ii) A general category for all other shareholders.
- 12.4. As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on the Record Date, of not more than ₹2,00,000/- (Rupees Two Lakh only).
- 12.5. In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- 12.6. Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such shareholders with a common Permanent Account Number (the "PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity Shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from Central Depository Services (India) Limited ("CDSL") or National Securities Depository Limited ("NSDL" and together with CDSL, "Indian Depository").
- 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 12.8. The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

- 12.9. The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through demat account cannot exceed the number of Equity Shares held in that demat account.
- 12.10. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done as per the SEBI Circular on "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers Buy Back and Delisting".
- 12.11. Participation in the Buyback by shareholders may trigger tax on the consideration received on Buyback by them. Pursuant to amendments effective April 1, 2026, the tax on income from the buyback of shares is now levied directly on the shareholders. Previously from October 1, 2024, until March 31, 2026, buyback proceeds were fully taxed as deemed dividends at the shareholder's applicable slab rates. The original cost of acquiring the shares is recognized as a capital loss, which be set off against other capital gains. Here are the key features of the new system:

Aspect	Details
Tax Incidence	The tax is now payable by the shareholders on the gains made from the buyback, not by the Company
Nature of Income	The income is treated as Capital Gains in the hands of the shareholder.
Computation of Gains	Capital Gains are calculated as the difference between the buyback price offered by the Company and the shareholder's original cost of acquiring the shares.
Applicable Tax Rate	The rate depends on the holding period; <ul style="list-style-type: none"> • Long-Term Capital Gains (LTCG): For shares held over 12 months, a rate of 12.5% is applicable (with an exemption up to ₹1.25 lakhs). • Short-Term Capital Gains (STCG): For shares held for 12 months or less, the gains are taxed at applicable slab rates

- 12.12. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent in due course to the Eligible Shareholders.
- 13. PROCESS AND METHODOLOGY FOR BUYBACK**
- 13.1. The Buyback is open to all Eligible Shareholders (including holders of ADSs who submit the desired number of ADSs to the Depository for cancellation and withdraw the underlying Equity Shares from the ADR program no later than 12:00 p.m. Eastern Time on June 5, 2026) of the Company, holding Equity Shares either in physical or dematerialized form on the Record Date.

- It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS to the Registrar is not required.** After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted for Eligible Shareholders holding Equity Shares in demat form.

Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. - Eligible Shareholder holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents are submitted. Acceptance of the physical Equity Shares for Buyback shall be subject to verification as per the Buyback Regulations and any further directions issued in this regard. - The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India/Eligible Shareholder's bank, due to any reason, then such funds will be transferred to the concerned Stockbroker's settlement bank account for onward transfer to such Eligible Shareholders.
- For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account.
- In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the Indian Depositories, whereas funds pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by BSE and the Clearing Corporation from time to time.
- Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.
- In the case of inter depository, Clearing Corporations will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Further, release of IDT message shall be sent by target depository either based on

cancellation request received from Clearing Corporations or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target source depository, source Depository will cancel/release excess or unaccepted blocked shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.

- Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned back to the Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue a new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by Equity Shareholders holding Equity Shares in the physical form.
 - The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Buyback are completed.
 - The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
 - The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company opened for the Buyback (the "Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.

2. NECESSITY OF THE BUYBACK

2.1 The Buyback is being undertaken by the Company to return surplus funds to its equity shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:

- The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby enhancing the overall returns to shareholders;
- The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of up to 15% of the Buyback Size for Small Shareholders (as defined below). The Company believes that this reservation of up to 15% for Small Shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small Shareholders" under the Buyback Regulations;
- The Buyback would help in improving financial ratios like earnings per share and return on equity, by reducing the equity base of the Company; and
- The Buyback gives the Eligible Shareholders the choice to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

- that immediately following the date on which the Board Meeting is convened, i.e. April 16, 2026 or following the date on which the result of shareholders' resolution will be declared (the "Postal Ballot Resolution"), approving the Buyback, there will be no grounds on which the Company could be found unable to pay its debts;
- that as regards the Company's prospects for the year immediately following the date on which the Board Meeting is convened, i.e. April 16, 2026 or date of declaration of results of the Postal Ballot Resolution that, having regard to the Board's intention with respect to the management of Company's business during that year and to the amount and character of the financial resources which will, in the Board's view, be available to the Company during that year, the Company will be able to meet its liabilities as and when they fall due and will not be rendered insolvent within a period of one year from the date of the Board Meeting i.e. April 16, 2026 or the date of declaration of results of Postal Ballot Resolution; and

