ONE-STOP SOLUTION

TO ALL YOUR BUSINESS NEEDS

ABOUT US

COMPANY MESSAGE

Established in 1998 by Mr. Devendra Sayani & Mr. Chetankumar Timbadia, who between them, have a combined experience of four decades in the field. DC Infotech has been specializing and providing innovative networking, unified communication and data security products and solutions by utilizing the latest technology.

www.dcinfotech.com

Over the years, we have been able to establish ourselves as the leading company and solutions, sales and support of networking UC and security products and services. Our core competency are in understanding existing network and future needs. We excel at first understanding the need and then design and deploy an effective functional network.

Also adding to that, we have an exhaustive range of POC appliances and solution for different industry vertical and have done security implementations with major installations pan India.

The idea was and still is to provide innovative networking, security products and solutions byutilizing the latest technology know-how. Today, DC Infotech has established itself as one of the leading architects and solution providers of networking, security and unified communication products and services. The main objective is to be "one step ahead", i.e., to understand the future market needs and trends before they become obvious and to accommodate demands before they occur.

BOARD OF DIRECTORS

Mr. Chetankumar Timbadia - Managing Director

Mr. Chetankumar Timbadia, Managing Director of DC Infotech and Communication Limited ('DC Infotech'), holds a Bachelor of Engineering (Computer Engineering) from Ramrao Adhik Institute of Technology, New Bombay, and brings over two decades of IT experience. Since inception, he has led Finance, Purchase, HR, and Administration, driving growth, innovation, and customer satisfaction. His leadership fosters collaboration, transparency, and continuous learning, while prioritizing integrity and long-term partnerships. Committed to empowering employees and staying ahead of technology trends, he has positioned DC Infotech as a trusted IT solutions provider known for excellence and reliability.

Mr. Chandrashekar Gaonkar - Independent Director

Mr. Chandrashekar Maruti Gaonkar joined the Board of Directors of DC Infotech as an Independent Director on August 14, 2020. With a distinguished career spanning over three decades, he brings a wealth of experience in finance, strategy, and leadership to the company's leadership team. Prior to his appointment, he served as the Chief Financial Officer (CFO) at D-Link India Limited, where he played a pivotal role in shaping the company's financial strategy and driving business growth. During his tenure, he demonstrated expertise in financial planning, budgeting, and strategy, and ensured strong regulatory compliance and corporate governance practices. His extensive experience and knowledge make him a valuable asset to the company's leadership team.

Mr. Devendra Sayani - Whole-time Director

Mr. Devendra Sayani, Whole-time Director of DC Infotech, holds a Bachelor of Engineering (Electronics) from Ramrao Adhik Institute of Technology, New Bombay. With a passion for innovation and customer-centricity, he leads marketing and commercial relationship management, playing a key role in the company's growth. A founding Board member, he believes in empowering employees, fostering long-term partnerships, and driving innovation. His vision is to position DC Infotech among India's top 10 IT companies, known for excellence, reliability, and customer satisfaction. His leadership continues to shape DC Infotech journey toward industry excellence.

Mrs. Lipee Vasani - Independent Director

Mrs. Lipee Vasani, Independent Director of DC Infotech, since July 29, 2019. She is a Chartered Accountant and brings her expertise in financial management and strategy to the company's leadership team. With a strong educational background, including post-graduation in 2013, she has built an impressive career in financial planning, budgeting, and analysis, specializing in MIS Reporting, fund management and budgeting, CMA data preparation, strategic planning, and debtors aging analysis. Additionally, she is associated with various groups, overseeing accounting operations scrutiny, GST return filing, financial statement finalization, and income computation preparation, making her a valuable asset to the company.

Mr. Jayeshkumar Sayani - Non-Executive Director

Mr. Jayeshkumar Sayani, Non-Executive Director of DC Infotech, brings a wealth of experience and expertise to the company's leadership team. A founding member of the organization, he has been an integral part of the Board of Directors since its inception. Holding a Bachelor of Commerce degree, Mr. Jayeshkumar has a strong foundation in business principles and practices. With a proven track record in executing and managing a wide variety of projects, he possesses a unique ability to conceptualize and deliver solutions that meet the needs of a rapidly changing business landscape.

Mrs. Sneha Satyuga - Independent Director

Mrs. Sneha Satyuga, Independent Director of DC Infotech, since May 30, 2019. She holds a Bachelor's degree in Financial Markets and an MBA in Marketing, which has equipped her with a strong foundation in strategic management, market analysis, and business development. Her professional career began with Reliance Retail and the business strategy team at Reliance Industries, where she honed her skills in planning, execution, and driving growth initiatives. She later extended her expertise to her family business, gaining hands-on experience in global trade and export management making her a valuable asset to the company.

MANAGING DIRECTOR'S LETTER

This year, we were once again recognized in the Financial Times - Statista list of Asia-Pacific High-Growth Companies, ranking 267th, marking our third consecutive year on this prestigious list. We also attained the Zscaler Data Security Specialization, joining an elite group of global partners with certified capabilities in cutting-edge data security solutions.

Dear Shareholders,

It is with immense pride that I present to you the annual performance update for FY2024–25. The past year has been a defining one for DC Infotech. What began in 1998 as a modest distribution venture has transformed into a full-spectrum digital infrastructure and cybersecurity partner serving some of India's most demanding enterprises. FY25 has reaffirmed our position as a trusted technology enabler with a revenue growth of 20.9% year-on-year, driven by our deep client relationships, vendor alliances, and unwavering commitment to innovation.

Our strategic direction is clear — we are transitioning from being product-led to solution-driven. Services today contribute ~19% of revenue, and we aim to double this share over the next 2-3 years, capitalizing on the surging demand for cybersecurity, AI-enabled IT

infrastructure, and cloud-native solutions. With a healthy order book of ₹38–40 crore, robust vendor partnerships, and a retention rate exceeding 95%, we remain confident in our ability to scale profitably. DC Infotech has continued and grown its partnerships with major brand such as Samsung, becoming their exclusive partners in the LED business across the north, west, and south of India. These partnerships are key to maintaining their leadership in unified communications. As we look ahead, our eyes are firmly set on crossing the ₹1,000 crore revenue mark, driven by thoughtful expansion into GCC markets, increased service-led offerings, and continued investment in talent and capabilities.

While Q4 posed margin pressures due to one-time costs and provisioning, our full-year EBITDA grew 30%, reflecting the operational strength and resilience of our model.

competition, we have found our strength in differentiation. Our unique blend of offerings in networking, UC, and cybersecurity positions us at the intersection of multiple sectors.

We may face competition from companies like Dynacons, Allied Digital Services, and D-Link in various areas, but our holistic approach and diverse expertise set us apart. The future is bright for DC Infotech. India's digital transformation is accelerating, and with it comes unprecedented opportunities. The demand for networking technology, unified communication, and cybersecurity solutions is poised for exponential growth. Globally, the cybersecurity market alone is projected to reach USD 691.64 billion by 2032, growing at a CAGR of 12.58%. DC Infotech is perfectly positioned to capitalize on this trend by expanding our offerings and solidifying our presence in the cybersecurity space.

We have also been actively involved in social responsibility initiatives, supporting local communities and aiding those in need. We believe that it is our duty as a responsible corporate citizen to give back to society and make a positive impact on the world. On behalf of the Board, I would like to thank our team, clients, partners, and you — our shareholders — for your continued trust and encouragement. The future of secure, intelligent networks is here, and DC Infotech is well-positioned to lead that future.

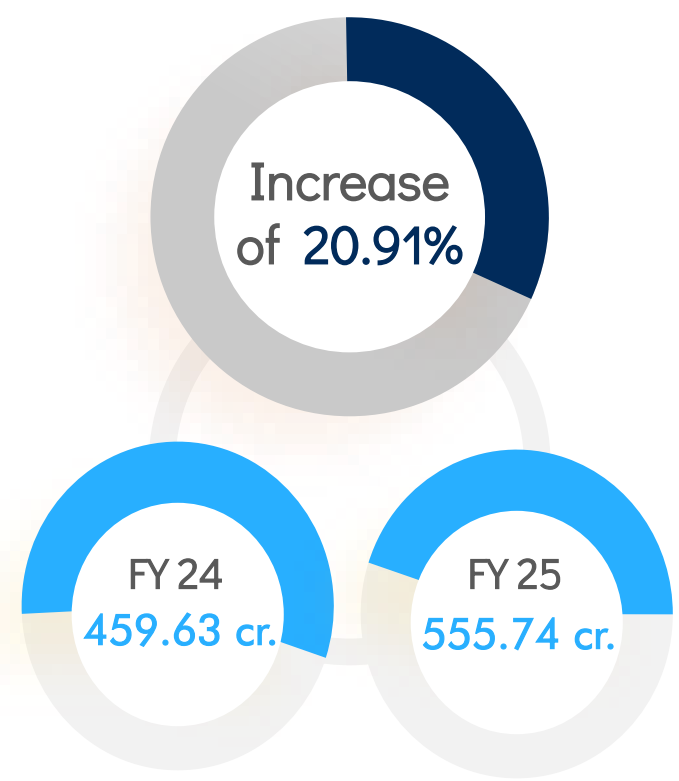

Thank you for your continued support and belief in DC Infotech. Together, we look forward to a future filled with growth, innovation, and success.

