Dear sir,

This is with reference to your email dated October 4, 2018 related to quick result submitted to the Exchange on August 14, 2018 of Dilip Buildcon Limited and the following deficiency have been observed in our results "NO Segment Reporting". With respect to the same, please find below the reason for non-applicability of Segment Reporting on standalone basis:

"Segments have been identified in accordance with Indian Accounting Standards (Ind AS) 108 on Operating Segments considering the risk or return profiles of the business. As required under Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the performance and allocates resources based on analysis of various performance indicators. Accordingly, information has been presented for the Group's operating segments and the company has identified business segment as primary segment. The reportable segment is Construction and Engineering Contracts and the business of Construction and Development of Real Estate is at a nascent stage and no actual operations have commenced".
