Asus Pad T3201 Premium Android Tablet Will Be Available for Sale from August 6 in India

New Delhi | BR Team

Asus has revealed the price of its new premium Android tablet Asus Pad T3201 for the Indian market. This tablet comes with features like a 12.2-inch 2.8K dual-layer OLED display, 144Hz refresh rate, MediaTek D8300 processor and a 9,000mAh battery. The company says that this tablet has been designed keeping entertainment, creativity, study and productivity in mind. Asus Pad has been introduced with 8GB RAM and storage options of 128GB and 256GB.

The starting price of Asus Pad T3201 in India has been set at Rs. 45,990, which includes the 8GB + 128GB model, while the 8GB + 256GB model will be available at Rs. 49,990. Its sale will start from August 6, 2026, on Flipkart, Asus eShop, Asus and ROG Stores, Reliance Digital and authorised Asus retail stores. The company is also

offering up to 12 months of No Cost EMI, with the starting instalment of Rs. 3,833 per month.

Asus Pad features a 12.2-inch 2.8K (2800x1840 pixels) dual-layer OLED display, which comes with a 3:2 aspect ratio, 144Hz refresh rate and 92% screen-to-body ratio. The display offers 600 nits typical brightness and up to 2,000 nits peak brightness. It also comes with DCI-P3 100% colour coverage, TÜV Low Flicker and Low Blue Light certifications. The tablet also supports Asus Pen 2.0 and above styluses.

For performance, the tablet is equipped with MediaTek D8300 octa-core processor, which has a maximum clock speed of 3.35GHz. It comes with 8GB LPDDR5X RAM and storage options of 128GB and 256GB UFS 3.1. The storage can be expanded up to 1TB with the help of a

microSD card. The tablet runs on Android 16 and comes with connectivity features like Wi-Fi 6E and Bluetooth 5.3.

For audio, Asus Pad comes with four speakers

supporting Dolby Atmos, which claim to provide a 360-degree cinematic sound experience. For photography, it has a 13MP rear camera and a 5MP front camera. The front camera also supports the Face Unlock feature. The tablet comes with sensors like Accelerometer, Gyroscope, Hall Sensor and Light Sensor. It also features a USB 3.0 Type-C port that supports DisplayPort 1.4 and PD 3.0.

For power, Asus Pad comes with a 9,000mAh Lithium-Polymer battery, which can be charged through a 45W USB Type-C fast charger.

According to the company, this charger can charge the battery up to 50% in around 30 minutes. The tablet weighs 523 grams and has a thickness of 6.5mm.

Casio's Smart Ring-Watch Launched

New Delhi | BR Team

Amid the growing trend of smart rings, Casio has introduced a unique gadget that may surprise many. The company has transformed a smart ring and smartwatch into a single gadget. This new wearable can be worn on the finger like a ring, but it can also show time like a smartwatch and provides health tracking features. The company has called it a smart ring watch, meaning it is both a ring and a smartwatch! Both gadgets are combined into a single wearable. It has been launched with the name CRW-H001M-8. Let's know about its price and the special features available in it.

Casio CRW-H001M-8 Ring Watch Price

Casio CRW-H001M-8 smart ring watch has been introduced by the company in the Chinese market. Its price is 1990 yuan (approximately Rs. 28,000). The company may launch it in the global market soon. It has currently been launched in a single silver colour. It is available for purchase on the official website. The ring-watch comes with a special presentation box.

Casio CRW-H001M-8 Ring Watch Features

Casio CRW-H001M-8 is a mini

smartwatch that can also be used like a smart ring. It is very small in size and looks exactly like a ring. It has an LCD display, below which a complete health monitoring module is provided.

Casio ring watch comes with several health monitoring features. It can track heart rate, monitor blood oxygen levels, track sleep and also measure body temperature. Along with this, it can also track your daily activities. It can track daily steps, calorie burn, as well as sports modes like walking, running, cycling etc. All this health-fitness data can be viewed on your connected smartphone.

For this, the AIZO Ring app can be used.

The ring watch comes with a vibration motor. It vibrates during incoming calls, messages, alarms etc. All standard Casio features are available in it, including stopwatch, alarm, LED backlighting and automatic calendar. Regarding the battery, the company claims that it provides 25 days of standby time and can last for 4 to 6 days with normal usage. The company has introduced it in three sizes including small, medium and large. Its dimensions are 25.3 x 19.5 x 6 mm and it weighs 19 grams.

Tata Punch EV Gets 5-Star Rating in Bharat NCAP

New Delhi | BR Team

Tata Motors' Punch EV, which holds a significant share in the electric vehicle (EV) market in the country, has strengthened its position as a safe compact electric SUV. Punch EV has received a 5-star rating in the Bharat NCAP rating. This rating is applicable to all variants of this electric SUV.

According to the report, Punch EV scored 31.09 points out of 32 in Adult Occupant Protection and 45 points out of 49 in Child Occupant Protection in this test. This shows that Tata Motors has placed a strong focus on safety in its electric vehicles. All variants of Punch EV come with standard safety features. These include Electronic Stability Control, side head curtain airbags and seat belt reminders for every seating position. Punch EV has received strong scores in most of the tests for Adult Occupant Protection and Child Occupant Protection.

Safety has been given priority in all variants of this electric SUV. In the electric passenger vehicle market, Tata Motors recorded sales of

12,187 units in June. For Tata Motors, this is a growth of more than 126 percent on a year-on-year basis. Recently, the company had stated that one out of every three new bookings received in June was for an EV. In the first quarter of the current financial year, the company's EV sales increased by around 112 percent year-on-year to 34,467 units. Last month, the sales of electric passenger vehicles stood at 31,823 units. This is a growth of 107.75 percent on a year-on-year basis. Tata Motors holds the first position in the electric passenger vehicle segment.