Warm regards,
Mr. Chetankumar Timbadia
Chairman and Managing Director
(DC Infotech)

FINANCIAL OVERVIEW

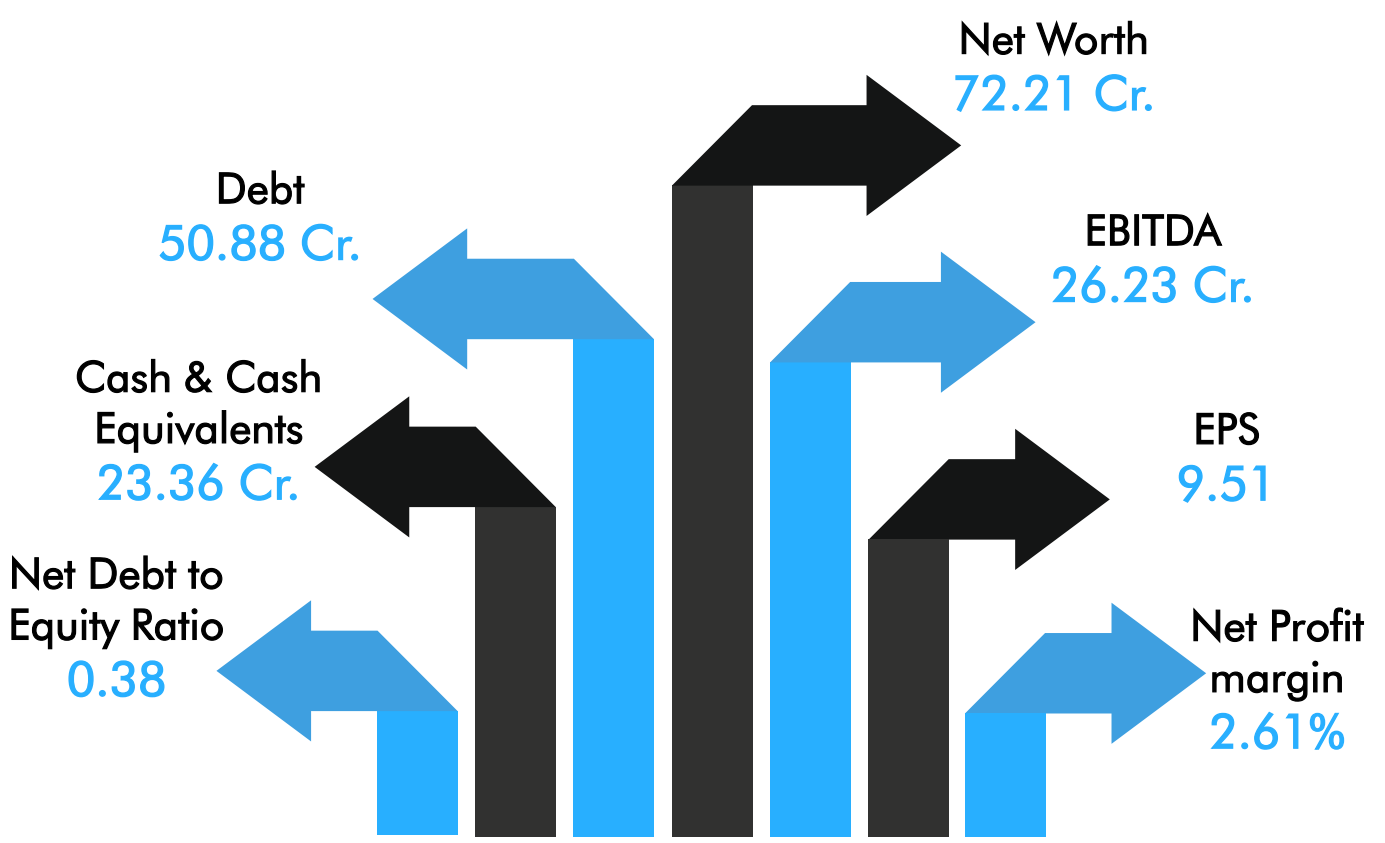

Total revenue from operations stood at **Rs. 555.74 crore** for the year ended March 31, 2025, as against **Rs. 459.63 crore** for the corresponding previous period, an increase of **20.91%**, mainly on account of due to strong demand for products like Samsung, Netscout, Netgear, D-link, Arbor and Software & Services.

TOTAL REVENUE

NET PROFITS

Our NET PROFITS during this full year is **Rs. 14.49 cr**, as against profit of **Rs. 11.61 cr** in FY24, an increase of **24.81%**

ACHIEVEMENTS IN BUSINESSES DURING THE YEAR

- Honored with the prestigious DT Partner Excellence Award 2024 in the category of "Fastest Growing Enterprise Solution Provider in India"
- Secures Spot in FT's High-Growth Companies Asia-Pacific 2025 Ranking the Third Consecutive Year
- Successfully achieved the Zscaler Data Security Sales Specialization under the Zscaler Partner Specialization program

RESOURCES AND LIQUIDITY

- As on March 31, 2025, the consolidated net worth stood at Rs. 72.22 crore and the consolidated debt was at Rs. 50.88 crore.
- The cash, cash equivalents and bank balances at the end of March 31, 2025 were Rs. 23.36 crore.
- The net debt to equity ratio of the Company stood at 0.38 as on March 31, 2025.

BUSINESS CATEGORY WISE PERFORMANCE

DC Info operates in two broad segments covering Products, Solutions and other services pertaining to IT networking, security and unified communication solutions:

- 1.Products
- 2.Security Software and Services

The Company is performing well in all product categories and expects the momentum to continue in next financial year.

RISKS AND CONCERNS

Like every business, the Company faces risks, both internal and external, in the undertaking of its day-to-day operations and in pursuit of its longer-term objectives. A detailed policy drawn up and dedicated risk workshops are conducted for each business vertical and key support functions wherein risks are identified, assessed, analyzed and accepted / mitigated to an acceptable level within the risk appetite of the organization. The risk registers are also reviewed from time to time.

The Company faces the following Risks and Concerns:

Rapid Obsolescence of Technology & Change in Consumer Preferences

A technology business is always exposed to sudden and unanticipated changes in technology and consumer trends and preferences. This exposes the company to the risk of becoming uncompetitive in terms of product/services offering to the customers. There is a need to constantly upgrade the product and service portfolio (e.g. Cloud, IoT, Mobility Analytics, etc.), and stay on top of changing consumer preferences.

Credit Risk

To manage its credit exposure, DC Info has determined a credit policy with credit limit requests and approval procedures. Company does its own research of clients' financial health and project prospects before entering into an agreement with them. Timely and rigorous process is followed up with clients for payments as per schedule. The company has suitably streamlined the process to develop a focused and aggressive receivables management system to ensure timely collections.

Interest Rate Risk

The Company has judiciously managed the debt-equity ratio. It has been using a mix of loans and internal cash accruals. The Company has well managed the working capital to reduce the overall interest cost.

Competition Risk

Like in most other industries, strong scope of opportunities come with intense competition. We face different levels of competition in each of our operating categories, from domestic as well as multinational companies. DC Info has created strong differentiators in project execution, portfolio, level on involvement in marketing and delivery, which make it resilient to competition. Furthermore, the Company continues to invest in technology and people to remain ahead of the curve. **Risk from COVID-19**

Many of the products under the Company's portfolio classify as non-essential. Therefore, any potential lockdown in any region, or restrictions on logistics, could impact the operations and sales of such products.

OPPORTUNITIES

- Rapid growth in digital economy and online business activity, presents many new opportunities for networking, security and unified communication solutions.
- Changing consumer preferences and growing urbanization:
 - With evolving consumer needs and preferences, there is a strong growth in demand for good quality products, services and a unique customer experience.

- With rising disposable incomes and urbanization, consumers demand better experiences and after sales service, which paves the way for new innovations.

- Technological Tie-ups – With many technological tie-ups and extensive R&D there's huge scope for new and innovative products to enter the market.

- Distribution agreements with renowned brands: An increasing number of international brands want to come to India to tap into the market potential. Such brands typically want ready and modern distribution system covering the geographical territories of the country and serving customers on a pan-India basis which will grow their brand quicker.

- Growth in the existing and new product lines: Consumer electronics are evolving rapidly, giving rise to many new product concepts. This gives scope to not only grow the existing products but also venture into new product lines to fulfill the needs of the consumers.

THREATS

- Competition from local and multinational players.

- Regulatory changes including unfavorable tax changes or import regulations.

- Attraction and retention of talented human resources.

- Frequent and rapid technological advancements leading to early obsolescence of products in inventory.

- Over-dependence on few brands which account for majority revenue.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has an internal audit function designed to review the adequacy of internal control checks in the system which covers all significant areas of Company's operations such as accounting and finance, procurement, business operations, statutory compliances, IT processes, safeguarding the assets and their protection against unauthorized use, among others. The Internal Audit function performs the internal audit of Company's activities based on an internal audit plan, which is reviewed each year and is approved by the Board of Audit Committee.

The Audit Committee reviews the report submitted by the internal auditors. Suggestions for improvement are considered and the audit committee follows up on corrective action. Disciplinary action is taken, wherever required, for non-compliance to corporate policies and controls.

The Company has also implemented effective systems for achieving highest level of efficiency in operations, to achieve optimum and effective utilization of resources, monitoring thereof and the compliance with provisions all laws including the Companies Act, 2013, Listing Agreement, directions issued by the Securities and Exchange Board of India, labour laws, tax laws etc. It also aims at improvement in financial management, and investment policy. The System ensures appropriate information flow to facilitate effective monitoring.

HUMAN RESOURCES

We believe that our employees are key contributors to our business success. We focus on attracting and retaining the best possible talent. Our Company looks for specific skill-sets, interests and background that would be an asset for our business.

The manpower is a prudent mix of experienced and young professionals which gives us the dual advantage of stability and growth. The work progress and skilled/ semi-skilled/ unskilled resources, together with the Company's strong management team, have enabled it to successfully implement our growth plans.

The Company also imparts behavioral, technical and on the job training to our employees. Technical trainings are mandated by the vendor whenever the employees have to deal with pre-technical or post technical issues. Training calendars are set by the vendors and nominated employees from our Company attend the program and obtain a feedback on the completion of the program.

OUTLOOK

As we look ahead, DC Infotech & Communications Company remains committed to sustaining our robust growth trajectory and enhancing our market leadership in the networking, unified communication, and enterprise security sectors. Our strategic vision includes a consistent annual growth rate of 15% to 20% over the next two to three years, driven by increased operational efficiency, optimized product mix, and a stronger focus on integrating services with our product offerings.

GROWTH AND MARGINS

Our ongoing efforts to align products with bundled services and achieve an optimal product mix have been instrumental in enhancing our margins. As we scale our operations, we are dedicated to further increasing efficiency and improving margins. Our transition from product trading to value-added distribution and solution-oriented services has already shown positive results, and we anticipate continued improvement in our margins across all business segments.

BUSINESS SEGMENTS

Networking:

- ✓ Contribution: Approximately 50% of our business.
- ✓ Key Brands: Netgear, contributing around 50% of this segment.
- ✓ Margins: Hovering around 5% to 7%.

Unified Communication (UC):

- ✓ Contribution: Around 25% of our business.
- ✓ Key Brands: Samsung, contributing 15% to 20% of this segment.
- ✓ Margins: Approximately 7% to 9%

Enterprise Security:

- ✓ Contribution: Approximately 25% of our business.
- ✓ Key Brands: NETSCOUT and Arbor, contributing 60% of this segment.
- ✓ Margins: In the double digits, reflecting the high value of our security solutions

Market Expansion and Order Book

This year, we have strategically expanded our operations to Southern India, establishing a presence in a

previously untapped region. Our Southern India team is in place, and we anticipate significant contributions from this market in the coming year. Additionally, we are actively studying overseas markets and will move forward with international expansion when the timing is optimal.

Our order fulfillment cycle is relatively short, typically within a month from receipt to delivery. Therefore, while our current order book may appear modest, our sales funnel, valued at approximately Rs. 40 crores to Rs. 50 crores, indicates a healthy pipeline of potential orders that we expect to convert in the near term.

