S&P Global

We are immensely pleased to announce that DCM Shriram Ltd. has been recognized among "Top 7%" of the 523 Global Chemical Companies for ESG (Environmental, Social, and Governance) performance in the S&P Global Corporate Sustainability Assessment (CSA) 2024. This year, we received CSA score of 59 out of 100, marking an improvement of 5 points over the previous year. Through our concerted efforts, we have demonstrated our commitment to environmental stewardship, social responsibility, and strong governance principles. This achievement reflects our unwavering dedication to integrating sustainable practices across our operations and contributing to a better future for all.

This could not have been possible without the support and commitment of our employees, partners, investors, and other stakeholders to our sustainability journey. This improved score is a testament to our ongoing efforts to enhance transparency, governance, and performance in alignment with global sustainability goals.

DCM Shriram Ltd. is committed to integrating sustainable practices across its operations and contributing to a better future for all.
