Subject: Media Release for Extending Agreement with Tata Communications Limited for Three Years

Dear Sir/Madam,

DC Infotech and Communication Limited (“DC Infotech” or “the Company”), a leading provider of IT, networking, and digital infrastructure solutions, today announced the extension of its existing Procurement Agreement (Reseller) with Tata Communications Limited (“Tata Communications”), a global digital infrastructure provider.

The renewed agreement will be effective for a period of three (3) years, commencing from March 05, 2026, through March 04, 2029. This extension ensures continuity in the long-standing strategic relationship between the two companies and reinforces DC Infotech’s commitment to delivering advanced technology solutions to enterprise and government customers.

Under the agreement, DC Infotech will continue to leverage Tata Communications’ comprehensive portfolio to offer networking, cloud, digital infrastructure, and enterprise communication solutions. The arrangement remains transaction-based, enabling flexibility and scalability in addressing evolving customer requirements.

Management Comment:

“This extension further strengthens our long-standing partnership with Tata Communications and aligns with our strategy of deepening collaborations with leading technology providers. Such alliances are critical in enabling us to deliver integrated and future-ready solutions to our customers.”

“The renewed agreement is expected to provide greater visibility to our business pipeline and support sustained growth over the coming years. It also enhances our ability to address evolving enterprise requirements across networking, cloud, and digital infrastructure.”
