COVID-19 Pandemic Situation- Update

A	Impact on the business	The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic have posed challenges to the business of the Company. The Company's operations were hit substantially from 23rd March 2020 till lockdown was gradually lifted w.e.f 8 th June, 2020. The operations of the Company were reassumed in a gradual manner w.e.f. 8 th June, 2020 with limited manpower of 10% only. Corporate office and Branch office were fully shut during the lockdown period.
B	Ability to maintain operations including the factories/units/office spaces functioning and closed down	As stated earlier, the Corporate office and Branch office of the Company were shut down entirely during the lockdown phase as the Company was not part of Government denominated essential services. Corporate office and Branch office were also shut, but the Company adopted the work from home policy during the entire duration of the lockdown.
C	Schedule, if any, for restarting the operations and steps taken to ensure smooth functioning of operations	With the gradual lifting of the lockdown restrictions, the Company has started its operations after establishing thorough and well-rehearsed safety protocols. The Company is following Covid-19 guidelines, rules and regulations issued by central and state governments. Employees: Amidst the crisis, the safety of our employees has been our top-most priority and the Company has taken several measures to ensure their well-being. Employee count at our Corporate Office and Branch office were restricted to permitted limits. The safety of employees who are now required to step out for work is being ensured and they have been mandated to use protective gear and take all safety precautions. We have curtailed the number of employees working at all Corporate Office and Branch office at a time. The Company is adhering to complete safety measures in all its offices/branches to safeguard its employees from COVID-19. – - All offices were cleaned and sanitized before reopening. - Screening of employees before entering and after leaving

		premises. - Adequate stocks of sanitizers and face masks made available to all employees. - Ensured clear standard operating procedures in place on how to work with social distancing, staggered lunch timings, fixing hand sanitizer dispensers etc.
D	Estimation of the future impact of CoVID-19 on its operations	Revenue in Q1 FY21 is adversely impacted due to the lockdown. However, following easing of restrictions, we expect recovery in the Q2 FY21. The actual extent to which the COVID-19 pandemic will impact the business performance of the Company is highly uncertain and unpredictable and depend on future developments. The Company does not foresee any major impact on the assets, and has taken cost-reduction measures to optimize utilization of financial resources in the wake of the current uncertainty. Due to the uncertainty around the severity and duration of the COVID-19 impact, the Company is not in a position to assess its impact on future financial performance at this point of time. The detailed impact assessment of COVID-19 on the business of the Company is a continuing process depending on the uncertainties associated with its nature and duration The Company is looking forward to stabilise the operations with all safety measure while working on the demand factors to improve the top line. The Company is confident about adapting to the changing business environment and respond suitably to fulfil the needs of its customers.
E	Impact of COVID-19 on capital and financial resources, profitability, liquidity position, ability to service debt and other financial arrangement, assets and internal financial reporting and control	The COVID 19 situation is expected to significantly affect the profitability during the first half of the year. The profit for the last quarter of F.Y. 2020 is impacted by disruption of operation due to this pandemic. The impact on pandemic will continue in the first quarter of financial year 2020-2021 . The management has made an initial assessment of the impact of the lockdown and the fallout of the pandemic to evaluate its liquidity position based on which it does not expect any risk in the

		Company to continue as a going concern or meeting its financial obligation. The Company has availed moratorium for payment of term loan Instalment and Interest of Working Capital and has never defaulted on any interest or loan payment and does not see any issue meeting future obligations too. None of the assets of the Company have been impacted or impaired due to COVID-19. The Company has efficient systems in place for internal Financial reporting and control. Even during the period of lockdown with work from home, all reporting systems worked seamlessly without any disruption.
F	Impact of COVID-19 on supply chain and demand for its products/services	The supply chain was the cause for concern during the initial lockdown period. However we are expecting normal operations from August, 2020 onwards and confident that the Company shall return to its normal position shortly. The demand for the company's products has slackened during the lockdown period and the company is now ready to serve its customers.
G	Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business	The Company is well positioned to fulfil its obligations and also does not foresee any significant impact on the business due to non-fulfilment of the obligations by any party.
H	Other relevant material updates.	The Company has recalibrated its priorities and identified deliverables, both short term and long term, to overcome the challenging times. The Board of Directors and its Committees have actively continued to engage and monitor the developments.