FOCUS ON DATA CENTERS

The data center market represents a significant growth area for us. We offer comprehensive solutions, including networking hardware (switches, cabling, routers) and advanced security solutions (DDoS protection, ransomware defenses, data integrity solutions) that address the critical needs of modern data centers. As the demand for hybrid data center and cloud solutions continues to rise, we are well-positioned to benefit from these trends, ensuring data security and efficient connectivity for our clients.

Future Outlook

As we enter FY26, DC Infotech is well-positioned to capitalize on the accelerating digital transformation across enterprises. The shift towards cloud-native architecture, AI-driven IT infrastructure, and rising demand for cybersecurity and unified communications is reshaping the IT landscape — and we are ready to lead that change.

We aim to:

- Cross ₹1,000 crore in revenue within the next 2–3 years by deepening wallet share and entering new enterprise accounts.
- Double the share of services revenue, moving from a product-led model to a solution-driven and margin-accretive business.
- Expand into Middle East and Africa (GCC markets) to support our global Indian clients and address new enterprise demand.
- Invest in AI, cloud security, and managed detection & response (MDR) capabilities through both organic and inorganic means.

While macroeconomic uncertainties and competitive intensity remain, we believe our strong client retention, global vendor partnerships, and execution-focused team give us a durable edge.

Our near-term focus remains on operational efficiency, enhancing our service mix, and capitalizing on emerging areas like data centers, SOCs, and secure digital infrastructure. With a robust order book and trusted market positioning, we are confident of delivering consistent growth in revenue, profitability, and stakeholder value.

To,
The Members,
DC Infotech & Communication Limited

Retirement of Directors

In accordance with the provisions of Section 152 of the Companies Act, 2013, Mr. Jayeshkumar Kishorekumar Sayani (DIN 08332277) director of the Company is liable to retire by rotation at the ensuing Annual General Meeting (AGM) and being eligible offers himself for re-appointment at the ensuing AGM. Appropriate resolution for his re-appointment is being placed for approval by the Shareholders of the Company at the ensuing AGM.

Key Managerial Personnel

Further, during the year under review, there is no change in the key managerial personnel of the Company and Mr. Chetankumar Hasmukhlal Timbadia-Managing Director, Mr. Devendra Kishorkumar Sayani-Whole-Time Director, Mr. Bhavesh Singh-Chief Compliance Officer and Company Secretary and Mr. Piyush Shah-Chief Financial Officer are key managerial personnel of the Company.

Declaration by Independent Director

Pursuant to sub-section (7) of Section 149 of the Companies Act, 2013 read with the rules made thereunder, all the Independent Directors of the Company have given the declaration that they meet the criteria of independence as laid down in sub-section (6) of section 149 of the Act and Regulation 16(b) of the SEBI LODR Regulations.

The Board is of the opinion that all Independent Directors of the Company possess requisite qualifications, experience, and expertise and they hold the highest standards of integrity.

BOARD MEETINGS

During the year, Eight Meetings of Board of Directors were convened and held and details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013 and SEBI LODR Regulations.

Also, pursuant to provisions of part VII of the Schedule IV of the Companies Act, 2013 and regulation 25 of the SEBI LODR Regulations, a Separate Meeting of Independent Directors was held on February 13, 2025, for transacting the business prescribed under the said provisions.

AUDIT COMMITTEE

Pursuant to Section 177 of the Companies Act, 2013 read with the rules made thereunder and regulation 18 of the SEBI LODR Regulations, the Board of Directors has duly constituted Audit Committee.

The detailed terms of reference, constitution and other relevant details of Audit Committee have been given in the Corporate Governance Report forming part of this Report. During the year, all the recommendations of the Audit Committee were accepted by the Board.

Further, in terms of section 177(8) of the Companies Act, 2013, there were no such instances where the Board of Directors have not accepted the recommendations of the Audit Committee during the 2024-25.

NOMINATION AND REMUNERATION COMMITTEE

Pursuant to Section 178 of the Companies Act, 2013 read with the rules made thereunder and regulation 19 of the SEBI LODR Regulations, the Board of Directors has duly constituted Nomination and Remuneration Committee.

The Board of Directors, on the recommendations of the Nomination and Remuneration Committee, has put in place a Nomination and Remuneration Policy of the Company. The detailed terms of reference, constitution and other relevant details of Nomination and Remuneration Committee have been given in the Corporate Governance Report forming part of this Report.

The Company's remuneration policy is driven by the success and performance of the individual employees, senior management, Executive Directors of the Company and other relevant factors including the following criteria:

- a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors and employees.

- b) Relationship of remuneration to performance is clear and meets appropriate performance industry benchmarks; and
- c) Remuneration to Directors and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

It is affirmed that the remuneration paid to Directors, Senior Management and all other employees is as per the Remuneration Policy of the Company.

STAKEHOLDERS' RELATIONSHIP COMMITTEE

Pursuant to Section 178(5) of the Companies Act, 2013 read with the rules made thereunder and regulation 20 of the SEBI LODR Regulations, the Board of Directors has duly constituted Stakeholders' Relationship Committee. The detailed terms of reference, constitution and other relevant details of Stakeholders' Relationship Committee have been given in the Corporate Governance Report forming part of this Report.

RISK MANAGEMENT COMMITTEE

Pursuant to Section 134(3)(n) of the Companies Act, 2013 read with the rules made thereunder and regulation 21 of the SEBI LODR Regulations, the Company has constituted a Risk Management Committee of the Board and also has in place a Risk Management Policy approved by the Board which focuses on the determination of Company's risk identification, assessments, risk mitigation strategies, risk quantification and risk evaluation etc.

The objective of the Risk Management is to identify the risks impacting the business and formulate strategies / policies aimed at risk mitigation as part of risk management.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Pursuant to Section 177 of the Companies Act, 2013 read with the rules made thereunder and regulation 22 of the SEBI LODR Regulations, the Company has formulated and implemented Vigil Mechanism / Whistle Blower Policy for disclosing of any unethical behavior, actual or suspected fraud or violation of the Company's code of conduct and other improper practices or wrongful conduct by employees or directors of the Company. The policy also provides for direct access to the Chairman of the Audit Committee. It is affirmed that no personnel of the Company has been denied access to the Audit Committee.

The Vigil Mechanism / Whistle Blower Policy is available on the website of the Company at <https://dcinfotech.com/investor-relationship.php>.

During the year under review, the Company has not received any complaints relating to unethical behavior, actual or suspected fraud or violation of the Code of Conduct for Board of Directors and Senior Management Personnel.

SEPARATE MEETING OF INDEPENDENT DIRECTORS

Pursuant to Schedule IV of the Companies Act, 2013 and Regulation 25 of SEBI LODR Regulations, the Independent Directors met once during the year i.e. on February 13, 2025

without the presence of Non-Independent Directors, Executive Directors and management representatives.

The Independent Directors inter alia discussed the performance of the Board, Non-Independent Directors, Chairperson, the management of the Company, matters arising out of the Board and Committee meetings and assessed the quality, quantity and timeliness of flow of necessary information between the management and the Board, required for the Board to effectively and reasonably perform its duties.

All the Independent Directors were present at the meeting. The Independent Directors expressed their satisfaction with reference to governance standards adopted by the Company and advised strategic road-map for overall functioning of Board processes and Company management.

FAMILIARIZATION PROGRAMME

The familiarization programme aims to provide Independent Directors with the industry scenario, the socio-economic environment in which the Company operates, the business model, the operational and financial performance of the Company, significant developments so as to enable them to take well informed decisions in a timely manner. This programme also seeks to update the Directors on the roles, responsibilities, rights and duties under various Acts and other statutes. The details of familiarisation provided to the Directors of the Company are available on the Company's website at <https://dcinfotech.com/investor-relationship.php>.

ANNUAL EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

In compliance with the provisions of Section 134(3)(p) of the Companies Act, 2013 read with Rule 8(4) of the Companies (Accounts) Rules, 2014, the Board carried out annual evaluation of its own performance, that of its Committees and individual directors.

The performance of the Board and its committees and individual directors were evaluated by the Board after seeking inputs from all the Directors on the basis of criteria, such as composition and structure of the Board, quality of deliberations, effectiveness of the procedures adopted by the Board, participation of the Board and committee meetings and governance reviews etc.

As per Schedule IV to the Companies Act, 2013 a separate meeting of Independent Directors was held to reviewed the performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company.

Criteria for evaluation of Board as a whole

- i. The frequency of meetings;
- ii. The length of meetings;
- iii. The administration of meeting;
- iv. The number of committees (if any) and their roles;
- v. The flow of information to board members and between board members;
- vi. The quality and quantity of information; and
- vii. The Disclosure of Information to the stakeholders.

Criteria for evaluation of the Individual Directors

- i. Ability to contribute and monitor corporate governance practices;
- ii. Ability to contribute by introducing best practices to address top management issues;
- iii. Participation in long term strategic planning;
- iv. Commitment to the fulfilment of director obligations and fiduciary responsibilities;
- v. Guiding strategy;
- vi. Monitoring management performance and development;
- vii. Statutory compliance & corporate governance;
- viii. Attendance and contribution at Board /Committee (if any) meetings;
- ix. Time spent by each of the member; and
- x. Core competencies.

CRITERIA OF MAKING PAYMENTS TO NON-EXECUTIVE DIRECTORS

The policy of the Company on Criteria of making payments to Non-executive Directors is uploaded on to the Company's website and the same is available at <https://dcinfotech.com/investor-relationship.php>.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025

To,
The Members,
DC INFOTECH & COMMUNICATION LIMITED
Mumbai, Maharashtra.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by DC INFOTECH & COMMUNICATION LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and the information provided by the Company, its officers, agents, authorized representatives and the explanations and clarifications given to me and representations made by Management during the conduct of secretarial audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 and made available to me and according to the applicable provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');

- a. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- c. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- d. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the period)
- e. e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- f. f. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the period)
- g. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not applicable to the Company during the period)
- h. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- i. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the period);
- j. The Securities and Exchange Board of India (Depository Participant) Regulations, 2018;
- k. and other circulars/ guidelines issued and applicable to the company thereunder;
- vi. Other laws as may be applicable specifically to the company as identified by the management, that is to say:
 - a. The Shop and Establishment Act, 1948
 - b. The Code on Wages, 2019
 - c. The Customs Act, 1962
 - d. Employees' Provident Fund & Miscellaneous Provisions Act, 1952,
 - e. Maternity Benefit Act, 1961,
 - f. Payment of Bonus Act, 1956,
 - g. Payment of Gratuity Act, 1972

I have also examined the compliance with the applicable clause of the following;

- a. Secretarial Standards issued by the Institute of Company Secretaries of India.
- b. The Listing Agreements entered into by Company with National Stock Exchange (NSE) of India Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines and Standards.

I further report that, the compliance by the Company of applicable financial laws such as Direct and Indirect Tax Laws and maintenance of financial records and books of accounts have not been reviewed in this Audit since the same have been subject to review by the statutory financial auditors, tax auditors, and other designated professionals.

