Re: Clarification on disclosure submitted pursuant to Regulation 30 of SEBI (LODR), 2015.

Dear Sir/Madam,

We write further to your e-mail dated February 23, 2024 with respect to the Company's disclosure dated December 19, 2023 regarding restoration of normalcy at Kolhapur and Ninaidevi Units of the Company.

As desired, please see our clarification as under:

1. Insurance amount claimed and realized by the listed entity for the loss/damage.

No Insurance amount has been claimed and realized, as the Farmer's Sangathan Agitation did not lead to any insured event.

2. The actual amount of damage caused due to the natural calamity or other force majeure events.

The actual amount of damage caused is negligible and the overall production during the season has remained unaffected.

3. Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity.

The Company along with other Companies, sought assistance from the district administration to address the issue. Multiple discussions were conducted with the protesting Farmer's Sangathan in Maharashtra to reach an amicable resolution. There is no substantial financial effect of the same.