10. INFORMATION FOR ADS HOLDERS**(i) Equity Share Withdrawal**

As previously discussed in the notices to ADS holders made available on the Company's website on April 21, 2026 holders of ADSs will not be eligible to tender ADSs in the Buyback. In order for such holders to participate in the Buyback, they must become holders of Equity Shares as of the Record Date. They, therefore, need to (i) establish an account with a bank, broker or other nominee in India sufficiently in advance of the Record Date to receive the withdrawn Equity Shares in DR type electronic dematerialized form (a "Brokerage Account") prior to the Record Date, (ii) submit the desired number of ADSs to JPMorgan Chase Bank N.A., as the ADR depository (the "Depository") for cancellation and withdraw the underlying Equity Shares no later than three New York business days prior to the Record Date ("Equity Share Withdrawal") and (iii) after receiving the Equity Shares in the Brokerage Account, tender into the Buyback any or all such withdrawn Equity Shares when the offering period for the Buyback commences. **The process to set up a Brokerage Account may be a lengthy process, and must be completed sufficiently prior to the Record Date such that any holder of ADSs that wishes to participate in the Buyback may effect an Equity Share Withdrawal no later than 3 (three) New York business days prior to the Record Date.**

A registered holder of ADSs may surrender such ADSs to the Depository for cancellation along with requisite fees and a written order directing the Depository to cause the Equity Shares represented by the ADSs to be withdrawn and delivered to, or upon the written order of, any person designated in such order (the "Withdrawal Order"). Persons holding their ADSs through a bank, broker or other nominee must request such bank, broker or other nominee to surrender the ADSs to be cancelled, pay the requisite fees to the Depository and provide the Depository with the Withdrawal Order.

The Depository will charge such holder a fee of U.S. \$0.05 for each ADS surrendered for cancellation and may have other requirements before it permits withdrawal of Equity Shares. These fees are payable whether or not the withdrawn Equity Shares are accepted for tender in the Buyback. Each holder of ADSs that wishes to effect an Equity Share Withdrawal will be responsible for setting up its Brokerage Account, including providing any necessary documentation and know your customer documentation, and may incur customary fees, charges and expenses in connection therewith. The Depository will not assist ADS holders or other persons in establishing Brokerage Accounts in India. The Depository will on a best efforts basis endeavor to deliver the Equity Shares to your Brokerage Account in India. If they are not able to do so for whatever reason, they will not be liable for any losses you face in this regard.

You must be a holder of Equity Shares as of the Record Date to participate in the Buyback.

Equity Shares trade on the Stock Exchanges and cannot be traded on the NYSE. Due to uncertainties under Indian law and the terms of the deposit agreement, upon withdrawal of the Equity Shares underlying the ADSs, an equity holder currently **cannot re-deposit the Equity Shares back into the ADR program to receive ADSs.** There is no guarantee that any ADS holder that submits its ADSs for cancellation and withdrawal of the underlying Equity Shares will be able to tender successfully into the Buyback any or all of such Equity Shares. Equity Shares that are not accepted in the Buyback will remain outstanding, and the rights and obligations of any holder of such Equity Shares will not be affected.

(ii) Buyback Price and Foreign Exchange Considerations

The Buyback Price is at a premium of 15.22% over the volume weighted average price of an ADS on the NYSE for the 60 trading days preceding the date of the notice to the Stock Exchanges of the Board Meeting to consider the proposal of the Buyback, i.e., April 9, 2026. The Buyback Price is at a premium of 26.67% over the volume weighted average market price of an ADS on the NYSE for 10 trading days preceding the date of intimation of record date to NYSE for the limited purpose of determining the eligibility of ADS holders to vote on the Postal Ballot for approving the Buyback i.e., April 9, 2026. The Buyback Price will be paid in Indian rupees. These amounts are based on the exchange rate of ₹92.25 (Rupees Ninety-Two and Twenty-Five Paise only) per USD as published by the Federal Reserve Board of Governors on April 8, 2026. Fluctuations in the exchange rate between the Indian rupee and the U.S. dollar will affect the U.S. dollar equivalent of the Buyback. Shareholders are urged to obtain current exchange rate information before making any decision with respect to the Buyback.

Participating in the Buyback may result in ADS holders receiving less proceeds than what could be obtained by selling ADSs on the NYSE.

(iii) Tax and Regulatory Considerations

The taxation in India occurs at two potential stages. The law in India has recently changed, shifting the tax burden from the company to the shareholder:

- Stage 1: Conversion of ADSs to Equity Shares
 - There are no specific tax provisions in India that clarify the tax consequences of converting ADSs into underlying Equity Shares.
 - The prevailing view is this conversion is merely a change in the form of holding and not a "transfer" for tax purposes. If this view holds, the conversion itself should not trigger a capital gains tax liability in India.
 - This interpretation is not legally settled and has not been tested in court of law. Therefore, the risk of the tax authorities taking a contrary view cannot be entirely ruled out.

