Subject: Business Update Release

Dear Sir/ Madam,

DC Info bags new orders from prestigious clients for value added Security Product line – “Netscout”

Mumbai, March 1st, 2023: DC Infotech & Communication Limited (NSE SME: DCI), a leading player in the digitization and installation of networking and security solutions in India, has bagged orders for value added security product line “Netscout” from three new clients namely Kotak Mahindra Bank, Tata Teleservices and Bharat Petroleum Corporation (BPCL).

Winning projects from such reputed brands, where we will do the installation of Netscout in their Main and recovery data centres, solidifies DC Info’s reputation as the ‘Architect for networking solutions’ and the right partner at the enterprise level.

These contracts enable the Company to further enhance an already strong order book, while increasing and diversifying their client base.

Management Comment:

Commenting on these developments, Mr. Chetankumar Timbadia, Managing Director, DC Info, said:

“We were happy to announce that we have bagged new contracts from Kotak Mahindra Bank, Tata Teleservices and BPCL. It is a matter of great pride that we are the partner of choice for such globally reputed brands for network security solutions. We shall be offering our Netscout solutions for Kotak Mahindra Bank, Tata Teleservices and BPCL.

This development continues to enhance our clientele and build on a strong order book. Such associations further solidify our position as the preferred partner for networking security solutions.