I Further Report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors, including Women Director as prescribed. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all directors to schedule the board meetings including committees thereof along with agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the Directors.

The decisions were carried unanimously.

I further report that based on the information provided and the representation made by the Company and also on the review of the compliance certificates / reports taken on record by the Board of Directors of the Company, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the audit period the Company has no events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above viz.

MANAGEMENT DISCUSSION AND ANALYSIS

Forward looking statement

Statements in this Management Discussion and Analysis of Financial Condition and Results of Operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events.

The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company assumes no responsibility to publicly amend, modify or revise forward looking statements, on the basis of any subsequent developments, information or events. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include changes in government regulations, tax laws, economic developments within the country and such other factors globally.

The financial statements are prepared under historical cost convention, on accrual basis of accounting, and in accordance with the provisions of the Companies Act, 2013 (the Act) and comply with the Indian Accounting Standards as pronounced by the Institute of Chartered Accountants of India (ICAI) from time to time. The Management of DC Infotech & Communication Limited has used estimates and judgments relating to the financial statements on a prudent and

reasonable basis, in order that the financial statements, reflect in a true and fair manner, the state of affairs and profit for the year.

The following discussions on our financial condition and result of operations should be read together with our audited financial statements and the notes to these statements included in the annual report. Unless otherwise specified or the context otherwise requires, all references herein to "we", "us", "our", "the Company", "DC Info" are to "DC Infotech & Communication Limited".

ECONOMIC OVERVIEW

Global Economic Scenario:

Global growth is expected to remain stable but subdued, with forecasts at 3.3 percent for both 2025 and 2026 — below the 2000–19 historical average of 3.7 percent and broadly unchanged from October. Beneath this steady surface, growth paths across economies remain uneven and fragile.

In the third quarter of 2024, global GDP growth missed expectations by 0.1 percentage point, with weaker outcomes in parts of Asia and Europe. China's growth slowed to 4.7 percent year-over-year, as sluggish consumption and property market challenges offset gains from net exports. India also saw a sharper-than-expected slowdown, led by weaker industrial activity. Growth in the euro area stayed muted, especially in Germany, amid persistent manufacturing weakness. Japan's

output contracted slightly due to temporary supply issues. In contrast, the U.S. economy showed strength, growing 2.7 percent year-over-year, driven by solid consumer demand. IMF staff projections assume existing policies continue, factoring in recent market trends and temporary trade policy uncertainty, while excluding potential policy changes still under debate.

Indian Economic Scenario:

In India, economic growth in FY24/25 fell short of expectations due to weaker-than-anticipated private investment and public capital expenditures that missed government targets. While the FY24/25 budget emphasized fiscal consolidation, it also introduced tax cuts to bolster private consumption and regulatory reforms aimed at stimulating private investment. GDP growth is now projected to ease from 6.5 percent in FY24/25 to 6.3 percent in FY25/26. Although monetary easing and regulatory improvements are expected to support private investment, their impact will likely be tempered by global economic headwinds and lingering policy uncertainty. On the positive side, tax cuts are expected to strengthen private consumption, and more effective execution of public investment plans should enhance government spending. However, export growth will remain under pressure, constrained by evolving trade policies and a slowdown in global demand.

INDUSTRY OUTLOOK IN INDIA: / NETWORK EQUIPMENT MARKET OUTLOOK

The network equipment market in India generated a revenue of USD 3,386.6 million in 2023. It is projected to reach a revenue of USD 4,915.6 million by 2030. The market is expected to grow at a Compound Annual Growth Rate (CAGR) of 5.5% from 2024 to 2030. One source also states the CAGR is 5.5% from 2023 to 2030.

In terms of market components, hardware was the largest revenue-generating component in 2023, holding a revenue share of 55.19%. Hardware is also identified as the most lucrative component segment, registering the fastest growth during the forecast period.

India accounted for 2.3% of the global network equipment market revenue in 2023. The market segmentation covered includes components (Hardware, Software, Services), Connectivity (2G/3G, 4G LTE, 5G), Network Type (Public Network, Private Network), and End Users (Telecom Operators,

Enterprises, Public Safety, Healthcare, Retail and e-Commerce, Banking, Financial Services, & Insurance, Government & Defense, Manufacturing, Others). The databook provides a detailed overview of the market, including revenue numbers and major trends from 2018 to 2030. Historical data covers 2018-2022, with 2023 as the base year and 2024-2030 as the forecast period.

The Indian government is taking several initiatives to promote the growth of the IT hardware industry in the country. These initiatives include the Production-Linked Incentive (PLI) scheme, the National Manufacturing Policy, and the Startup India initiative. These initiatives are expected to provide a boost to the

growth of the Indian IT hardware industry by attracting investments, creating jobs, and boosting exports.

DATA CENTRE OUTLOOK IN INDIA:

India's Data Centre (DC) sector is booming, driven by a large internet user base, the government's data localization push, and AI growth. Although India generates 20% of global data, it holds just 5.5% of global DC capacity, leading to a steep demand-supply gap. Current colo DC capacity stands at 1.35GW (up 38% YoY), yet India's DC density remains among the lowest globally.

To meet rising needs, capacity must reach 5GW by 2030, aligned with 3.3GW already planned by 2028. This will require a \$20 billion capex for DCs and another \$60 billion for cloud infrastructure, with hyperscalers leading much of the investment. India's lower costs, improving connectivity, and strategic location position it as a future regional data hub

RISE OF GCCS – SHIFTING FOCUS FROM COST OPTIMIZATION TO INNOVATION

Beginning in the 1980s with the establishment of pioneering GCCs like Texas Instruments, the initial model centered around utilizing India's cost-effective workforce for basic IT and back-office operations. However, over the subsequent decades, the landscape has dramatically shifted. GCCs in India have shifted their focus from cost arbitrage to innovation and talent leverage.

Today, India has more than 1,700 GCCs. MNCs are increasingly recognizing India as a crucial hub for not only cost optimization but also bridging the global talent gap and driving innovation. This shift is driven by India's vast pool of skilled professionals and thriving technology ecosystem, which supports the swift establishment of GCCs. Consequently, GCCs are expanding their functions beyond traditional IT services to encompass advanced areas such as R&D, engineering design, data analytics, and AI.

GCC revenue in India has increased from USD12bn in FY10 to USD64.6bn in FY24 at 12.8% CAGR. The momentum is expected to continue with revenue projected to hit USD110bn by FY30E (9.3% CAGR during FY24-30) due to the expansion of existing GCCs and new GCC establishments.

Exhibit 23: Rapid GCC growth in India to continue

Source: PL, Nasscom

SURGE IN ER&D GCC REVENUE

India has witnessed strong revenue growth in ER&D GCCs due to changing landscape in the recent years driven by the transformation in PDLCs and support operations of MNCs. These centers are no longer confined to providing basic IT support; they are

increasingly focused on complex engineering tasks, research and innovation. This shift is driven by India's vast pool of highly skilled engineers, cost-competitive environment, and rapidly maturing technology ecosystem. The drivers for increase in spending in Indian ER&D GCCs by MNCs is driven by the following:

- ✓ **Cost optimization:** By leveraging India's cost-effective engineering talent, companies can reduce R&D expenses, freeing up resources for other critical areas.
- ✓ **Enhanced collaboration:** GCCs facilitate close collaboration between global R&D teams, enabling seamless knowledge transfer and faster problem-solving.
- ✓ **Accelerated product development:** GCCs provide access to a large

talent pool, enabling companies to scale their R&D efforts rapidly. This accelerates the development process by allowing for faster development cycles.

- ✓ **Digital transformation:** Increasing adoption of digital technologies, such as AI, machine learning, and cloud computing, is driving demand for ER&D services. India's GCCs are well-positioned to leverage these technologies and provide cutting-edge solutions.
- ✓ **Specialized expertise:** India has developed specialized expertise in various engineering domains, including software, hardware, automotive, aerospace, and telecommunications. ER&D GCCs can tap into this expertise, enabling companies to develop cutting-edge products and solutions faster.

EPS for this period is Rs. 9.51

REPORT ON CORPORATE GOVERNANCE

In compliance with Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI LODR Regulations”), as amended, the Company submits the Corporate Governance Report for the financial year ended March 31, 2025.

1. CORPORATE GOVERNANCE – PHILOSOPHY

The Company’s philosophy on Corporate Governance aims at management of Company’s activities in accordance with policies that are value-accretive for all stakeholders, upholding core values of transparency, professionalism, accountability, honesty and integrity in its functioning and conduct of business in due compliance of laws and regulations and attaining highest standard of business ethics and commitment to transparency in business dealings, essential for long term success. It is directed in such a way that it functions effectively keeping in view interest of customers, employees and retaining confidence of all the stakeholders. It adheres to its code of conduct formulated which serve as a guide to each employee on standards, values, ethics and principles.

The Company’s business strategies are guided by its philosophy on Corporate Governance which ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large. Through this robust Corporate Governance mechanism that interlinks values, ethics and positive culture, the Company aims to achieve long-term sustainability.

2. BOARD OF DIRECTORS

The Board of Directors along with its committees possess varied skills and expertise and have diverse background which enables them to provide requisite leadership and guidance to the Company’s senior management team and also direct, supervise and closely monitor the performance of the Company.

The Company’s policy is to have an appropriate mix of Executive, Non-Executive & Independent Directors. As on 31st March, 2025, the Board comprised of 6 Directors with One Whole Time Director, One Managing Director, Three Non-Executive Independent Directors (including two Woman Director) and One Non-Executive Director. The composition of the Board is in conformity with the provisions of the Act and Regulation 17 of the SEBI LODR Regulations.

The number of Directorships held by Executive, Non-Executive and Independent Directors are within the permissible limits under SEBI LODR Regulations and Companies Act, 2013. The Directors have provided necessary disclosures regarding change in committee positions, if any, during the year. Further, none of the Directors on the Company’s Board is a member of more than 10 (ten) committees and chairperson of more than 5 (five) committees across all public limited companies during the year.

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 (the Act) and Regulation 16(1)(b) and 25(8) of the LODR Regulations.

In the opinion of the Board, the Independent Directors fulfil the conditions specified in these regulations and are independent of the management.

The Independent Directors are entitled to sitting fees for every meeting of the Board or Committee thereof attended by them. Details of Independent Directors' familiarization program are part of the Directors' Report.

There are no inter-se relationships between the Directors of the Company except Mr. Devendra Kishorkumar Sayani, Whole-Time Director and Mr. Jayeshkumar Kishorekumar Sayani, Non-Executive Director relatives being brothers.

The Company has in place a succession plan for the Board of Directors and Senior Management of the Company.