- Stage 2: Sale of Equity Shares pursuant to Buyback
 - This is a taxable event in India. Under the new tax regime (effective from the financial year 2026-27), shareholders are liable to pay capital gains tax.

ADS holders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback and requesting that the Depository effect an Equity Share Withdrawal, including advice related to any related regulatory approvals and U.S., Indian and other tax considerations. In addition, prior to submitting any ADSs for withdrawal, ADS holders are advised to confirm that they have a Brokerage Account in India that can take delivery of the Equity Shares.

Special notice to security holders in the United States

The Buyback is being made for securities of an Indian company and is subject to the laws of India. It is important for U.S. securities holders to be aware that the Buyback is subject to tender offer laws and regulations in India that are different from those in the U.S. and documents related to the Buyback will be prepared in accordance with Indian format and style, which differs from customary U.S. format and style. Certain U.S. federal securities laws apply to the Buyback as there are U.S. holders of Equity Shares and ADSs. The Buyback is being treated in the U.S. as one to which the "Tier I" exemption set forth in Rule 13e-4(h)(8) under the Securities Exchange Act of 1934, as amended, is applicable.

(iv) Documents on Display

The Company is subject to the reporting and other informational requirements of the U.S. Securities Exchange Act of 1934, as amended, and, in accordance therewith, files reports and other information with the Securities and Exchange Commission ("SEC"), which can be inspected and its copies can be obtained at the prescribed rates from the Public Reference Section of the facility maintained by the SEC at 100 F Street, NE, Washington D.C. 20549. The SEC maintains a website at www.sec.gov that contains reports, proxy and information statements, and other information regarding registrants that make electronic filings with the SEC using its EDGAR system.

If you have any questions regarding the Equity Share Withdrawal or the Buyback, please call the Company at +91-80-2844 0011. Please do not call the Depository with any questions related to the Buyback or any matter related to opening accounts in India. Registered holders may, however, contact the Depository about the procedure related to the cancellation of their ADSs. Those holding ADSs through a bank, broker or other nominee must contact such bank, broker or nominee with any questions they may have related to such cancellation procedures.

Previously from October 1, 2024, until March 31, 2026, buyback proceeds were fully taxed as deemed dividends at the shareholder's applicable slab rates. The original cost of acquiring the shares is recognized as a capital loss, which is set off against other capital gains. Here are the key features of the new system:

Aspect	Details
Tax Incidence	The tax is now payable by the shareholders on the gains made from the buyback, not by the Company
Nature of Income	The income is treated as Capital Gains in the hands of the shareholder.
Computation of Gains	Capital Gains are calculated as the difference between the buyback price offered by the Company and the shareholder's original cost of acquiring the shares.
Applicable Tax Rate	The rate depends on the holding period: <ul style="list-style-type: none"> Long-Term Capital Gains (LTCG): For shares held over 12 months, a rate of 12.5% is applicable (with an exemption up to ₹1.25 lakhs). Short-Term Capital Gains (STCG): For shares held for 12 months or less, the gains are taxed at applicable slab rates

13.12. Procedure to be followed by Eligible Shareholders holding Equity Shares in the dematerialized form:

- Eligible Shareholders who desire to tender their Equity Shares in dematerialized form under the Buyback would have to do so through their respective Stockbroker by indicating the details of Equity Shares they intend to tender under the Buyback.
- The Stockbroker would be required to place an order bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Stock Exchanges. For further details, Eligible Shareholders may refer to the circulars issued by the Stock Exchanges and Indian Clearing Corporation Limited and the National Securities Clearing Corporation (collectively referred to as the "Clearing Corporations").
- The details and the settlement number under which the lien will be marked on the Equity Shares tendered for the Buyback will be provided in a separate circular to be issued by the Stock Exchanges and/or the Clearing Corporation.
- The lien shall be marked by the Stockbroker in the demat account of the Eligible Shareholder for the shares tendered in tender offer. Details of shares marked as lien in the demat account of the Eligible Shareholder will be provided by the Indian Depositories to Clearing Corporation. In case, the shareholders demat account is held with one depository and clearing member pool and Clearing Corporation Account is held with other Indian Depositories, shares shall be blocked in the shareholders demat account at source depository during the tendering period. Inter Indian Depositories tender offer (the "IDT") instructions shall

be initiated by the shareholders at source depository to clearing member/ Clearing Corporation account at target depository. Source depository shall block the shareholder's securities (i.e., transfers from free balance to blocked balance) and send IDT messages to target depository for confirming creation of lien. Details of shares blocked in the shareholders demat account shall be provided by the target depository to the Clearing Corporation.