Last month, Tata Motors launched Sierra EV. In this electric SUV, some design changes have been made compared to its Internal Combustion Engine (ICE) model. The prices of Sierra EV range between Rs. 18.79 lakh (ex-showroom) and Rs. 24.79 lakh (ex-showroom). Sales of electric passenger vehicles in the country are expected to grow rapidly. In this financial year, the share of electric passenger vehicles in total sales may increase to six-eight percent. In the previous financial year, this figure was around 4.37 percent.

7500mAh Battery, 50MP Camera with Honor X6e 4G Budget Phone Launched

New Delhi | BR Team

Honor has launched a new budget phone Honor X6e 4G in the market. The company has provided some powerful features in the phone. It is equipped with MediaTek Helio G81 Ultra chipset. The phone comes with a 7,500mAh battery. It is equipped with an IP64 rating that protects the phone from damage caused by dust and water. Let's know about its camera, memory and other features.

Honor X6e 4G Price

Honor X6e 4G has been launched by the company in the Malaysian market. The 4GB+128GB variant of the phone is priced at RM 699 (approximately Rs. 16,000). The phone can be purchased from the company's official website Honor Malaysia in Malaysia. The phone has been launched in

Sunrise Gold and Midnight Black colours.

Honor X6e 4G Specifications

Honor X6e 4G comes with a 6.61-inch TFT display. It is equipped with an LCD panel. It offers a resolution of 1604 x 720 pixels. It supports 16.7 million colours. The phone's display is protected with aluminosilicate glass. It supports multi-touch input. The display also includes eye comfort and dynamic dimming features.

Honor X6e 4G is powered by MediaTek Helio G81 Ultra chipset. The phone comes with 4GB RAM and 128GB internal storage. It also supports 4GB virtual RAM. This means the phone supports up to 8GB RAM in total. The phone runs on MagicOS 10.0 out of the box, which is based on Android 16.

China IP trail unmasks ₹1.79cr scam

Hosps allegedly siphoned public money by submitting forged records, including claims in names of deceased beneficiaries

Anish Patil
anish.patil@timesofindia.com

What began as a cyberattack traced to a China-based IP address has uncovered an alleged Rs 1.79-crore medical claims scam, exposing claims that hospitals siphoned off public money using forged medical records, including treatment claims in the names of deceased patients.

According to investigators, the Jeevandayee portal and its associated systems were hit by a malware attack. A case was registered at Mumbai Police's Central Cyber Police Station in June, and investigators reportedly traced the digital trail to a China-based IP address. Although the cyber probe reached a dead end after the trail led overseas, health officials began manually verifying suspicious claims and uncovered an alleged medical claims fraud.

Verification reveals bogus claims

The government had initially flagged 15,407 claims submitted between July 1, 2024, and February 23, 2026, after mobile numbers linked to them were used to claim more than Rs 5 lakh in a year. District health officials in

Nashik were directed to physically verify beneficiaries.

Of the 9,242 suspicious cases identified in Nashik, officials initially verified 4,200 beneficiaries and found several hundred questionable claims. A subsequent joint report by the district health officer and civil surgeon identified 392 suspicious cases from Deola, Kalwan and Dindori talukas. Since complete information was unavailable in 31 cases, action was initiated on the remaining 361 verified claims.

Officials found that several beneficiaries had either received treatment at hospitals other than those mentioned in the claims or had not undergone treatment at all. In some instances, claims had allegedly been filed in the names of people who were already dead. Claims worth Rs 1.79 crore were allegedly cleared based on forged medical records.

Following the verification, the Worli Police registered an FIR against the owners, operators, authorised signatories and others associated with Shiv Multispeciality and Critical Care Hospital, Nashik Grace Hospital and Rishikesh Hospital. The accused include Dr Trilok Patil, Rahul Sriram Patil, Prashant Jadhav, Pritam Sahebrao Pachpute and Sagar Vitthal Patil, along with others allegedly

linked to the three hospitals. No arrests had been made at the time of going to press.

Three hospitals under scanner

The largest number of disputed claims was allegedly linked to Shiv Multispeciality and Critical Care Hospital. Officials found that 156 patients had reportedly been treated elsewhere, while seven claims were allegedly filed in the names of deceased persons. The hospital is accused of submitting 163 fraudulent claims worth Rs 71.83 lakh.

At Nashik Grace Hospital, officials found that 119 patients had received treatment elsewhere, while seven claims were allegedly made in the names of deceased beneficiaries. The hospital allegedly submitted 126 fraudulent claims worth Rs 62.13 lakh.

Rishikesh Hospital is accused of submitting 72 disputed claims worth Rs 45.45 lakh. Officials said 64 patients had been treated at other hospitals, while eight claims were allegedly filed in the names of deceased persons.

Probe widens

Investigators suspect the hospitals used beneficiaries' documents to

Jeevandayee Bhavan, the headquarters of state-run health insurance schemes, from where the alleged fraud came under scrutiny

fabricate treatment records, uploaded forged papers to the government portal and fraudulently obtained funds under the integrated Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana and Mahatma Jyotirao Phule Jan Arogya Yojana.

The three hospitals were issued notices on July 16 and summoned before the scheme's disciplinary committee on July 24. Their authorised representatives did not appear and instead sought additional time to submit explanations and supporting documents. The request

was rejected, following which the committee classified the identified claims as fraudulent and recommended criminal prosecution and financial penalties.

Police are also examining whether the suspected cyberattack was intended to destroy evidence linked to the alleged fraudulent claims and whether those behind the intrusion had any connection with the hospitals. The role of hospital staff, intermediaries and others who allegedly facilitated the fraud remains under investigation.

Akal Takht rejects Punjab's reply on anti-sacrilege law

Govt Accepted All Suggestions, Claims AAP

Times News Network

Chandigarh/Amritsar/Pereroor: The Akal Takht Thursday rejected Punjab's revised response on the anti-sacrilege legislation, saying it doesn't reflect the consensus reached on the June 29 meeting with Sikh MLAs, even as AAP MP Malvinder Singh Kang said the Bhagwant Mann government has accepted the Akal Takht's suggestions and will bring amendments in the upcoming assembly session.

The Akal Takht constituted a committee of Sikh legal experts and scholars Thursday to build a consensus on the proposed amendments within two months—before any legislation is taken up in assembly.