The composition of the Board during the financial year ended 31st March, 2025 is as under:

Sr No	Name of Director	Designation	Date of Appointment	DIN

INDEPENDENT DIRECTORS

Independence of Directors

The Company has received a declaration from the Independent Directors confirming that they meet the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 read with Regulation 16(1)(b) of the SEBI LODR Regulations and amendments thereto. In terms of Regulation 25(8) of the SEBI LODR Regulations, the Independent Directors have also confirmed that they are not aware of any circumstances or situations which exist or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

In the opinion of the Board, the Independent Directors fulfil the conditions of independence specified in the Companies Act, 2013 and the SEBI LODR Regulations and are independent of the Management. Further, the Independent Directors have in terms of Section 150 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014, as amended, confirmed that they have enrolled themselves in the Independent Directors' Databank maintained with the Indian Institute of Corporate Affairs ('IICA'). Except Mr. Chandrashekar Maruti Gaonkar who is exempted for the online proficiency self-assessment test conducted by IICA.

Meeting of Independent Directors

Pursuant to Schedule IV of the Companies Act, 2013 and Regulation 25 of SEBI LODR Regulations, the Independent Directors met once during the year i.e. on February 13, 2025 without the presence of Non-Independent Directors, Executive Directors and management representatives.

The Independent Directors inter alia discussed the performance of the Board, Non-Independent Directors, Chairperson, the management of the Company, matters arising out of the Board and Committee meetings and assessed the quality, quantity and timeliness of flow of necessary information between the management and the Board, required for the Board to effectively and reasonably perform its duties.

All the Independent Directors were present at the meeting. The Independent Directors expressed their satisfaction with reference to governance standards adopted by the Company and advised strategic road-map for overall functioning of Board processes and Company management.

Terms and Conditions of appointment of Independent Directors

All the Independent Directors of the Company have been appointed as per the provisions of the Act and the SEBI LODR Regulations. Formal letters of appointment were issued to the above Independent Directors. As required by Regulation 46 of the SEBI LODR Regulations, the terms and conditions of their appointment have been disclosed on the website of the Company at www.dcinfotech.com.

Familiarisation Programme

The familiarization programme aims to provide Independent Directors with the industry scenario, the socio-economic environment in which the Company operates, the business model, the operational and financial performance of the Company, significant developments so as to enable them to take well informed decisions in a timely manner. This programme also seeks to update the Directors on the roles, responsibilities, rights and duties under various Acts and other statutes. The details of familiarisation provided to the Directors of the Company are available on the Company's website at <https://dcinfotech.com/investor-relationship.php>.

Skill of Board of Directors:

The Board comprises of the qualified members who bring in the required skills, competence and expertise that allow them to make effective contributions to the Board and its Committees. The table below summarizes the key qualifications, skills and attributes which are taken into consideration while nominating Directors on the Board:

Leadership	Ability to inspire, motivate and offer direction and leadership to others and represent the Company before internal and external stakeholders
Management	Knowledge or expertise or understanding of sound management and business principles or experience of working in senior management position of any organization
Financial expertise	An understanding of financial statements and the accounting principles used by the Company to prepare its financial statements; including the ability to assess the general application of such accounting principles in connection with the accounting for the Company
Governance	Commitment to the highest standards of governance, including experience with a major organisation on governance practices along with clear understanding of roles and responsibilities of Board of a Company and responsibilities as Director
Strategy Development and Implementation	Experience in developing and implementing business strategies or ability to give strategic insights to key business objectives.
Knowledge of B2B Operations and industry	Understanding of the working of B2B including but not limited to areas like challenges, opportunities, business models, revenue streams, business processes & practices etc
Information Technology	Knowledge and experience in the strategic use of information management and information technology to provide unique business solutions
Risk Management	Experience in enterprise risk management in the relevant industry, and understanding of the Boards, role in the oversight of risk management principles
Human Resource	Experience in developing strategies or handling matter like development of talent and retention, succession planning and driving change and long term.

In the table below, specific areas of focus or expertise of individual Board Members have been highlighted. However, the absence of the mark against a members' name does not necessarily mean the member does not possess the corresponding skill or qualification:

Name of Director	Area of Expertise								
	Leadership	Management	Financial Expertise	Governance	Strategy Development and Implementation	Knowledge of B2B operations and industry	Information Technology	Risk Management	Human Resource

Committees of the Board of Directors

The Board currently has the following 5 (five) Committees: 1) Audit Committee, 2) Nomination and Remuneration Committee, 3) Stakeholders' Relationship Committee, 4) Risk Management Committee and 5) Corporate Social Responsibility Committee.

The terms of reference of the Board Committees are in compliance with the provisions of the Companies Act, 2013, the SEBI LODR Regulations and are also decided by the Board from time to time. The Board is responsible for constituting, assigning and appointing the members of the Committees. Based on the recommendation, suggestions and observations of the Committee, the Board of Directors take an informed decision.

The brief description of terms of reference of the Committees, the composition of the Committees including the number of meetings held during the financial year and the related attendance are provided below:

3. AUDIT COMMITTEE

The Audit Committee of the Company at the Board level, inter alia, provides assurance to the Board on the adequacy of the internal control system. The Committee periodically reviews financial reporting process and financial results, statement and disclosures, generally accepted accounting principles and on measures taken in safeguarding of assets of the Company, internal audit reports and internal control systems and procedures. The Committee discusses with Internal Auditors, Statutory Auditors scope of findings of audit, audit qualifications, if any, related party transactions and appraises Board on the above.

The terms of reference of the Audit Committee cover all areas specified, thereby meeting the requirements of the Section 177 of the Companies Act, 2013 and also in line with Regulation 18 of the SEBI LODR Regulations and other terms as may be referred by Board of Directors.

The Audit Committee comprised of three members. During the year under review, all members including the Chairman of the Committee are non-Executive and two-third members were independent. The Members of the Audit Committee are financially literate. The Statutory Auditor, Internal Auditor and Chief Financial Officer of the Company are the Invitees to all Audit Committee Meetings. The Company Secretary and Compliance Officer who is Secretary to the Audit Committee. Minutes of the Audit Committee are circulated to all Directors and discussed at the Board Meetings.

The Audit Committee met 4 (Four) times during the year on 29/05/2024, 13/08/2024, 14/11/2024 and 13/02/2025. The requisite quorum was present at all the Meetings. The composition of the Audit Committee and the details of meetings are as follows: -

Sr No	Names	Designation	Status	No of Meetings attended	
				Held	Attended
1	Mrs. Lipee Varun Vasani	Chairman	Independent Director	4	4
2	Mrs. Sneha Pratik Satyuga	Member	Independent Director	4	4
3	Mr. Chandrashekhar Gaonkar	Member	Independent Director	4	4

Terms of reference of the Audit Committee, inter-alia, are as under:

- Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- Recommendation for appointment, re-appointment and replacement, remuneration and terms of appointment of auditors of the Company;
- Approval of payment to statutory auditors for any other services rendered by the statutory auditors;
- Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:

- i. Matters required to be included in the Director's Responsibility Statement to be included in the Board's Report in terms of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013;
 - ii. Changes, if any, in accounting policies and practices and reasons for the same;
 - iii. Major accounting entries involving estimates based on the exercise of judgment by management;
 - iv. Significant adjustments made in the financial statements arising out of audit findings;
 - v. Compliance with listing and other legal requirements relating to financial statements;
 - vi. Disclosure of any related party transactions; and
 - vii. Modified opinion(s) in the draft audit report.
- e. Reviewing, with the management, the quarterly financial statements before submission to the Board for approval;
 - f. 4. NOMINATION AND REMUNERATION COMMITTEE

The Nomination and Remuneration Committee met Two times during the year on 18/07/2024 and 13/08/2024. The requisite quorum was present at the Meeting. The terms of reference of the Committee are in line with the provisions of Sections 178 of the Companies Act, 2013, Regulation 19 of the SEBI LODR Regulations and other terms as may be referred by Board of Directors.

Pursuant to the provisions of Section 178 of the Companies Act, 2013, the Committee has formulated a Policy on the appointment of person as Director and evaluation of Directors & Senior Management Personnel (SMP).

The Nomination and Remuneration Policy as prescribed under the Companies Act, 2013 has been adopted by the Board. The Board has formulated criteria for evaluation of Independent Director which includes qualification, positive attributes and independence of Directors, this forms a part of the Remuneration Policy.

The composition of the Nomination and Remuneration Committee and the details of meetings are as follows: -

Sr No	Names	Designation	Status	No of Meetings attended	
				Held	Attended
1	Mrs. Sneha Pratik Satyuga	Chairman	Independent Director	2	2
2	Mrs. Lipee Varun Vasani	Member	Independent Director	2	2
3	Mr. Jayeshkumar Sayani	Member	Non-Executive Director	2	2

The policy of the Company on Director's appointment and remuneration is uploaded on to the Company's website and the same is available at <https://dcinfotech.com/investor-relationship.php>.

Terms of reference of the Nomination and Remuneration Committee, inter-alia, are as under:

- Formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy relating to the remuneration of Directors, Key Managerial Personnel and other employees;
- Evaluate the balance of skills, knowledge and experience on the Board and thereafter, at the time of appointment of an Independent Director, prepare a description of the role and capabilities required of an Independent Director.
- Formulate the criteria for evaluation of performance of Independent Directors and the Board of Directors;
- Identify persons who are qualified to become Directors and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this policy;

- Recommend to the Board, appointment and removal of Director, KMP and Senior Management Personnel;
- Devise a Policy on diversity of Board of Directors;
- Whether to extend or continue the term of appointment of the Independent Director, on the basis of the report of performance evaluation of Independent Directors; and
- Recommend to Board, all remuneration including annual increment.

Performance Evaluation criteria for Independent Directors

Pursuant to the Section 149 (8) read with Schedule IV of the Companies Act 2013 and Regulation 17(10) of the SEBI LODR Regulations, the Annual performance evaluation has been carried out of all the Directors, the Board, Chairman of the Board and the working of the various Committees.

The performance evaluation of the Board of Directors was carried out based on a detailed questionnaire containing criteria such as duties and responsibilities of the Board, information flow to the Board, time devoted to the meetings, etc. Similarly, the evaluation of Directors was carried out on the basis of a questionnaire containing criteria such as level of participation by individual directors, independent judgement by the director, understanding of the Company's business, etc. The performance evaluation of the Board and the Committees was done by all the Directors.

The performance evaluation of the Independent Directors was carried out by the Board excluding the Director being evaluated. The performance evaluation of the Chairman and Executive Directors was carried out by all the Independent Directors.

Based on feedback from the Directors, the Board concluded that the performance of the Board of Directors, its committees, and individual directors was effective for the financial year 2024-25.

