Sub: Movement in Price | Ref. No.: NSE/CM/Surveillance/10266

Dear Sir,

With reference to your letter No. NSE/CM/Surveillance/10266 dated December 24, 2020 received through email by the undersigned, we would like to inform that-

- a) There is no information/announcement (including impending announcement) which in our opinion has a bearing on the price/volume behaviour in the scrip;
- b) Secondly, in the recent past, the only major information which the Company has announced was the Board's approval in their meeting held on November 24, 2020, to dispose off the entire stake held by its wholly-owned subsidiary viz. Datamatics Global Technologies Limited, Mauritius (Datamatics Mauritius) in CIGNEX Datamatics, Inc. (CIGNEX US) by way of divestment through stock redemption agreement entered into by and between Datamatics Mauritius and CIGNEX US, subject to approval of shareholders of the Company. The necessary disclosures pertaining to the above transaction were made to the stock exchanges on November 24, 2020;
- c) Further, we wish to inform that the significant movement in the share price / volume behaviour of the scrip is purely due to market conditions and are market driven.

We would like to reiterate that as always, the Company will continue to inform the stock exchanges about any price sensitive information as required under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.

Kindly take the same on record.