Officiating Akal Takht jathedar Giani Kuldip Singh Gargaj described the government's response as "unsatisfactory".

Officiating Akal Takht jathedar Giani Kuldip Singh Gargaj described the government's response as "unsatisfactory".

While the door for dialogue remains open, Govt must "approach the issue with sincerity" and not attempt "cleverness", he said.

According to Giani Gargaj, Govt had assured Akal Takht that the contentious provisions would be addressed but the revised draft submitted Wednesday accepted only a part of the objections while retaining Govt's stand on all major issues.

At a gathering of devotees in Pereroor, Giani Gargaj reminded that the Akal Takht was established by the Sikh gurus and "those who clash with it have never succeeded".

Kang clarified that Punjab's Govt has no intention of interfering in Sikh religious affairs, Sikh Rehat Mayada, or the rights of religious institutions, and that the law is meant solely to ensure strictest punishment for offenders.

Double-murder life convict dies after jumping into furnace

Rashmi Drolia@timesofindia.com

Raipur: A 46-year-old life convict serving sentence in a double murder case died Wednesday after he jumped into a blazing gas furnace inside Bilaspur Central Jail, raising concerns over inmate welfare at Chhattisgarh's largest high-security prison.

The deceased, Rahil alias Villesh Kanwar, a resident of Jaipur-Champa district, was in jail since 2014 after being convicted in a double murder case. The death took place inside the prison's kitchen complex, where a gasifier plant converts wood into fuel gas used for cooking meals for inmates. Officials said the furnace was operational when Rahil rushed towards it and jumped into the burning chamber before jail personnel could stop him.

The impact of the intense heat was such that the body could not be immediately retrieved. Officials said it could be taken out only after the furnace cooled down.

Bilaspur collector Sanjay Agrawal and SSP Rajesh Singh rushed to the jail along with police and forensic teams to inspect the spot and begin an investigation.

Hyd cops name Meta India head in PM post cases

Mahesh Buddi@timesofindia.com

Hyderabad: Cybercrime police in Hyderabad have registered two cases against operators of several Facebook and Instagram accounts and parent company Meta's India head over allegedly morphed and objectionable content targeting PM Narendra Modi during CoCo-

ach Janta Party (CJP)-led NREIT paper leak agitation. Cases were filed on complaints by BJP supporters alleging manipulated videos and images of the PM were circulated on social media. Police involved relevant provisions of BNS and IT Act, naming operators of identified accounts and Meta's India head as co-accused.

"We have issued a notice to Meta about the cases registered and the objectionable links reported by the complainants. We are also trying to collect details about the accused to identify and arrest them," a cyber-crime investigator said.

By Thursday evening, all links cited in the complaints had become inactive. However, police said they were tracing operators behind these social media accounts.

One of the complainants was T Sankaran Goud, 32, a social media core-committee member of Telangana BJP. He submitted 20 Facebook and Instagram links and sought action against Meta for hosting the content.

In a separate complaint, BJP supporter S Aravind Reddy of Nampally alleged some Instagram handles circulated "obscene" videos and images. "I came across multiple morphed and digitally manipulated videos and images depicting the PM, US President and former Union minister Dharmendra Pradhan in an obscene, derogatory and misleading manner. Such content has the potential to mislead the public and spread misinformation," he alleged.

M. Tech in Industrial Systems Engineering For Working Professionals - 2026
Application Deadline: 23/08/2026

Defence Institute of Advanced Technology is an autonomous organization, fully funded by the Department of Defence Research & Development, Ministry of Defence established with the objective of imparting Post Graduate Education in Engineering and Applied Sciences on thrust areas relevant to Defence, Industries, R&D and to conduct research in the Core areas of Defence Technologies.

DIAT invites applications for the M.Tech in Industrial Systems Engineering for Working Professionals.

1. M.Tech in Industrial Systems Engineering (Model Based Systems Engineering)
2. M.Tech in Industrial Systems Engineering (Radar Systems and Technologies)

The M.Tech in Industrial Systems Engineering for Working Professionals is a weekend program that does not affect regular working hours. Details of the programme, application form and other terms and conditions are available on the website www.diat.ac.in

GRATITUDE MEETS BUSINESS

First impressions matter

From festive hampers to wedding presents, gift wrapping is turning everyday packages into memorable experiences

Artha Neog
@timesofindia.com

The joy of receiving a gift often begins with its presentation. Thoughtful details such as crisp folds, carefully placed ribbons or a handwritten message can elevate even the simplest present, turning the act of giving into a memorable experience. The

Changing consumer expectations are prompting manufacturers to innovate with wrapping paper, moving beyond its traditional role as a mere cover

This growing emphasis on presentation is fueling a thriving market. Valued at over USD 720 million, India's gift-wrapping products industry is benefiting from the country's deep-rooted gifting traditions tied to festivals, weddings and family occasions, alongside the expansion of retail and e-commerce. From vibrant ceremonial papers and playful printed designs to sustainable handcrafted wraps and high-end metallic finishes, consumers today have access to a wide range of options that cater to their desire for gifting experiences that feel meaningful, personal-

consumers increasingly seek papers, ribbons and embellishments that reflect their personal style while aligning with sustainability goals.

CHANGING CONSUMER EXPECTATIONS

Gift wrapping papers have evolved far beyond plain

festive prints and standard rolls. Markets now offer everything from handcrafted papers and metallic finishes to textured sheets, and customised prints tailored to specific occasions or personalities. The growing demand for distinctive gifting experiences is

encouraging manufacturers to experiment with materials, colours, and themes that transform wrapping paper into a powerful design statement rather than a simple covering.

The market is also witnessing a shift towards more creative and con-

scious choices. Eco-friendly packaging alternatives are gaining popularity among consumers looking to reduce waste.