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members,
DC INFOTECH & COMMUNICATION LIMITED
Mumbai

We have examined the compliance of conditions of Corporate Governance by DC Infotech & Communication Limited for the year ended March 31, 2025, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub regulation (2) of Regulation 46 and para C, D and E of Schedule V of the SEBI LODR Regulations.

The compliance of conditions of Corporate Governance is the responsibility of the management of the Company. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI LODR Regulations for the year ended March 31, 2025.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

TO MEMBERS OF

D C INFOTECH & COMMUNICATION LIMITED

Report on the Indian Accounting Standards (Ind AS) Financial Statements**Opinion**

We have audited the accompanying financial statements of D C Infotech & Communication Limited, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the period ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

There are no Key Audit Matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in

section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has

adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central

Government of India in terms of section 143(11) of the Act, we give in "Annexure A", a statement on the matter specified in the paragraph 3 and 4 of the Order.

2. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:
 - a. We have obtained all the information and explanations which to the best of our knowledge and belief where necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet and Statement of Profit and Loss including Other Comprehensive Income Statement of Cash Flow and Statement of Changes of Equity dealt with this report are in agreement with the books of account;
 - d. In our opinion, the Balance Sheet and Statement of Profit and Loss comply with the Ind AS specified in section 133 of the Act, read with relevant rule issued thereunder.
 - e. On the basis of written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of section 164(2) of the Act.

f. With respect to the adequacy of the internal financial controls over financial reporting of the company and operating effectiveness of such controls, referred to our separate report in "Annexure B".

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

(a) The Company has disclosed the impact of pending litigations as at 31st March 2025 on its financial position in its standalone financial statements - Refer Note (vii) of Annexure - A to the standalone financial statements

(b) The Company did not have any long-term and derivative contracts as at March 31, 2025.

(c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

(d) The management has;

(i) represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or

- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.

(e) The company has not neither declared nor paid any dividend during the year under Section 123 of the Act.

(f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023. Based on our examination, which included test checks, and other generally accepted audit procedures performed by us, we report that the company has used an accounting software for maintaining its books of account

which has a feature of recording audit trail (edit log) facility the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT ON THE FINANCIAL STATEMENT OF D C INFOTECH & COMMUNICATION LIMITED FOR THE YEAR ENDED 31ST MARCH 2025

In terms of the information and explanations given to us and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state as under:

(i) Property, Plant & Equipment and Intangible Assets:

- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- b) The Company has maintained proper records showing full particulars of intangible assets.
- c) Property, Plant and Equipment have been physically verified by the management at reasonable intervals; any material discrepancies were noticed on such verification and if so, the same have been properly dealt with in the books of account.
- d) According to the information and explanation given to us the title deeds of all the immovable properties. (Other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the company.

- e) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- f) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) Inventory and working capital:

- a) The stock of inventory has been physically verified during the year by the Management at reasonable intervals. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.

(iii) Investments, any guarantee or security or advances or loans given:

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the

Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year.

1. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year.
2. In our opinion, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company’s interest;
3. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.
4. In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
5. No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

6. The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii) (6) is not applicable.

(iv) Loan to directors:

- a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.

(v) Deposits:

- a) The company has not accepted any deposits from the public within the meaning of sections 73 to 76 or any relevant provisions of the 2013 act and the rules framed there under to the extent notified.

(vi) Maintenance of Cost Records:

- a) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/ or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.

(vii) Statutory Dues:

a) The company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, GST, Cess and any other statutory dues applicable to it. According to the information and explanations given to us, there is no undisputed amounts payable in respect of income tax, sales tax,

customs duty, excise duty and cess were in arrears, as at 31.03.2025 for a period of more than six months from the date they became payable.

b) According to the information and explanations given to us, there are dues of sales tax, income tax, custom duty, wealth tax, GST, excise duty and cess which have not been deposited on account of any dispute.

Name of Statue	Nature of Dues	Period	Amount (In lakhs)	Forum where the dispute is pending
The Haryana Value Added Tax	VAT	AY 2016-17	27.14	Appeal with JC Haryana
The Haryana Value Added Tax	VAT	AY 2017-18	13.40	Appeal with JC Haryana

(viii) Disclosure of Undisclosed Transactions:

a) There According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.

(ix) Loans or Other Borrowings:

a) Based on our audit procedures and according to the information and explanations given to us, The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) According to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.

d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x) Money Raised by IPOs, FPOs:

a) The Company has raised moneys by way of initial public offer, Preferential Allotment or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.

b) During the year, the Company has made preferential allotment or private placement of shares and Share Warrants and hence reporting under clause 3(x) (b) of the Order is applicable.

In our opinion and according to the information and explanations given to us, the company has utilized funds raised by way of issue of share warrants (fully, partially or optionally convertible) for the purposes for which they were raised.

(xi) Fraud:

a) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the company or no fraud by the Company and no

material fraud on the Company has been noticed or reported during the year.

b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

c) As per information and explanations given to us no whistle blower complaints received by the Company during the year (and upto the date of this report).

(xii) Nidhi Company:

a) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

(xiii) Related Party Transactions:

a) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

(xiv) Internal Audit System:

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) Non-cash Transactions:

- a) According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

(xvi) Registration under section 45-IA of RBI Act, 1934:

- a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.

(xvii) Cash losses:

- a) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) Resignation of statutory auditors:

- a) There has been no resignation of the statutory auditors of the Company during the year.

(xix) Material uncertainty on meeting liabilities:

- a) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that

all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) Compliance of CSR:

- a) According to the information and explanations given to us and based on our examination of the records of the company, the company has fully spent amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring to transfer to a Fund specified in Schedule VII the Companies act or special account in compliance with the provision of sub-section (6) of section 135 of companies' act,

2013. Accordingly reporting under clause 3(xx)(a) of the Order is applicable for the year. Refer note No. 53 of financial statements.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT OF D C INFOTECH & COMMUNICATION LIMITED FOR THE YEAR ENDED 31st MARCH 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **D C Infotech & Communication Limited** ('the Company') as of 31st March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to financial statement of **D C Infotech & Communication Limited** ('The Company') as of 31st March 2025 in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting. Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

"Note :- 1. Significant Accounting Policies and Notes to Accounts forming part of financial Statement for year ended March 31st, 2025"

General Information

DC Infotech & Communication Limited (the Company) is a public company limited by shares domiciled in India, incorporated under the provisions of Companies Act, 2013. Its shares are listed on National Stock Exchange of India Limited & BSE. Its registered office is situated at Unit No 2, Aristocrate, Lajya Compound, Mogra Road, Andheri East, Mumbai – 400069. The Company is engaged in digital transformation enablement solutions, our Company has partnered with a number of networking and security brands for representing them in the country. Ours is a solution centric model which is based on multiple products and multiple brand strategy.

Basis of preparation of financial statements

The Financial Statements of the Company comprises the Balance Sheet as at 31 March, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of material accounting policies and other explanatory information (together referred to as the "Financial Statements").

These Financial Statements have been prepared in accordance with the provision of the Companies Act, 2013 (the 'Act') to the extent notified. The Indian Accounting standards ("Ind AS") are prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant

amendment rules issued thereafter.

The financial statements have been prepared and presented under the historical cost convention, on accrual and going concern basis except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on fair value of the consideration given in exchange of goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transition between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value for an asset or liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis except for leasing transactions that are within the scope of Ind AS 116 and measurements that have some similarities to fair value but are not fair value, such as value in use in IND AS 36.

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs). Fair values are determined in whole or part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

The financial statements of the Company for the year ended 31 March 2025 were approved for issue in accordance with the Resolution passed by the Board of Directors their meeting held on 28th May 2025.

A. Determination of Functional and presentation currency

These financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded to the nearest lakh, unless otherwise indicated.

B. Current / Non-Current Classification

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Any asset or liability is classified as current if it satisfies any of the following conditions:

1. the asset/liability is expected to be realised/settled in the Company's normal operating cycle;
2. the asset is intended for sale or consumption;
3. the asset/liability is held primarily for the purpose of trading;
4. the asset/liability is expected to be realised/settled within twelve months after the reporting period;
5. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date; in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

C. Critical accounting judgements and key source of estimation uncertainty

In applying the Company's accounting policies, which are described in Note 1.b below, the directors are required to make judgments (other than those involving estimations) that have significant impact on the amounts recognised and to make estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources.

The Management believes that the estimates and associated assumptions made in the preparation of these financial statements are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The following are the significant areas of estimation, uncertainty, and critical judgements in applying accounting policies:

1. Determination of the estimated useful lives of property, plant and equipment and intangible assets.

Useful lives of property, plant and equipment and intangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different from those prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

2. Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, vested future benefits, attrition rate and life expectancy. The discount rate is determined by reference to market yields of the government bonds at the end of the reporting period. The period of maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

3. Income Taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

4. Recognition and measurement of provisions

The recognition and measurement of provisions are based on the assessment of the probability of an outflow of resources, and on past experience and

circumstances known at the Balance Sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in other provisions.

Critical judgements required:

a) Application of Ind AS 115:

In making the judgement, the directors considered the detailed criteria for the recognition of revenue set out in Ind AS 115 and in particular determination of the nature and timing of satisfaction of performance obligations duly considering the terms of the contract and the assessment of the amount of revenue to be recognised based on whether the Company acts as a principal or an agent for the individual contracts.

b) Application of Ind AS 116:

i. Critical judgements in determining the lease term:

At inception of an arrangement, the Company determines whether the arrangement is or contains a lease. At inception or on reassessment of an arrangement that contains a lease, the Company separates payments and other considerations required by the arrangement into those for the lease and those for other elements on the basis of their relative fair values. If the Company concludes that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the Company's incremental borrowing

rate. In case of short-term and low-value leases, all payments under the arrangement are treated as lease payments.

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

The lease term is reassessed if an option is actually exercised (or not exercised) or the Company becomes obliged to exercise (or not exercise) it. The assessment of reasonable certainty is only revised if a significant event or a significant change in circumstances occurs, which affects this assessment, and that is within the control of the lessee.

ii. Determination of the discount rate:

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

D. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs

1.B Material accounting policies

1. Property, plant, and equipment

a. Recognition and measurement

Property, plant, and equipment is recognised when it is probable that future economic benefit associated with the asset will flow to the Company, and the cost of the asset can be measured reliably.

Items of property, plant and equipment are measured at original cost less accumulated depreciation and any accumulated impairment losses.

The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by the management, are recognised in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant

and equipment, and depreciated over their respective useful lives.

b. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

c. Depreciation

The Company has followed the Straight-Line method for charging depreciation on all items of property, plant, and equipment, at the rates specified in Schedule II to the Act; these rates are considered as the minimum rates. If management's technical estimate of the useful life of the property, plant and equipment is different than that envisaged in Schedule II to the Act, depreciation is provided at a rate based on management's estimate of the useful life. The useful lives followed for various categories of property, plant and equipment are given below:

Asset Category	Useful Life
Furniture and fixtures	10 years
Office Premises (No Depreciation were Considered)	Nil
Computers	3-6 years
Office Equipments	5 years
Motor Vehicles	8 years

In respect of additions to/deductions from the assets, the depreciation on such assets is calculated on a pro rata basis from/upto the month of such addition/deduction. Assets costing less than Rs. 5,000 are fully depreciated in the year of purchase/acquisition.