- For custodian participant orders for demat Equity Shares, early pay-in is mandatory prior to confirmation of order/bid by custodian. The custodian participant shall either confirm or reject the orders not later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.
- Upon placing the bid, the Stockbroker shall provide a Transaction Registration Slip (the "TRS") generated by the exchange bidding system to the Eligible Shareholder. The TRS will contain the details of the order submitted like bid ID number, application number, DP ID, client ID, number of Equity Shares tendered, etc. In case of non-receipt of the completed tender form and other documents, but lien marked on Equity Shares and a valid bid in the exchange bidding system, the bid by such Eligible Shareholder shall be deemed to have been accepted.
- It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS to the Registrar is not required. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted for Eligible Shareholders holding Equity Shares in demat form.
- Eligible Shareholders will have to ensure that they keep the depository participant (the "DP") account active and unblocked. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any Equity Shares are tendered to Clearing Corporation, excess dematerialized Equity Shares or unaccepted dematerialized Equity Shares, if any, tendered by the Eligible Shareholders would be returned to them by Clearing Corporation. If the security transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder broker's depository pool account for onward transfer to the Eligible Shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be refunded to the respective custodian depository pool account.
- Eligible Shareholders who have tendered their demat shares in the Buyback shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not limited to): (a) duly attested power of attorney, if any person other than the Eligible Shareholder has signed the tender form; (b) duly attested death certificate and succession certificate/legal heirship certificate, in case any Eligible Shareholder is deceased, or court approved scheme of merger/amalgamation for a company; and (c) in case of companies, the necessary certified corporate authorizations (including board and/or general meeting resolution).

13.13. Procedure to be followed by Eligible Shareholders holding Equity Shares in the physical form:

In addition, if the address of an Eligible Shareholder has undergone a change from the address registered in the Register of Members of the Company, the Eligible Shareholder would be required to submit a self-attested copy of address proof consisting of any one of the following documents: valid Aadhar Card, Voter Identity Card or Passport.
- Based on these documents, the Stockbroker shall place the bid on behalf of the Eligible Shareholder holding Equity Shares in physical form who wishes to tender Equity Shares in the Buyback using the Acquisition Window of the Stock Exchanges. Upon placing the bid, the Stockbroker shall provide a TRS generated by the Stock Exchanges' bidding system to the Eligible Shareholder. The TRS will contain the details of the order submitted like folio number, certificate number, distinctive number, number of Equity Shares tendered, etc.
- The Stockbroker has to deliver the original share certificate(s) and documents (as mentioned above) along with the TRS either by registered post or courier or hand delivery to the Registrar (at the address mentioned at paragraph 15 below or the collection centers of the Registrar details of which will be included in the Letter of Offer) within two days of bidding by the Stockbroker. The envelope should be superscribed as "Wipro Buyback Offer 2026". One copy of the TRS will be retained by the Registrar and it will provide acknowledgement of the same to the Stockbroker/Eligible Shareholder.
- Eligible Shareholder holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents are submitted. Acceptance of the physical Equity Shares for Buyback shall be subject to verification as per the Buyback Regulations and any further directions issued in this regard. The Registrar will verify such bids based on the documents submitted on a daily basis and till such time the Stock Exchanges shall display such bids as 'unconfirmed physical bids'. Once the Registrar confirms the bids, it will be treated as 'confirmed bids'.
- In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialisation, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialised is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.
- An unregistered shareholder holding Equity Shares in physical form may also tender their Equity Shares in the Buyback by submitting the duly executed transfer deed for transfer of shares, purchased prior to the Record Date, in their name, along with the offer form, a copy of their PAN card and of the person from whom they have purchased shares and other relevant documents as required for transfer, if any.
- Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

13.14. METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

- The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market.
- The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India/Eligible Shareholder's bank, due to any reason, then such funds will be transferred to the concerned Stockbroker's settlement bank account for onward transfer to such Eligible Shareholders.
- For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account.
- In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Stockbroker's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the Indian Depositories, whereas funds pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by BSE and the Clearing Corporation from time to time.
- Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.
- In the case of inter depository, Clearing Corporations will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Further, release of IDT message shall be sent by target depository either based on

cancellation request received from Clearing Corporations or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target source depository, source Depository will cancel/release excess or unaccepted blocked shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.

- Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned back to the Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue a new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by Eligible Shareholders holding Equity Shares in the physical form.
- The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Buyback are completed.
- The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
- The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company opened for the Buyback (the "Company Demat Account") provided it is indicated by the Company's Broker or to be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.
- Eligible Shareholders who intend to participate in the Buyback should consult their respective Stockbroker for any cost, applicable taxes, charges and expenses (including brokerage), stamp duty etc., that may be levied including by the Stockbroker upon the Eligible Shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage and/or stamp duty) incurred solely by the Eligible Shareholders. The Stockbroker(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback.

13.15. The Equity Shares lying to the credit of the Company Demat Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.