BEYOND TRADITIONAL OFFERINGS

The world of gift wrapping

is also embracing creativity through themed and novelty designs, with everything from quirky food-inspired patterns to occasion-focused prints. Customised wraps that mirror a recipient's interests, along with unconventional options such as fabric or newspaper

packaging, are turning the outer layer into an extension of the gift itself. More than mere embellishments, the paper, ribbons and finishing details now help narrate the thought and effort behind the gesture, making the entire gifting experience more memorable.

YOU SAID IT

Pocso court jails man till end of life

A special Pocso court in Varanasi sentenced a 35-year-old man to life imprisonment for the rest of his life after convicting him of sexual assault and circulating child sexual abuse material, holding that stringent punishment was necessary to deter such crimes. The court also directed the district magistrate to formulate an awareness drive at school and community levels. Special judge (Pocso) Nitin Pandey sentenced Ravi Patel under section 6 of Pocso Act. All sentences will run concurrently. The court ordered 70% of the total fine of Rs 2.8 lakh be paid to the survivor for higher education and rehabilitation. **TMN**

'Dead' woman wakes up on way to funeral

In a bizarre incident, a 65-year-old woman declared dead by a hospital in Bareilly was found breathing nearly 24 hours later while being taken to Agra for her last rites. Sheela Devi, who was being treated for a liver ailment, is now in critical condition at a private hospital in Agra. Relatives noticed movements during the journey and rushed her for emergency care. The incident has raised concerns over death certification. A doctor said such errors, though rare, can occur if a patient is in deep coma or has a weak pulse. **TMN**

'Transport Pollution Killed One Every 6 Mins In 2024'

Kushagra Dixit
@timesofindia.com

New Delhi: Every six minutes, one Indian died prematurely because of air pollution from road transport in 2024. Every 34 minutes, a child developed asthma linked to the same pollution. Together, vehicle emissions were responsible for an estimated 30,000 premature deaths in India — second only to China's 1.7 lakh — and 15,300 new paediatric asthma cases in 2024, according to a new study by International Council on Clean Transportation (ICCT).

The study says an accelerated shift to zero-emission vehicles could save 17 lakh lives in India by 2050.

The health burden is particularly severe in Delhi-NCR region. Air pollution there caused an estimated 2,800 premature deaths and 1,500 new paediatric asthma cases in 2024.

15K NEW PAEDIATRIC ASTHMA CASES IN 2024

► Premature deaths from road transport pollution in India in 2024: 30,000
► New paediatric asthma cases: 15,300
► 1 death every 6 minutes
► 1 childhood asthma case every 34 minutes
► India ranks 2nd globally after China in transport pollution-related deaths

DELHI-NCR FIGURES

NCR: 8,100 premature deaths; 3,500 paediatric asthma cases
Delhi: 2,800 premature deaths; 1,500 paediatric asthma cases
Delhi's transport-related PM2.5: 13 µg/m³ (over 2.5 times WHO guideline)

The estimates are based on national vehicle and fuel-use data, emissions inventories, air-quality modelling, population data and Global Burden of Disease health-risk estimates to quantify the health impacts of road transport pollution.

It states that India accounted for 13% of global premature deaths attributable to road transport emissions in 2024. If 100% of new vehicle sales become zero-emission by 2045, such a transition could cut annual premature deaths from transport pollution by 55% and new paediatric asthma cases by 85% by mid-century compared with the current policy trajectory, said researchers.

In heavily polluted parts of NCR, road transport emissions alone exceed World Health Organization's an-

16 Indians, including 10 seamen, killed in West Asia conflict: Govt

75 Injured Since Crisis Began, Parliament Told

TIMES NEWS NETWORK

New Delhi: Since the outbreak of West Asia conflict earlier this year, sixteen Indian nationals, including 10 seafarers, have lost their lives in the region (eight in Oman, four in UAE, two in Kuwait and one each in Iran and Saudi Arabia) and 75 have been injured, said the govt in Parliament.

Responding to a written question in Rajya Sabha, MoS (MEA) Kirti Vardhan Singh said that in a separate incident not related to attacks, 12 Indian nationals lost their lives in Ras Laffan Gas Facility in Qatar.

"Govt, in coordination with the govt, has extended all possible assistance to

HUMAN COST MOUNTS

the families of the deceased Indian nationals for early repatriation of the mortal remains to India. The injured Indian nationals received medical treatment in local hospitals. Indian Embassies and Consulates coordinated with the local authorities and the hospitals for regular updates on the health condition and extended all required assistance," said the minister.

From 617 to 2k in 2025, Indians deported from US triple since '23

TIMES NEWS NETWORK

New Delhi: Four hundred and fourteen Indians were deported from the US till the end of March 2026. EAM S Jaishankar informed Parliament on Thursday. Govt data also showed deportations from the US rose sharply from 617 in 2023 to 1,368 in 2024 and 2,025 last year. After the US, the highest number of Indians were deported from the United Kingdom (57) and Cyprus (53) till March this year.

Asked about action against organised human trafficking and illicit travel-agent syndicates, Jaishankar said that till Oct 2025, a total of 3,505 unregistered agents had been notified on eMigrate portal. "As and when operators of identified illegal agents or dubious firms

'In touch with US over truckers' issue'

The issue of Indian truckers facing action in the US was raised in Parliament Thursday, with govt saying it is in touch with US authorities regarding their identity and particulars. MoS (MEA) Kirti Vardhan Singh said 30 Indians were among 52 people arrested during Op Checkmate in Arizona in May and would be deported. **TMN**

hiring Indian nationals with false recruitment offers are reported, such matters are referred to state police," he said. MEA also issues advisories through eMigrate portal, social media and other platforms on the perils of fake job offers and ways to avoid them.

Ukraine dials India, seeks peace role amid ship attack concerns

TIMES NEWS NETWORK

New Delhi: External affairs minister S Jaishankar discussed attacks on commercial shipping and Indian seafarers in the Black Sea with his Ukrainian counterpart Andrii Sybiba, underscoring India's position that such attacks by any party are absolutely unacceptable and condemned unequivocally. India had earlier summoned Ukrainian ambassador to protest an attack on a commercial ship that killed an Indian seafarer. Ukraine blamed Russia for the deteriorating Black Sea security situation.

