Subject: Disclosure pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015- Regarding Proposed Capacity Expansion

Dear Sir/Madam

With reference to the announcement made by the Managing Director during the 40th Annual General Meeting (“AGM”) of the Company held on September 8, 2026 and subsequently disclosed in the proceedings of the AGM submitted to the Stock Exchange, we hereby submit the disclosure regarding the Company's proposal for further capacity expansion.

The Company proposes to expand its manufacturing capacity by **12,000 MVA to 15,000 MVA for Power Transformers up to the 400 kV voltage class** thereby enabling the Company to address larger and higher-value opportunities in the power transmission segment. This is in addition to our existing capacity of 11000 MVA (Approx). The details of the proposed capacity expansion are enclosed herewith as **Annexure 1**.

This disclosure is being made pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Para B of Schedule III thereto.

You are requested to take the above information on record.

Thanking You

For Danish Power Limited