Leasehold improvements are amortised over the period of the lease.

(Rs. In Lacs)

Asset Category	Residual Value
Furniture and fixtures	2.76
Office Premises	141.66
Computers	4.75
Office Equipments	3.58
Motor Vehicles	13.10

2. Intangible-assets

a. Recognition and measurement

Intangible assets, including software, which is acquired by the Company and have finite useful lives are measured at cost less accumulated amortisation and any accumulated impairment losses.

b. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

c. Amortisation

Intangible assets are amortised over their estimated useful life on straight line method.

3. Financial Instruments

Financial assets and financial liabilities are recognised in the Company's Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

a. Financial Assets

Initial recognition and measurements:

- The Company recognises a financial asset in its balance sheet

when it becomes party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

Where the fair value of the financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to change in factor that market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

ii. Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria;

- The Company's business model for managing the financial asset and
- The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- Financial assets measured at amortised cost
- Financial assets measured at fair value through other comprehensive income ('FVOCI')
- Financial assets measured at fair value through profit or loss ('FVTPL')

a. Financial assets measured at amortised cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

- The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets

are subsequently measured at amortised cost using the effective interest method.

Under the effective interest rate method, the future cash receipts are discounted to the initial recognition value using the effective interest rate. The cumulative amortisation using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal/repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortised cost at each reporting date. The corresponding effect of the amortisation under effective interest method is recognised as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss.

The amortised cost of financial asset is also adjusted for loss of allowance, if any.

b. Financial asset measured at FVOCI:

A financial asset is measured at FVOCI if both of the following conditions are met:

- The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial asset, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

This category applies to certain investments in debt instruments. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognised in the other Comprehensive Income ('OCI'). However, the Company recognises interest income and impairment losses and its reversals in the Statement of Profit and Loss. On derecognition of such financial assets, cumulative gain or loss previously recognised in OCI is reclassified from equity to the Statement of Profit and Loss. However, the Company may transfer such cumulative gain or loss into retained earnings within equity.

c. Financial asset measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortised cost or at FVOCI as explained above. This is a residual category applied to all other investments of the Company. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognised in the Statement of Profit and Loss.

iii. Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is derecognised (i.e. removed from the Company's balance sheet) when any of the following occurs:

- The contractual rights to cash flows from the financial asset expires;
- The Company transfers its contractual rights to receive cash flows of the financial asset

and has substantially transferred all the risks and rewards of ownership of the financial asset;

- The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients thereby substantially transferring all the risks and rewards of ownership of the financial asset; or

The Company neither transfers nor retains substantially all risk and rewards of ownerships and does not retain control over the financial assets.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognise such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognises an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On Derecognition of a financial asset, (except as mentioned in b) above for financial assets measured at FVOCI), the difference between the carrying amount and the consideration received is recognised in the Statement of Profit and Loss.

iv. Impairment of financial assets:

The Company applies expected credit losses ('ECL') model for measurement and recognition of loss allowance on the following:

- a) Trade receivables and Contract assets
- b) Financial assets measured at amortised cost (other than Trade receivables and Contract assets)
- c) Financial assets measured at fair value through other comprehensive income (FVOCI)

In case of Trade receivables the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance.

In case of other assets (listed as (ii) and (iii) above), the Company determines if there has been a significant increase in credit risk of the financial assets since initial recognition, if the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognised as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured as recognised as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12-month from the reporting date.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcome, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated.

ECL allowance (or reversal) recognised during the period is recognised as expense (or income) in the Statement of Profit and Loss under the head 'Other expenses (or Other Income)'.

b. Financial Liabilities

i. Initial recognition and measurements:

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value

through profit or loss. Such liabilities, shall be subsequently measured at fair value.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

ii. Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortised cost using the effective interest method.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortisation using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the

initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortised cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognised as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

iii. Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When the existing financial liability is replaced by another from the same lender or substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the Statement of Profit and Loss.

4. Cash and cash equivalents

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash as cash and cash equivalents. Cash and cash equivalents in the Balance Sheet comprise of cash on hand, bank balances which are unrestricted for withdrawal and usage and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

5. Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Finance costs are recorded using the effective interest rate method. All other borrowing costs are recognised in the profit or loss in the period in which they are incurred.

6. Provisions and Contingent Liabilities and Contingent Assets

A provision is recognised only when there is a present legal or constructive obligation as a result of a past event that probably requires an outflow of resources to settle the obligation and in respect of which a reliable estimate can be made. Provision is not discounted to its present value and is determined based on the best estimate required to settle the obligation at the Balance Sheet date. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions and Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date. Contingent Assets and related income are recognised when there is virtual certainty that inflow of economic benefit will arise.

A provision for onerous contracts is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

7. Revenue Recognition

Revenue recognition is based on the delivery of performance obligations and an assessment of when control is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

The transaction price, being the amount to which the Company expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable consideration based on the achievement of agreed targets. Variable consideration is not recognised until the performance obligations are met. Revenue is stated exclusive of Goods and Service tax and other taxes, which are subsequently remitted to the government authorities.

8. Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

9. Employee benefits

a. Defined contribution plans

Provident Fund: Contribution towards provident fund is made to the regulatory authorities. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Employee State Insurance: Fixed contributions towards contribution to Employee State Insurance etc.

are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and where services are rendered by the employees.

b. Defined Benefit Plans

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972 as amended. The Gratuity Plan provides a lump sum payment to vested employees at the time of separation, retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period by an independent Actuary. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest)(if applicable), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in the Statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- i. Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii. Net interest expense or income; and
- iii. Remeasurements

The Company presents the service costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the Company can no longer withdraw the offer of the termination benefit and when the Company recognises any related restructuring costs.

c. Long Term Employee Benefits:

The Company accounts for its liability towards compensated absences based on actuarial valuation done as at the Balance Sheet date by an independent actuary using the Projected Unit Credit Method. The liability includes the long-term component accounted on a discounted basis and the short-term component which is accounted for on an undiscounted basis.

d. Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees upto the reporting date.

10. Foreign currency transactions

Income and expenses in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Foreign currency differences are recognised in the Statement of Profit and Loss. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

11. Taxation

Income tax expense comprises current tax expense and the net change in deferred taxes recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

a. Current tax

The tax currently payable is based on the taxable profit for the year. Taxable profit differs from net profit as reported in profit or loss because it excludes items of expense or income that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for tax is calculated using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities are offset only if, the Company:

- i. has a legally enforceable right to set off the recognised amounts; and
- ii. intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

b. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not

recognised for temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss. liability or asset.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Company.

Deferred tax asset / liabilities in respect of temporary differences which originate and reverse during the tax holiday period are not recognised. Deferred tax assets / liabilities in respect of temporary differences that originate during the tax holiday period but reverse after the tax holiday period are recognised. Deferred tax assets on unabsorbed tax losses and tax depreciation are recognised only to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. The tax effect is calculated on the accumulated timing differences at the year-end based on the tax rates and laws enacted or substantially enacted on the balance sheet date.

Current and deferred tax for the year:

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for business combination, the tax effect is included in the accounting for the business combination.

A new section 115BAA was inserted in the Income Tax Act, 1961, by The Government of India on September 20, 2019 vide the Taxation Laws (Amendment) Ordinance 2019 which provides an option to companies for paying income tax at reduced rates in accordance with the provisions / conditions defined in the said section. The provisions of MAT are also not applicable upon exercising this option. The Company has availed this option.

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. The provision for taxation for the current year has been determined by the Management based on the tax position to be considered for tax filing and its assessment of the probability of acceptance of the same by the taxation authorities.

12. Lease (Where the Company is the lessee)

The Company assesses whether a contract is or contains a lease, at inception of the contract. The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee, except for short term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise of fixed lease payments (less any lease incentives), variable lease payments, penalties, etc.

The lease liability is presented as a separate line in the Balance sheet.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

-the lease term has changed or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

-the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is measured by discounting the

revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).

-a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of the combination.

The Company has made such adjustments during the periods presented.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Company incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset.

The right-of-use assets are presented as a separate line in Balance sheet. The Company applies Ind AS 36 Impairment of Assets to determine whether a right-of-use asset is impaired.

13. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of

equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

14. Segment Reporting

Operating segments reflect the Company's management structure and the way the financial information is regularly reviewed by the Company's Chief Operating Decision Maker (CODM) who is the Managing Director of the Company. The CODM considers the business from both business and product perspective based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) accounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue, where applicable, is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not

allocable to segments on reasonable basis have been included under unallocated revenue / expenses / assets / liabilities.

Changes are made to the segment reporting, wherever necessary, based on the change in the business model duly considering the above factors.

15. Impairment of non-financial assets

The Company assesses at each reporting dates as to whether there is any indication that any Property, Plant and Equipment or Other Intangible assets or Investment Property or other class of an asset or Cash Generating Unit ('CGU') may be impaired. If any such indication exists, the recoverable amount of the assets or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting

period is reversed if there has been a change in the estimate of recoverable amount.

16. Events after reporting date

Where events occurring after the balance sheet date till the date when the financial statements are approved by the Board of Directors of the Company, provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the reporting balance sheet date of material size or nature are only disclosed.

17. Non-Current Assets held for Sale

Non-Current Assets classified as held for sale are measured at the lower of the carrying amount and fair value less cost of disposal. Non-current assets are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable, and the asset is available for immediate sale in its present condition. Management must be committed to the sale which should be expected to qualify as a completed for recognition as a completed sale within one year from the date of classification.

18. Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or

payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

19. Goods and Service Tax Input Credit

Goods and Service Input Credit is accounted for in the books during the period in which the underlying service received is accounted and where there is no uncertainty in availing/utilizing the same.

20. Related party transactions

Related party transactions are accounted for based on terms and conditions of the agreement / arrangement with the respective related parties. These related party transactions are determined on an arms-length basis and are accounted for in the year in which such transactions occur and adjustments if any, to the amounts accounted are recognised in the year of final determination.

There are common costs incurred by the Holding Company / Other Group Companies on behalf of various entities in the group including the Company. The cost of such common costs are allocated among beneficiaries on appropriate basis and accounted to the extent debited separately by the said related parties.