"Was briefed on developments pertaining to the Ukraine conflict and peace negotiations. India has consistently advocated dialogue and diplomacy between parties concerned," the EAM said on X. He also underlined the fragility

S Jaishankar and Andrii Sybiba

of the current international situation, saying multiple conflicts were affecting fuel, fertiliser and food security, especially for Global South. Sybiba said he briefed Jaishankar on President Zelenskyy's recent US visit and alleged that Russian attacks on civilian vessels undermine freedom of navigation, threaten food security and fuel instability in energy markets. Reaffirming Ukraine's commitment to a lasting peace, Sybiba said he encouraged India to play an active role in peace efforts.

El Niño alone can no more explain India's rainfall behaviour

Continued from P1

According to a Climate Trends briefing, successive weather systems cut the national rainfall deficit considerably from 40% at the end of June. Scientists say the biggest lesson from monsoon 2026 is that El Niño alone can no longer explain India's rainfall behaviour. Global warming, warming oceans and changing atmospheric circulation are increasingly interesting with traditional climate drivers, making monsoon forecasts more difficult. "The challenge is no longer predicting how much rain India will receive, but forecasting where, when and how intensely it will fall in a warming climate," scientists said.

Rainfall remained highly uneven. While 36 meteorological subdivisions states recorded normal rainfall in the season and three saw excess to large excess rainfall, 17 subdivisions remained deficient. Central India was almost normal with a 1% surplus, northwest India had an 11% shortfall, while east and northeast India remained 30% below normal and south India 25% deficient. The findings are particularly striking because the US National Oceanic and Atmospheric Administration has projected an 81% probability of a very strong El Niño developing between Oct and Dec — a pattern usually associated with weaker Indian monsoons.

Former IMD director general K J Ramesh attributed July's recovery to abnormal warming over the western Pacific, which

The Boas in spate after heavy rainfall in Himachal Pradesh

spawned successive monsoon systems over Bay of Bengal, and the increasing influence of Western Disturbances that enhanced rain over Maharashtra and Gujarat. "Climate change is reshaping the characteristics of the monsoon, which existing models are failing to take into account," Ramesh said.

Ashley Deoras of the University of Reading said the monsoon rebounded rapidly after an early July lull. He cited Umbargaoan in Gujarat receiving 1,066 mm of rain in 24 hours — among the highest daily totals recorded in India since 1991 — as evidence of intensifying rainfall extremes, adding that climate change appears to be amplifying the monsoon's internal weather systems. Scientists are watching Indian Ocean Dipole which remains officially neutral but increasingly resembles positive phase that could partly offset El Niño.

Hyd cops name Meta India head in Modi post cases

Mahesh Buddi
@timesofindia.com

Hyderabad: Cybercrime police in Hyderabad have registered two cases against operators of several Facebook and Instagram accounts and parent company Meta's India head over allegedly morphed and objectionable content targeting PM Narendra Modi during CoCobra Janta Party (CJP) Med NEET paper leak agitation.

Cases were filed on complaints by BJP supporters al-

leging manipulated videos and images of the PM were circulated on social media. Police invoked relevant provisions of BNS and IT Act, naming operators of identified accounts and Meta's India head as co-accused.

"We have issued a notice to Meta about the cases registered to Meta about the cases registered and the objectionable links reported by the complainants. We are also trying to collect details about the

accused to identify and arrest them," a cybercrime investigator said. By Thursday evening, all links cited in the complaints had become inactive. However, police said they were tracing operators behind the social media accounts.

One of the complainants was T Saikiran Goud, 32, a social media core committee member of Telangana BJP. He submitted 29 Facebook and Instagram links and sought action against Meta for hosting the content.

In a separate complaint, BJP supporter S Aravind Reddy of Nampally alleged some Instagram handles circulated "obscene" videos and images. "I came across multiple morphed and digitally manipulated videos and images depicting the PM, the US President and former Union minister Dharmendra Pradhan in an obscene, derogatory and misleading manner. Such content has the potential to mislead the public and spread misinformation," he alleged.

INDIA, SINGAPORE
SET TO CONCLUDE
SEVERAL BILATERAL
PACTS IN AUG MEET

Rezaul H Laskar

letters@hindustantimes.com

NEW DELHI: India and Singapore are expected to conclude several agreements for bilateral cooperation, including in the field of food security and skilling for maintenance, repair and overhaul (MRO), at a meeting of the bilateral ministerial roundtable next month, people familiar with the matter said.

The fourth meeting of the India-Singapore Ministerial Roundtable (ISM), a special mechanism created in 2022 to advance collaboration in crucial sectors such as technology, investments and advanced manufacturing, is set to be hosted by Singapore during August.

The meeting will pave the way for a summit between the PMs of the two countries later in the year, the people said.

The Indian side will be represented at the ISMR by external affairs minister S Jaishankar, commerce minister Piyush Goyal, finance minister Nirmala Sitharaman and electronic and IT minister Ashwini Vaishnaw, the people said.

A number of agreements, including pacts on food security, skilling for MRO operations and people-to-people contacts, are expected to be signed during the upcoming meeting, people familiar with preparations for the ISMR said. The meeting will largely focus on the bilateral cooperation identified by India and Singapore - advanced manufacturing, sustainability, digitalisation, healthcare, medicine, skilling, and connectivity, the people said.

The third meeting of the ISMR, hosted by India in August 2025, reviewed ways to deepen cooperation under these five pillars and identified several specific initiatives. Singapore continues to be one of India's most important partners in the Asian region under New Delhi's "Act East" policy and the two sides elevated their ties to a comprehensive strategic partnership in September 2024.

The two countries have also focused on ambitious proposals such as an undersea cable to carry solar energy from India to Singapore, training 100,000 Indian workers in hi-tech fields and ramping up investments.

Probe on after Odisha
medical exam 'breach'

Debabrata Mohanty

letters@hindustantimes.com

BHUBANESWAR: An internal investigation has been launched after photographs of a question paper of the Odisha medical postgraduate examination were allegedly circulated on WhatsApp while the test was underway, officials said on Thursday, adding that it was not a "leak" as the paper surfaced online after exams began.

