- Notes:**
- 1

The financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with rule 3 of the Companies (India Accounting Standards) Rules, 2015 and relevant rules amended thereafter. The standalone and consolidated financial results of the Company, will be available on the website of BSE (www.bseindia.com) or/and NSE (www.nseindia.com) and on Company's website (www.ltgroup.in).
- 2

The Company and it's subsidiaries (the "Group") are primarily engaged in the business of manufacturing, trading and marketing of rice which is a single primary reportable segment as per Indian Accounting Standard " Operating Segment" ("IND AS 108") which is in line with review of operating result by chief operating decision maker.
- 3

The Group has Insurance claim recoverable (classified into non-current assets) amounting to ₹13,410.53 lakhs as at September 30, 2021. The claim is attributable to the loss of raw material, incurred by the Group, due to major fire which had occurred in the work premises of the Subsidiary Company in India in FY 2014-15. The Group had recognized the insurance claim recoverable (asset) amounting to ₹17,810.88 lakhs in FY 2014-15, based on management's assessment of loss amount and positive outcome in the surveyors' reports then appointed by the Insurance Agency. Later on, the Insurance Agency repudiated the insurance claim vide its order dated February 4, 2016, against which the Subsidiary Company had filed a civil suit with District Court of Raissen, Bhopal, the outcome of which is pending. On the basis of developments in the case including the surveyor's report (subsequent to reports submitted by surveyors appointed by the Insurance Agency during the initial phase and which were the basis for the Group to recognize such asset), the Group had written off claim amounting to ₹4,400 lakhs in FY 2015-16. The Group, based on management's assessment of facts of the case and opinion obtained from the external legal counsels, has concluded that it holds merits and good probability to win the case, as the claim has irregularly been repudiated.
- 4

The Group is engaged into the business of manufacturing and selling rice and therefore, its business falls under the category to provide 'essential services'. Due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, the State Government has granted permission to the Group to run its operations and based on management's assessment upto the date of approval of this Statement, the Group is very well equipped with a robust supply chain network and has no shortage with respect to raw material, including stock of paddy and rice, to fulfil the demand from both India and international markets. The Group has implemented risk mitigation strategies for the health and wellness of its employees/ workers and plant has been operating with all and necessary adherence to the guidelines issued by the respective authorities. Based on management's assessment of the impact on Group's operations, financial performance and position as at and for the period ended September 30, 2021, it has been concluded that there is no impact which is required to be recognized in these financial results. Accordingly, no adjustments have been made to these financial results.
- 5

The above financial results were reviewed by the Audit Committee and approved by the Board of Directors on October 29, 2021.
- 6

Notice is hereby given that pursuant to the provisions of Section 91 of the Companies Act, 2013, the Board of Directors of the Company in their meeting held on October 29, 2021 have declared Interim Dividend of ₹0.50 per share on equity share of ₹1/- each, fully paid-up for the financial year 2021-2022. - Notes:**
- The financial results have been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting' as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with rule 3 of the Companies (India Accounting Standards) Rules, 2015 and relevant rules amended thereafter. The standalone and consolidated financial results of the Company, will be available on the website of BSE (www.bseindia.com) or/and NSE (www.nseindia.com) and on Company's website (www.ltgroup.in).
 - The Company and its subsidiaries (the "Group") are primarily engaged in the business of manufacturing, trading and marketing of rice which is a single primary reportable segment as per Indian Accounting Standard "Operating Segment" ("IND AS 108") which is in line with review of operating result by chief operating decision maker.
 - The Group has Insurance claim recoverable (classified into non-current assets) amounting to ₹13,410.53 lakhs as at September 30, 2021. The claim is attributable to the loss of raw material, incurred by the Group, due to major fire which had occurred in the work premises of the Subsidiary Company in India in FY 2014-15. The Group had recognized the insurance claim recoverable (asset) amounting to ₹17,810.88 lakhs in FY 2014-15, based on management's assessment of loss amount and positive outcome in the surveyors' reports then appointed by the Insurance Agency. Later on, the Insurance Agency repudiated the insurance claim vide its order dated February 4, 2016, against which the Subsidiary Company had filed a civil suit with District Court of Raipur, Bhopal, the outcome of which is pending. On the basis of developments in the case including the surveyor's report (subsequent to reports submitted by surveyors appointed by the Insurance Agency during the initial phase and which were the basis for the Group to recognize such asset), the Group had written off claim amounting to ₹4,400 lakhs in FY 2015-16. The Group, based on management's assessment of facts of the case and opinion obtained from the external legal counsels, has concluded that it holds merits and good probability to win the case, as the claim has irregularly been repudiated.
 - The Group is engaged into the business of manufacturing and selling rice and therefore, its business falls under the category to provide 'essential services'. Due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, the State Government has granted permission to the Group to run its operations and based on management's assessment upto the date of approval of this Statement, the Group is very well equipped with a robust supply chain network and has no shortage with respect to raw material, including stock of paddy and rice, to fulfil the demand from both India and international markets. The Group has implemented risk mitigation strategies for the health and wellness of its employees/ workers and plant has been operating with all and necessary adherence to the guidelines issued by the respective authorities. Based on management's assessment of the impact on Group's operations, financial performance and position as at and for the period ended September 30, 2021, it has been concluded that there is no impact which is required to be recognized in these financial results. Accordingly, no adjustments have been made to these financial results.
 - The above financial results were reviewed by the Audit Committee and approved by the Board of Directors on October 29, 2021.