21. Earnings before interest and depreciation and amortisation ("EBITDA")

The Company presents EBITDA in the Statement of Profit and Loss; this is not specifically required by Ind AS 1. The term EBITDA is not defined in Ind AS. Ind AS compliant

Schedule III allows line items, sub-line items and sub-totals to be presented as an addition or substitution on the face of the Ind AS Financial Statements when such presentation is relevant to an understanding of the Company's financial position or performance or to cater to industry/sector-specific disclosure requirements or when required for compliance with the amendments to the Companies Act or under the Indian Accounting Standards.

Measurement of EBITDA:

Accordingly, the Company has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) before exceptional items as a separate line item on the face of the Statement of Profit and Loss. The Company measures EBITDA before exceptional items on the basis of profit/(loss) from continuing operations including other income. In its measurement, the Company does not include exceptional items, depreciation and amortisation expense, finance costs, and tax expense.

22. Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendment to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

For the year ended 31 March 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

The quantity and valuation of inventory at the year end has been certified by the management.

Note 34: Trade Receivable

Loan and Advances, Trade receivables and Other Receivables are subject to confirmation and reconciliaton.

Note 35: Employee Benefits**35.1 Defined Contribution Plan**

The Company makes Provident and National Pension Fund contributions for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions payable by the Company are at rates specified in the rules of the Schemes/Policy are as below:

Particulars	AS AT 31.03.2025	AS AT 31.03.2024
Employer's Contribution to Provident Fund	11.78	6.41
Employer's Contribution to National Pension Fund	-	-
Employer's Contribution to ESIC	0.33	-
Total	12.11	6.41

35.2 Defined Benefit Plans

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The following table sets out the status of the Gratuity scheme and the amount recognised in the financial statements as per the Actuarial Valuation done by an Independent Actuary:

These plans typically expose the Company to actuarial risks such as: Actuarial risk, investment risk, Liquidity risk, market risk and legislative risk.

Actuarial Risk	It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption then the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption then the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.
Investment Risk	For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.
Liquidity Risk	Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows.
Market Risk	Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.
Legislative Risk	Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

B. Fair value Measurement

Financial instruments measured at FVTPL / FVOCI :

All assets and liabilities for which the fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Inputs are quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement are (other than quoted prices) included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

C. Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include:

1. Derivative Financial Instruments - mark to market based on closing price on stock exchange

Financial instruments measured at FVTPL

March 31, 2025	Level 1	Level 2	Level 3	Total
Financial assets				
Derivative financial instruments	-	-	-	-
Total Financial Assets	-	-	-	-

Financial instruments measured at FVTPL

March 31, 2024	Level 1	Level 2	Level 3	Total
Financial assets				
Derivative financial instruments	-	-	-	-
Total Financial Assets	-	-	-	-

Financial instruments measured at amortised cost:

The carrying value approximates fair value for long term financial assets and liabilities measured at amortised cost. There are no transfers during the year in level 1, 2 and 3. The Company policy is to recognize transfers into and transfers out of fair value hierarchy level as at the end of reporting period.

D. Financial risk management

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has exposure to the following risks arising from financial instruments:

1. Credit risk
2. Liquidity risk
3. Market risk and
4. Interest rate risk

1. Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date. The Company continuously monitors defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The Company's policy is to deal only with creditworthy counterparties.

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. Trade receivables consist of a large number of customers in various geographical areas. The Company has no history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good. The credit risk for cash and cash equivalents, mutual funds, bank deposits, loans and derivative financial instruments is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings. Company provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For such financial assets, the Company's policy is to provide for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though incurred loss provisions, if any, are disclosed under each sub-category of such financial assets.

2. Liquidity risk

Liquidity Risk is defined as the risk that the Company will not be able to settle or meets its obligations on time at a reasonable price In addition; processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity through rolling forecasts of expected cash flows.

Exposure to liquidity risk

The table below is an analysis of Company's financial liabilities based on their remaining contractual maturities of financial liabilities at the reporting date.

March 31, 2025	Contractual cash flows	
	Within 1 year	1 year and above
Non-derivative financial liabilities :		
Working Capital Facilities from banks	5,067.73	
Trade payables	11,346.86	32.11
Other Financial Liabilities	238.98	

March 31, 2024	Contractual cash flows	
	Within 1 year	1 year and above
Non-derivative financial liabilities :		
Working Capital Facilities from banks	3,750.85	-
Trade payables	10,492.95	-
Other Financial Liabilities	487.10	-

3. Market risk

Changes in market prices which will affect the Company's income or the value of its holdings of financial instruments is considered as market risk. It is attributable to all market risk sensitive financial instruments.

4. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Particulars	Impact on statement of profit and (loss)- [Net of tax]	
	March 31, 2025	March 31, 2024
Interest rates – increase by 100 basis points (100 bps)	(44.09)	(22.58)
Interest rates – decrease by 100 basis points (100 bps)	44.09	22.58

Note: 37 Capital Management

The primary objective of the Group's capital management is to maximize the shareholders' interest, safeguard its ability to continue as a going concern and reduce its cost of capital. Company is focused on keeping strong total equity base to ensure independence, security as well as high financial flexibility for potential future borrowings required if any. Company's capital for capital management includes debt and total equity. As at March 31, 2025 and March 31, 2024 total capital is Rs 72,21,62,671/- and Rs 50,58,75,638/- respectively. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2025, March 31, 2024.

NOTICE

NOTICE is hereby given that the **7th Annual General Meeting** of the Members of **DC INFOTECH & COMMUNICATION LIMITED** will be held at The International by Tunga, Tribune-I, 6th Floor, B-11, MIDC, Central Road, Andheri East, Mumbai-400093 on **Tuesday, 30th September, 2025 at 11:00 AM** to transact the following business:

Ordinary Business:

1. To consider and adopt the Audited Financial Statements of the Company for the Financial Year ended March 31, 2025 and the reports of the Board of Directors and Auditors thereon.

To consider and if thought fit, to pass the following resolution, with or without modification(s), as an **Ordinary Resolution:**

"RESOLVED THAT the audited financial statements of the Company for the financial year ended March 31, 2025 and the reports of the Board of Directors and Auditors thereon laid before this meeting, be and are hereby considered and adopted."

2. To appoint Mr. Jayeshkumar Kishorekumar Sayani (DIN 08332277), as director, liable to retire by rotation, and being eligible, offers himself for re-appointment.

To consider and if thought fit, to pass the following resolution, with or without modification(s), as an **Ordinary Resolution:**

"RESOLVED THAT pursuant to the provisions of Section 152 of the Companies Act, 2013, Mr. Jayeshkumar Kishorekumar Sayani (DIN 08332277), Director of the Company, who retires by rotation at this meeting and being eligible has offered himself for re-appointment, be and is hereby appointed as a Managing Director of the Company, liable to retire by rotation."

Special business:

3. Appointment of Mr. Dilip Gupta, Practising Company Secretary, as the Secretarial Auditors of the Company.

To consider and if thought fit, to pass the following resolution, with or without modification(s), as an **Ordinary Resolution:**

"RESOLVED THAT pursuant to Section 204 and other applicable provisions, if any, of the Companies Act, 2013, Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

("SEBI LODR Regulations"), other applicable laws/statutory provisions, if any, as amended from time to time, and upon the recommendation of the Audit Committee and the approval of the Board of Directors of the Company, Mr. Dilip Vasudeo Gupta, Practising Company Secretaries (Membership Number 21727 and COP Number 21634) be and is hereby appointed as Secretarial Auditors of the Company for term of five consecutive years commencing from financial year 2025-26 till financial year 2029-30,

to conduct the Secretarial Audit of the Company, at such fees, plus applicable taxes and other out-of-pocket expenses as may be mutually agreed upon between the Board of Directors of the Company and the Secretarial Auditors.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to take such steps and to do all such acts, deeds, matters and things as may be required to give effect to the foregoing."

4. Increase in Authorised Share Capital

To consider and if thought fit, to pass the following resolution, with or without modification(s), as an **Ordinary Resolution:**

"RESOLVED THAT pursuant to the provisions of Sections 61 and 64 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Share Capital & Debentures) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), the consent of the members of the Company be and is hereby accorded for increasing the Authorized Share Capital of the Company from existing Rs. 17,00,00,000/- (Rupees Seventeen Crores) divided into 1,70,00,000 (One Crores Seventy Lacs) Equity Shares of Rs. 10/- (Rupees Ten Only) each to Rs. 36,00,00,000/- (Rupees Thirty Six Crores) divided into 3,60,00,000 (Three Crores Sixty Lacs) Equity Shares of having face value of Rs.10/- (Rupees Ten Only) by creating additional 1,90,00,000 (One Crore Ninety Lacs) Equity Shares of Rs. 10/- each ranking pari passu with the existing equity Shares of the Company.

RESOLVED FURTHER THAT pursuant to the provisions of Section 13 read with Section 61 and 64 and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification(s) or re-enactment thereof for the time being in force) and subject to the approval of Shareholders of the Company, the existing clause V of the Memorandum of Association of the Company be substituted as follows:

V THE AUTHORISED SHARE CAPITAL OF THE COMPANY IS RS. 36,00,00,000/- (RUPEES THIRTY-SIX CRORES ONLY) DIVIDED INTO 3,60,00,000/- (THREE CRORE SIXTY LACS) EQUITY SHARES OF FACE VALUE RS. 10/- (RUPEE TEN ONLY) EACH.

RESOLVED FURTHER THAT any of the Directors the Company, be and is hereby authorized to sign and file all necessary documents and forms as may be deemed necessary in this connection with the Registrar of Companies and to do all such acts, deeds and things as may be necessary and expedient for giving effect to this resolution."

Important note: Members who are unable to retrieve User ID/ Password are advised to use [Forget User ID and Forget Password option available at abovementioned website.](#)

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911

B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

- c) How to retrieve your 'initial password'?
- If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
- Click on **"Forgot User Details/Password?"** (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 - Now, you will have to click on "Login" button.
 - After you click on the "Login" button, Home page of e-Voting will open.
- Step 2: Cast your vote electronically on NSDL e-Voting system.**

How to cast your vote electronically on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
- Now you are ready for e-Voting as the Voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- Upon confirmation, the message "Vote cast successfully" will be displayed.
- You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to dilipgupta123@yahoo.co.in with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
- It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the **"Forgot User Details/Password?"** or **"Physical User Reset Password?"** option available on www.evoting.nsdl.com to reset the password.
- In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 - 4886 7000 or send a request to Sagar S. Gudhate, Senior Manager at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

- In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to cs@dcinfotech.com.
- In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to cs@dcinfotech.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. **Login method for e-Voting for Individual shareholders holding securities in demat mode**.
- Alternatively shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
- In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013 annexed to the notice.

The following Statement sets out the information relating to the special business mentioned under Item No. 3 and 4 in the accompanying Notice:

Item no 3: Appointment of Mr. Dilip Gupta, Practising Company Secretary, as the Secretarial Auditors of the Company.