The alleged breach occurred on July 27 during the General Surgery theory examination for the 2023-26 MD/MS batch conducted by the Odisha University of Health Sciences (OUHS), officials said, adding, photographs of the question paper surfaced on social media minutes after the examination began.

The issue came to light after a postgraduate student of a private medical college in Bhubaneswar reported receiving the images through a WhatsApp group allegedly created by a student of MKCG Medical College and Hospital in Bhubaneswar, officials said. Some students also alleged that answers

to the questions were circulated from certain phone numbers while the examination was in progress.

After being informed of the incident on the evening of July 27, OUHS vice-chancellor Manas Ranjan Sahoo held a virtual meeting with principals of medical colleges under OUHS conducting the examinations and directed them to strengthen security measures for the remaining papers, MKCG Medical College dean-cum-principal Hardevsinh Dalai said.

"It is not a question paper leak. Had the question paper come out before the exam and reached the students, we could have termed it a leak. But, in this case, the question paper came out from the exam hall soon after the question papers were handed out. This is more like the paper being smuggled out of the examination hall soon after it was distributed," Dalai said.

He said an internal inquiry was underway to identify the device used to circulate the question paper and determine how it entered the examination hall.

India condemns attack on seafarers in call with Ukraine

Rezaul H Laskar

letters@hindustantimes.com

NEW DELHI: India on Thursday reiterated its condemnation of attacks on merchant vessels and Indian seafarers in the Black Sea as external affairs minister S Jaishankar spoke to his Ukrainian counterpart Andriy Bohdan.

discuss the Russia-Ukraine conflict and recent developments in peace negotiations.

The phone call came days after attacks on foreign-flagged vessels in the Black Sea by both Russia and Ukraine killed five Indian seafarers and left two more missing. Thirteen Indian seafarers are also caught on

board a foreign-flagged vessel in the Ukrainian port of Chornomorsk, which has faced Russian drone and missile strikes in recent days.

Jaishankar said on social media that he and Sybida discussed the attacks on commercial shipping, especially for the Global South.

attacks by any party are absolutely unacceptable and India condemns them unequivocally". He emphasised the "fragility of the current international situation, with multiple conflicts in different geographies that are impacting fuel, fertiliser and food security, especially for the Global South."

Jaishankar said Sybida briefed him on recent developments in the Ukraine conflict and peace negotiations. "India has consistently advocated dialogue and diplomacy between the parties concerned," he said. Sybida said in a social media post that he had a "good call" with Jaishankar.

"HINDUSTAN TIMES MEDIA MARKETING INITIATIVE"

INDIA'S LARGEST GLOBAL SOURCING EXPO FOR GIFTING & STATIONERY

BHARAT MANDAPAM, NEW DELHI:
31st edition of Gifts World Expo Delhi and debut edition of Paperworld Delhi set to create North India's largest integrated trade fair platform for gifting and stationery industries.

New Delhi, 20th July 2026: For the first time, India's largest gifting exhibition and one of the world's most recognised paper and stationery exhibition brands will come together under one roof. In a significant development for India's B2B trade exhibition landscape, the country's most established gifting exhibition, Gifts World Expo, will join forces with the inaugural edition of Paperworld Delhi from 30 July - 1 August 2026 at Bharat Mandapam, New Delhi. The co-located exhibitions will bring together more than 850 exhibitors, 6,000+ brands and over 30,000 products, creating an unrivalled sourcing destination for the gifting, stationery, paper, office and corporate solutions industries while offering buyers a broader product portfolio under one roof.

Spanning an extensive product spectrum, Gifts World Expo Delhi will showcase exciting gifting solutions for festivals, weddings, celebrations, corporate, luxury, customised and promotional solutions. The show will present an extensive product range covering categories like handicrafts, home decor & home textiles, awards & rewards, confectionery, beverage & gourmet, bags & travel accessories, houseware & kitchen appliances, wellness, beauty & grooming, amongst others. Complementing this, Paperworld Delhi will present stationery, writing instruments, office and school supplies, art and craft materials, paper and paper products, educational solutions, sustainable stationery, packaging innovations, workplace essentials, premium pens and more.

Together, the exhibitions respond to growing buyer demand for innovative, branded, personalised and value-added products while enabling businesses to discover new suppliers, product innovations and market opportunities across interconnected industry segments.

Recognised as India's leading B2B exhibition for gifting solutions, Gifts World Expo Delhi has built a strong legacy over 31 successful editions, serving as the preferred sourcing platform for festive collections, corporate gifting, customised solutions, premium gifting and much more. Over the years, the expo has brought together manufacturers, importers, exporters, wholesalers, distributors, retailers, e-commerce sellers, and institutional buyers, continually reflecting evolving consumer preferences and retail trends. The upcoming edition of Gifts World Expo Delhi will feature China Pavilion featuring international innovations. Some of the featured brands include Adidas, Boat, Flipkart, Hawkins, ITC, Jack & Jones, Maxfresh, Milton, Powerplus, Prestige, Safari, Swiss Military, Wonderchef, Zebronic and more.

Building on the established legacy of Paperworld globally, with five successful editions in Mumbai, the launch of Paperworld Delhi marks a significant expansion of one of the world's most recognised exhibition brands for stationery. Designed to serve the growing North Indian market, the show will strengthen business opportunities across manufacturing, retail, education, corporate procurement and distribution while connecting the businesses and entrepreneurial communities. Paperworld Delhi will feature brands like: DOMS Industries Limited, Figo Impex, G&G Global, KGOC Global LLP (KANGAROO), Linc Limited, Luxor Writing Instrument Pvt Ltd, Saini Pen & Plastic Pvt Ltd, and William Penn Pvt Ltd, amongst others.

