ANNEXURE-I

CHAIRMAN'S STATEMENT -2015

Dear Shareholders,

On behalf of the Board of Directors and on my own behalf, I extend a very warm welcome to each one of you to the 125th Annual General Meeting of your Company. The Directors' Report and Audited Financial Statements of the Company for the year ended March 31, 2015 along with the Auditors' Report thereon, have been with you for quite some time and with your permission, I take them as read.

THE MACRO SCENE

The global economic environment in recent years has been challenging. There is, however some positive news in terms of economic recovery in the United States, which has provided momentum for the global economic recovery.

India's economy is in the midst of a recovery. A number of proactive measures have been initiated to curb the high inflationary trend, control Current Account Deficit, contain currency volatility and promote economic growth. Both external and internal factors including a decline in global crude oil & commodity prices, good inflow of funds through Foreign Institutional Investment (FII) coupled with the reform initiatives of the Government, have supported the revival of economic growth.

After a tepid start, India's economy in FY 2014-15, saw a shift to positive sentiments led by commitments by the Government at the Centre. FY 2014-15 was indeed a year of transformation and optimism. As per the World Bank, the Indian economy is expected to grow @ 7.5% in 2015-16 and is expected to reach around 8% by 2017.

COMPANY AFFAIRS

Your Company has recorded a Net Profit after Tax (PBT) of Rs. 13.92 Crores against PBT of Rs. 36.20 Crores last year. The dip in profit during the year 2014-15 is due to lower profitability of the Textile Division on account of lower global demand, especially from China, besides increase in power cost and higher depreciation. The performance of DCM Engineering Limited, one of the subsidiaries of the Company, continued to be affected in 2014-15 due to a drop in volume in the 2nd half, largely due to lower demand from the tractor industry and also because of partial recovery of increase in input cost in the first half of the year. The volume in 2015-16 is expected to increase with the stabilization of bulk commercial production, in phases, of new items during 2015-16. The continued focus on process improvements and manufacturing techniques besides cost reduction measures in the area of power, manpower and material, have led to improved productivity and cost effectiveness.

INITIALS

REGD.

The Board of Directors of your Company has recommended a final dividend of 15% @ Rs. 1.50 per equity share of Rs. 10 each for your approval for the financial year 2014-15. This is in addition to the interim dividend of 15% @ Rs 1.50 per equity share of Rs.10 each which was paid in December 2014.

The Board of Directors has recommended the appointment of Mr. Arun Kumar Vedhera as Director of the company retiring by rotation. In view of his vast experience in material management, supply chain and marketing, it will be in the interest of the company to appoint him as a Director of the Company, liable to retire by rotation.

Mr. S.N Pandey, Director of the company passed away on December 23, 2014. He was 84 years old. He was Chairman of the Board of Directors of the Company from December 20, 2005 to December 19, 2011. Your Board placed on record its deep condolences on his sad demise.

Prof. Joginder Singh Sodhi has resigned from directorship of the Company with effect from February 13, 2015. Your Board placed on record its appreciation for the contributions made by Prof. Joginder Singh Sodhi during his tenure as director of the Company.

TEXTILE BUSINESS

During the year under review, the production of yarn in the textile division increased by 32% (approx.) to 25271 MT from 19095 MT last year, mainly due to successful execution of the expansion project through an addition of 39168 spindles at Hissar entailing a capital cost of about Rs. 105 crores. With this expansion, the capacity of the textile division has increased to 114096 spindles. However, lower global demand, specifically from China, higher depreciation cost due to expansion and increase in power cost during the year resulted in lower PBT of Rs. 3.97 Crores as against PBT of Rs. 45.25 crores in the previous year.

IT BUSINESS

During the year under review, the IT division earned PBT of Rs. 6.44 Crores as compared to PBT of Rs. 4.39 crores in the previous year. This was possible mainly on account of increase in volume both in India and overseas business, better margin on exports and favorable exchange rates. Efforts were made to broaden the customer base and build capabilities in new technology areas. The export of infrastructure services continued to show good growth during the year.

SCHEME OF AMALGAMATION OF DCM ENGINEERING LIMITED INTO AND WITH DCM LIMITED

The Board of Directors of your Company on December 8, 2014 approved the merger of DCM Engineering Limited ('Subsidiary Company') into and with your Company under a Scheme of Amalgamation (i.e. 'Scheme') under sections 391 to 394 and other applicable provisions of the Companies Act, 1956.

CHAIRMAN'S

MINUTE BOOK

The company had filed the said Scheme with Hon'ble Delhi High court after the receipt of No-objection from BSE and National Stock Exchange. The said Scheme is subject to receipt of court order sanctioning the Scheme and/or other regulatory/statutory approvals as may be applicable.

CORPORATE GOVERNANCE

The Companies Act, 2013 largely applicable now has introduced provisions, which require companies to adhere to stringent corporate governance norms. I am proud to state that your Company has always followed the highest standards of Corporate Governance and considers it as more of an ethical requisite than a regulatory necessity.

SOCIAL RESPONSIBILITY STATEMENT

Your Company has always endeavoured to uphold the concept of corporate social responsibility. As an effort in this direction, the Textile Division of the Company has continued to contribute in running a school up to 10th standard in its campus at Hissar. The company has also taken up the project of civil repair work of the boy's hostel of the school for deaf and dumb children at Hissar. The actual expenditure of the company on CSR during the year was less than 2% of the average net profit of the last three years. The company is in the process of identifying certain other CSR projects/activities and is working on the details thereof to increase its contributions in future.

ACKNOWLEDGEMENTS

Dear shareholders, with astute guidance from our Board of Directors, the unflinching support of our stakeholders, the loyalty of our customers and the dedication of our employees, we are confident of addressing the challenges and to deliver growth that is consistent, competitive, profitable and responsible.

I wish to place on record my deep appreciation to all of you for your unstinted support in our journey towards a brighter future. I also thank the Financial Institutions and Banks for the support extended to the Company. I look forward to your continued support and assure you of our total commitment to achieve the objective of restoring DCM Limited to its position as the leading industrial house of north India.

Thank you!