Commenting on the upcoming exhibitions, Ms Himani Gulati, Director, MEX Exhibitions Pvt Ltd, said: "Gifts World Expo has consistently evolved as a leading sourcing and networking business trade fair platform bringing together manufacturers, suppliers, brands and buyers from across the country. As the industry continues to diversify with growing demand for gifting products, Gifts World Expo offers businesses an ideal platform to showcase innovations and discover the emerging trends and expand business network. This year, the launch of Paperworld Delhi, further complements the visitor experience, creating greater opportunities for cross-industry engagement while strengthening the overall value proposition for the participating companies and business visitor alike."

Likewise, Mr Raj Manki, Executive Director & Board Member, Messe Frankfurt Asia Holdings Ltd, remarked: "The launch of Paperworld Delhi marks an important milestone in strengthening the stationery industry, particularly in the North Indian market. Following five successful editions in Mumbai and backed by the strength of the global Paperworld portfolio, Delhi is a natural next step in expanding the brands presence in one of the India's most significant business markets. Along with Gifts World Expo legacy for gifting solutions, the upcoming co-located shows will create a stronger, more comprehensive sourcing platform offering exhibitors access to the industries enabling buyers to discover a wider range of products, innovations and business opportunities under one roof."

The co-location of the two exhibitions creates a powerful business ecosystem by bringing together complementary industries with overlapping buyer segments. Corporate procurement professionals, retailers, distributors, wholesalers, exporters, e-commerce platforms, educational institutions, hospitality buyers and modern trade will benefit from access to complementary product categories beyond their traditional markets.

Beyond business networking and product discovery, the exhibition will also host an engaging programme of Gift Talks and Paper Talks, bringing together industry leaders, designers, retailers, brand owners and market experts to discuss emerging consumer trends, sustainability, retail transformation, branding, packaging, innovations and evolving workplace and education solutions. Thoughtful panel discussions led by industry experts as well as interactive workshops in gifting and art and craft, will encourage meaningful dialogue, exchange of ideas and industry collaboration across all show days.

To enhance the visitor experience, the show floor will present dedicated zones including a Start-up & Innovation Hub to discover fresh ideas, explore innovations at the Discovery Hub, learn about sustainable solutions of the Sustainable Innovation Hub and Unwind and connect at the Entertainment Zone, designed to create networking opportunities in a relaxed setting. The dedicated networking spaces, interactive experiences and access to two complementary industries under one roof, will drive valuable partnerships, conversations and business opportunities.

Industry associations supporting Gifts World Expo Delhi include Corporate Gifts Association of India (CGAI), Handloom Handicrafts Exporters Welfare Association (HWEWA), Sourcing Professionals Alliance (SPA), National Luxe Board (NLB), Supporting association for Paperworld Delhi includes The Tamil Nadu Pen Manufacturers and Dealers Association, Delhi Pen Dealers and Manufacturers Association, Pen and Stationery Association of India - New Delhi Chapter.

Gifts World Expo Delhi and Paperworld Delhi are jointly organised by MEX Exhibitions Pvt Ltd and Messe Frankfurt Trade Fairs India and bring two established market-leading brands under a single roof thereby offering a comprehensive product showcase, international participation, business networking opportunities and knowledge-driven engagements. The co-located shows are poised to become one of North India's most significant B2B exhibitions for the gifting and stationery industries.

Vedanta to carve out realty, create sixth listed company

Move comes weeks after Vedanta completed its five-way demerger into pure-play businesses.

Nehal Chawala
nehal.chawala@livemint.com
MUMBAI

Vedanta Ltd said on Thursday it will demerge its newly formed real estate company into a separately listed entity, creating a sixth-listed group company.

The billionaire Anil Agarwal-led company made the announcement just weeks after it completed a lengthy restructuring into five separately listed companies.

This is yet another exciting announcement from Vedanta. After the recent success of the five-way demerger creating 'pure play' entities across oil and gas, aluminium, power and steel, we plan to demerge the surplus real estate assets into an independent 'pure play' company to unlock significant value for the stakeholders," Agarwal said in a statement.

Shareholders of Vedanta Ltd will get a share of Vedanta Property Platforms Ltd for every 20 shares in Vedanta Ltd. Shares of Vedanta Ltd closed 1.1% higher on Wednesday at ₹207.6 compared to a 0.35% rise in the benchmark Sensex.

The company will inherit 14 land parcels and eight residential and office spaces across Gujarat, Maharashtra, Goa, Karnataka and Tamil Nadu. However, the assets are discrete, comprising five flats in Mumbai, real buildings in Panaji, and several industrial land parcels.

The company proposes to use these assets for its real estate, real estate investment trusts, hotels, and residential and corporate leasing.

"Vedanta is primarily a natural resources company, and separating the real estate business allows it to have its own independent management and operations," said Suman Kumar, ana-

Vedanta shareholders will receive one Vedanta Property Platforms share for every 20 Vedanta shares.

lyst at brokerage Philip Capital.

The five companies declared through Wednesday and Thursday their first quarterly results since demerger, reporting a cumulative 14% growth in revenue and 14% growth in

profit. Vedanta Ltd reported a revenue of ₹24,205 crore during the quarter, a growth of more than half the same period last year. Its profit grew by nearly three-quarters to ₹2,473 crore.

PURE PLAY

THE company will inherit 14 land parcels and eight residential and office spaces

THE five companies declared their first quarterly results through Wednesday and Thursday

THE aluminium company reported revenue growth by nearly a half to ₹21,055 crore

VEDANTA Oil and Gas Ltd and Vedanta Iron and Steel swung to profit from losses last year

profit, as per Mint's calculation.

The original Vedanta Ltd, which now retains the group's zinc, copper and ferro-chrome businesses, and Vedanta Aluminium Metal Ltd, the packman of revenue and profitability,

The aluminium company reported revenue growth by nearly a half to ₹21,055 crore and more than tripled profit year-over-year to ₹5,629 crore. Among the remaining three firms, Vedanta Power Ltd reported a loss of ₹4.33 crore compared with a profit of

₹58 crore a year earlier. Vedanta Oil and Gas Ltd and Vedanta Iron and Steel swung to profit from losses last year, reporting profits of ₹94.6 crore and ₹122 crore, respectively. "Vedanta Group's strong earnings growth was largely driven by its aluminium business, which benefited from higher aluminium prices, increased production volumes and a smaller rupee," said Kumar of Philip Capital.

Vedanta Group chief financial officer Ajay Goel said the demerger had unlocked shareholder value, with the combined market capitalization of the resulting companies rising over ₹71,000 crore in the first quarter. Their combined market capitalization stood at ₹5.2 trillion as of Thursday. For an extended version of this story, go to livemint.com.

Zee moves Delhi HC against Blinkit in copyright dispute

Yash Tiwari
yash.tiwari@livemint.com
MUMBAI

Zee entertainment Enterprises Ltd has moved the Delhi High Court against Blinkit Commerce Pvt. Ltd (Blinkit), alleging that content uploaded on Blinkit's Instagram account infringes its copyright. The case marks the broadcaster's third copyright action in recent months as it steps up enforcement against brands and platforms over the commercial use of its content.

According to a 27 July court order reviewed by Mint, Justice Jyoti Singh admitted the suit, issued summons to Blinkit and sought responses on Zee's application for an interim injunction restraining the use of the disputed content. The matter is scheduled to be heard on 14 August.

The court also permitted Zee to place screen recordings of the allegedly infringing Instagram post on record as evidence. The order refers to a "pendrive containing screen

This is Zee's third copyright suit in recent months.

recordings of the infringing works created and uploaded by the Defendant on its Instagram account."

Blinkit has been directed to file its written statement within 30 days of receiving the summons.

"Issue summons to the Defendant through permissible modes," the order said, adding that the written statement should be filed "within 30 days from the date of receipt of summons."

The order did not examine

the merits of Zee's allegations or determine whether copyright infringement has occurred. At this stage, the court has only issued notice to Blinkit and fixed a hearing on Zee's plea for interim relief.

The high court also exempted Zee from the mandatory pre-institution mediation process after noting that the company had sought urgent relief.

"Having regard to the facts of the present case wherein urgent relief is prayed for... exemption is granted to the Plaintiff from Pre-Institution Mediation," it said.

The Blinkit case follows copyright suits Zee filed against Jeo Star and Nylas in April. Zee alleged Jeo Star continued using its copyrighted content after licensing agreements expired, while Nylas used its music in 12 promotional Instagram reels. Both cases remain pending. For an extended version of this story, go to livemint.com.

(IST), which does not require physical presence of members at a common venue. Hence, Members can attend and participate in the AGM through VC / OAVM, and attendance of the Members through VC/OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Companies Act, 2013 ("the Act").

The procedure to join the meeting through VC/OAVM is provided in the notice of AGM. The annual report and notice are being sent only in electronic form to those shareholders whose email addresses are registered with the Company or with their respective depository participants. The dispatch of notice of AGM and Annual Report 2025-26 through email has been completed on July 20, 2025. These documents are also available on the website of the Company at www.munjshowa.net, website of the stock exchanges i.e. BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and on the website of CDSL at www.evotingindia.com.

Members holding shares either in physical form or in dematerialized form, as on the Cut-off Date i.e. Monday, August 17, 2025, may cast their vote electronically on all items of business as set out in the notice of AGM through electronic voting system from a place other than the venue of AGM (remote e-voting) of Central Depository Services (India) Limited (CDSL). The voting rights of members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cut-off Date. The members are further informed that:

- The ordinary and special business as set out in the notice of AGM may be transacted through voting by electronic means.
- The remote e-voting begins at 09:00 a.m. (IST) on Friday, August 21, 2025.
- The remote e-voting ends at 05:00 p.m. (IST) on Sunday, August 23, 2025.
- The Cut-off Date for determining the eligibility to vote by electronic means or at the AGM is Monday, August 17, 2025.
- Any person who acquires shares and becomes member of the Company after the dispatch of the annual report and notice of AGM and holding shares as on the Cut-off Date i.e. Monday, August 17, 2025, may obtain login ID and password by sending a request at helpdesk.evoting@cdslindia.com. However, if a person is already registered with CDSL for e-voting, then the existing user ID and password may be used.
- The members may note that (i) the remote e-voting module shall be disabled for voting after the date and time mentioned under point 'c' above, (ii) once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently, (iii) the facility of voting through electronic voting system shall be made available at the AGM, (iv) the members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again at the meeting; and (v) a person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting or voting at the AGM.
- The manner of remote e-voting and voting at the AGM for members holding shares in physical mode or "dematerialized mode or who have not registered their email addresses with the Company / Depository Participant, is provided in the notice of AGM and available on the Company's website at www.munjshowa.net.
- Members, holding shares in physical mode, are requested to get their email IDs registered by writing to the Registrar & Share Transfer Agent (RTA) with details of folio number and attaching a self-attested copy of PAN card at helpdesk@rajasekarregistrars.com. Members, holding shares in dematerialized mode, are requested to register / update their email IDs with their respective Depository Participants.
- The manner of registering the dividend mandate has been provided in the notice of AGM.
- For any grievance regarding e-voting or any queries or issues regarding attending AGM & e-voting from the e-voting System, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under 'help section' or write an email to helpdesk.evoting@cdslindia.com or contact Mr. Rakesh Dahiya (1800 21 09911).

Pursuant to Section 91 of the Companies Act, 2013 read with rules made thereunder and Regulation 42 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the register of members and share transfer books of the Company will remain closed from Thursday, August 06, 2026 to Monday, August 24, 2026 (both days inclusive) for the purpose of AGM and for determining the entitlement of the members for the dividend (if declared) for the financial year 2025-26. The dividend will be paid to those members / beneficial owners whose names appear in the Register of Members / List of Beneficial Owners maintained by the depositories as on the Record Date i.e. Wednesday, August 05, 2026. This notice is also available on the website of the Company at www.munjshowa.net and on the websites of the Stock Exchanges where the shares of the Company are listed at www.bseindia.com and www.nseindia.com.
